RE: Permanent Fund Committee Application

Dear Valdez City Council,

Please consider this letter my application and desire to continue to serve on the Valdez Permanent Fund Committee.

The city's permanent fund is a trust for all community residents. As such, it must be managed with responsibility to insure its security for current and future residents of our great town.

It has been a privilege to serve the community of Valdez as a volunteer to this important committee. I have held a seat both as an appointed councilman and member of the public for many years. I believe that my past experience can be of value to the committee and the community.

Please consider my interest and commitment to continue to serve in this capacity.

Sincerely
