Question applies to multiple boards

**Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?**
