### Which Boards would you like to apply for?

---

Library Board: Submitted

Question applies to multiple boards

**Required Time Commitment: All board/committee members and commissioners are expected to (1) be physically present at most, if not all, board/committee or commission meetings and (2) review agenda materials prior to arriving for the meeting to be best prepared for discussion and decision making. Are you aware of the time commitment involved in serving on this particular board, committee, or commission? Are you willing and able to commit to regular meetings plus work sessions every month for your full term?**

As I have served for the past 3 years, I know the required time commitments and am willing and able to meet those again.

Question applies to multiple boards

**Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?**

Yes

---

**How did you learn about this vacancy?**

---

I am a Current Board/Committee/Commission Member

## **Interests & Experience**

**Why are you interested in serving on a City of Valdez board or commission?**

---

I would like to continue my work on the Library Board with the purpose of helping to aid and fulfill the goals and mission of the Valdez Consortium Library.

**Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.**

I earned my Bachelor's degree in Geological Engineering from the University of Alaska Fairbanks. Throughout my 10 years at PWSC, I joined the Library Board at the behest of board members who saw the Board's roster dwindle during Covid. In the 3 years I've served, I've worked alongside other dedicated board members to grow the board and reinvigorate the community's support for our local library, reviving the annual Book Basket auction, and affirming the support of the library's great youth and young adult programming.
