Requested back up Information

We are improving the exterior of our store front to better highlight the store and represent our company. We will be adding color to the artice entry by means of installing brushed slate metal and then adding appropriate color signage to denote our business association with the Do It Best Corporation and to highlight our store name. On the side of the buildings, to match the new metal color, will be signage expressing a minimal number of our broad categories of product we carry. And we are adding some lighting to assist our customers in the darker months.

We will be using all local businesses to complete this project.

Zastrow Enterprises will be doing the installation	--- \$9000
Nichol's Sign will be doing all signage	--- \$3500
South Central Hardware will be supplying materials	--- \$3439
Frontier Electrical to install exterior lighting	--- \$3000
Total estimated project cost	--- \$15474

FROM: MYRNA DAHL, SOUTH CENTRAL HARDWARE

To Whom it May Concern,

We are very proud to be a member of the Valdez business community and as such we have always done our best to make our property pleasing to view.

Being one of the first businesses that you see entering Valdez from the Richardson Hwy and being a long-standing (40 years) business in Valdez it is important to have a professional first impression. We are updating our store front to meet several of our needs and to make the shopping experience better for our customers.

This new updated version of us will be more welcoming, more professional and safer, especially in the darker months.

Thank you for taking this into consideration.

Myrna Dahl
