Unfortunately, the city continues the confusing practice of allowing properties on 9th Street to continue using Richardson Highway addresses. William Lusk owns 2301 Richardson Highway (2.522 Acres) and ADJOINING properties 2173 and 2243 "9th Street" (3.857 acres), for a total of 6.379 Acres. While the 9th Street properties are divided into 12 parcels each for a total of 24 parcels, a throwback to early Valdez townsite practice, it serves no purpose other than requiring the printout of 24 additional billings each year come tax time, and now the filing of 24 protests. The property was purchased to allow expansion of Mr. Lusk's business and has never been considered for sale or offered for sale as separate parcels. Continued on back.

Continued from front.

Without city participating in installing water and sewer, under current DEC rules, a property of at least one acre is required to install a septic system or well, which would require over 6 of the Seven hundred square feet lots to be combined for the property to have meaningful usefulness. In the early days a privy did not require a lot of land to serve the landowner and building lots were smaller. Assessor Martins professes that small light industrial lots are more valuable. If you look at how LI zoning is being used in Valdez, you will find much of it is for Residential purposes. Individuals who want a larger lot to live on and are willing to pay a higher cost. Larger parcels that may actually be used for light industrial use are assessed lower. Mr. Lusk uses his land for his heavy equipment and trucking business, there is not even a residential component at all. It seems appropriate for the total acreage amount to be used in determining his tax base instead of charging one rate for 2.522 acres and then 24 parcels at 700 square feet each, which would give him 6.379 acres to be assessed.

The requested comparable properties I was provided and the 2024 proposed values for properties the assessors have worked up would suggest a value of perhaps \$0.53 a square foot, not \$1.00.

Proposed Tax Values for 2024

115 Glacier Haul Rd.	5.977 A	\$ 0.56
2500 Richardson Hwy	7.25 A	\$ 0.51
596 Hobart	7.29 A	\$.051
2580 Richardson Hwy	5.05 A	\$.60
