Planning & Zoning Commission: Submitted

Question applies to Ports & Harbors Commission, Planning & Zoning Commission, Permanent Fund Investment Committee

This appointment term is for three years. Are you able to commit to serving for that full time period?

Yes No

Question applies to multiple boards

Required Time Commitment: All board/committee members and commissioners are expected to (1) be physically present at most, if not all, board/committee or commission meetings and (2) review agenda materials prior to arriving for the meeting to be best prepared for discussion and decision making. Are you aware of the time commitment involved in serving on this particular board, committee, or commission? Are you willing and able to commit to regular meetings plus work sessions every month for your full term?

I am absolutely committed to doing these things as I was when I served before.

Question applies to multiple boards

Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?

yes I understand the importance of attendance and will do my best to attend all. I will also give plenty of notice if for some reason I am unable to attend.

Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

I would like to make our community better by getting the right things in the right places, to have a direct impact on the look and feel of our community.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I have volunteered in the past for Planning and Zoning and would like to do so again. I am educated in computer electronics and programing which give me the ability to look at the finer details to reach a decision on what needs to be or should be done. The same abilities also help with using new software programs such as EnCodePlus.
