City of Valdez

7/5/17

To Whom it may concern:

There are no junk vehicles on my property (137 Gulkona St - Lot 20 Block 3). All vehicles are registered, insured, and in good working order.

The 1997 RV is no longer on my property. Richard Moffett owns the Winnebago. I have no tenants on my property.

I have never run an automotive business. My business is Misty Marine Repair.

CODE REF. Vehicles on premises learn to addition (main residence)

1) Camper w/ permanent lean to addition (Richard Moffett) stay here in the summer & goes away but leaves motorhome when he leaves for winter plate # G88-426 Tennessee

2) Red GMC pickup Licensed: Alaska VFD163

3) White Van or Misty Marine sign plate I J. 70395 Idaho

There is an easy up & taps over area in the front yard with a couple disassembled outboard boat engines. Looks to be part of business. Both vehicles have Marine Repair signs on them

WHEN CORRECTIONS ARE MADE, PLEASE CALL FOR INSPECTION 835-3419
