**Subject:** VA Disability Property Tax Exemption 2023 Late Submittal

I have applied for the Veterans Disability tax exemption for 2023 on February 6, 2023. The reason for the late submittal is because the VA just sent out the letter with the new combined disability rating which qualifies me for the possible property tax exemption. I received the letter from the VA on 2/2/23.

Thank you in advance for your consideration.
