Yes

Question applies to multiple boards

Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?

Yes

How did you learn about this vacancy?

I am a Current Board/Committee/Commission Member

Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

Valdez is a wonderful community and I want to help it continue to be successful. I'm completing a partial term as Planning and Zoning Commissioner which started in 2023, and I would like to continue with a new term. My approach in my life, jobs and volunteering is to research and understand issues, resolve conflict by building bridges, and work collaboratively with others. I would like to continue to volunteer with the city government and apply some of my education and experience to serve my community. Thank you for considering my application.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

Education: Bachelor of Arts in Sociology (1987) Masters in Public Administration (2023) PHR, HRCI Professional in Human Resources Certification, 2001-present. Each of these areas have extensive legal rules and regulations that I reviewed and implemented actions to ensure compliance. I feel giving back is important and have volunteered for the Valdez Arts Council for 16 years and volunteered for the Sound Wellness Alliance Network (SWAN) for 11 years, 2009-2021, as well as numerous activities while my sons were in the school system. My experiences include planning, project management, change management, coordination, safety and support.
