Laura,

The PSA referenced in your message below is approved as to form and either Sheri or Allie can use my signature stamp on this Agreement. A couple of minor formatting issues: (1) there is an extra blank page in the middle of Appendix C that should be removed; (2) the Appendix D header presently appears on the bottom of the last page of Appendix C.

**Subject:** PSA to RSA for VCT Electrical Repairs

Tony,

Please review the PSA for the design services of the VCT Electrical Repair by RSA Engineering. As you noted before with proposals from RSA, I've included Article 7 here too. Please reply-all with your review. Thank you,
