**Subject:** lamp post lights on Egan Drive

Hi Nate and Elise,

Elise – I sent a request to Nate, and he asked that I send an email to both of you for the Beautification Commission.

I requested the lamp post lights on Egan Drive change colors depending on the months of the year:

October – purple and orange

November – warm colors (red, orange, yellow)

December – green and red

January – cool colors for winter and snow (blue, light blue, white)

February – red and white or include a pink if the lights have that option

March – green and white

April and May – a bright array of colors – signifying spring (all colors or a variety of colors for spring flowers, etc.) Until the lights are taken down or turned off.

Ana
