How VA Combines Percentages

If you have more than one condition, VA will combine percentages to determine your overall disability rating. The percentages assigned for each of your conditions may not always add up to your combined rating evaluation. The following website has additional information about how VA combines percentages: <http://www.benefits.va.gov/compensation/rates-index.asp#howcalc>.

You may be eligible for VA life insurance benefits. Call the Insurance toll free number, 1-800-669-8477, or visit the Insurance website, www.benefits.va.gov/insurance, for further information.
