## Interests & Experience

### Why are you interested in serving on a City of Valdez board or commission?

---

I have a love for history, and a desire to be more involved with keeping local history alive while giving back to my community.

### Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

---

I have not furthered my education past high school, and volunteer work I have done is just offering help up when I see a need. I sat in the treasury seat for the Eagles to assist in filling a vacancy, and help with the local PTA and SWAN event on occasion as well. This has led me to purposefully seek volunteer work.
