Valdez Museum & Historical Archive Association Board of Directors: Submitted

Question applies to Valdez Museum & Historical Archive Association Board of Directors

No preference

Question applies to multiple boards

**Required Time Commitment: All board/committee members and commissioners are expected to (1) be physically present at most, if not all, board/committee or commission meetings and (2) review agenda materials prior to arriving for the meeting to be best prepared for discussion and decision making. Are you aware of the time commitment involved in serving on this particular board, committee, or commission? Are you willing and able to commit to regular meetings plus work sessions every month for your full term?**

Yes I can commit to the time constraints. I am a full time resident of Valdez and will be here year round with the exception of vacations.

How did you learn about this vacancy? \*

## Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

---

I have lived in Valdez off and on since 1973. I would like to become a more active member of the community. When I saw there were openings on the Museum board this peaked my interest. I am currently working on a project for the City involving archiving all records of past projects. It is fascinating learning about the history of our town. I would like to give my time because I believe it is important to help keep our community alive and connected.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

---

I have a business administration degree and a massage therapy degree. I have done volunteer work for the Alaska Crisis Line. I am currently an advocate for Advocates for Victims of Violence (AVV). I participate in all the functions that AVV is involved in. I have been a supervisor with the Child Support Services Division and a legal secretary for the Attorney General's Office. I am a business owner.
