

2025 Parks and Recreation Commission Goals

1. Trail Development
 - Interconnectivity
 - Title 16 easement partnerships (working on trail ord. during dev.)
 - Walking trail partnerships (identifying volunteer groups)
 - Monthly commission trail reports (staff maintenance plan)
 - Bike to work program (programming focused)
 - Work with DNR/State Parks on paddling trails
2. CSO pre and post event meetings-enhance relationships and communication.
3. Options for indoor and covered playground places
 - Develop pop-up programs with existing facilities
 - Feasibility study for covering a playground
 - Implementation of playground capital replacement program.
4. ADA compliance plan
 - Work to enhance accessibility at all parks and playgrounds
 - Identify areas that need addressing and develop an action plan
 - Work with Public Works to address pedestrian community walkability
5. Innovative Outdoor Recreation
 - Disc Golf
 - Ski Hill
 - Pump Track
 - Gun Range
 - Outdoor pickleball
 - Collaboration with Alaska Sea Grant Organization
