Hi Elise,

Thank you for checking in on me. My job here has me traveling a lot more than anticipated when I reported here in June: I am out of state at least 2 weeks every month.

I would like to resign if possible. If there is any paperwork I need to sign please let me know.

Thank you, my apologies for the bad news.

Sincerely,
Abby

Hi Abby-

It seems like you've had a lot going on with work and haven't been able to engage recently in Beautification Commission activities or meetings.

So I just want to check-in and see where you are at with serving on the commission and if it is something you are still interested in/ able to do.

Do you have a moment to talk this afternoon or anytime tomorrow?

Thanks,

Elise
