Invitation to Bid**

July 22, 2024:

**Project: 2025 Janitorial Services
Contract Number: 2276**

This project includes, but is not necessarily limited to:

Contract shall include providing all labor, materials, tools, equipment, transportation and supervision necessary to perform:

Janitorial Services as outlined within the Building Frequencies, Standards & Specifications and Proposal Schedule found in this contract.

The contractor needs to be aware that the separate proposal items will be awarded in a manner most advantageous to the City of Valdez.

The form of agreement for this contract will be a Service Agreement and the City may issue purchase orders for any additional scopes of work assigned to the contractor outside of the scopes of work awarded.

Proposals will be accepted until 2:00pm local time on August 16, 2024, at the office of the Facilities Maintenance Manager, 555 West Egan, P. O. Box 307, Valdez, Alaska 99686 or emailed to Stanley Porritt at sporritt@valdezak.gov and cc Jodi Fowler at jfowler@valdezak.gov

A pre-proposal conference will be held at the Capital Facilities conference room at the Pioneer Field Airport, 300 Airport Road, Valdez, Alaska on July 30, 2024 at 11:00 am. A site visit to each of the facilities will follow if requested.

Proposal documents may be downloaded from the City of Valdez website at www.valdezak.gov; documents are located under "Bids" on the left-hand side of the opening page. Contractors are encouraged to download, fill out, and return the Request for Addendum form located at the link listed above to ensure receipt of any addendum issued for this project.

The City reserves the right to waive any irregularities or informalities in a proposal and to reject any and all proposals without cause.

Current minimum prevailing wage rates as published by the Alaska Department of Labor must be paid if required by law.

Requirements of the Alaska Employment Preference (AS 36.10) must be met.

The City of Valdez “Standard Specifications, Division 10 ‘Standard General Provisions’”, as modified and included in this procurement, applies to the project.

**City of Valdez
Instructions to
Proposers**

**Project: 2025 Janitorial Services
Contract Number: 2276**

CAUTION:

Your proposal may be rejected if it is not properly executed. Check that the following items have been accomplished to help assure a responsive proposal. Please read sections 6 and 7 carefully.

1. Request for Proposal Form
 - A. The Request for Proposal Form has been executed and signed.
 - B. Addendum Acknowledgement Form has been executed and signed.
2. Alaska Business License, a copy your current license must be included.
3. City of Valdez Business License, current copy.
4. A proposal may be rejected if it contains any alterations or erasures that are not initialed by the signer of the proposal.

1. General

Contractors are requested to study and follow these instructions about the method and form for submitting proposals to avoid having their proposal rejected.

Contractors will find all required forms and documents contained within this assembly. Please notice under Section 7, Required Documents for Proposal, as to which forms and documents are required for your proposal to be considered.

2. Explanation to Contractors

Requests from contractors concerning interpretations or clarifications of the proposal documents shall be made in writing to the project manager. Such requests shall arrive at least three working days prior to the proposal submission deadline. There needs to be sufficient time allowed for a reply to reach all contractors before the submission of the proposals. Explanations made will be in the form of an addendum to the specifications or drawings and will be furnished to all contractors and receipt of the addendum must be acknowledged on the Addendum Form.

3. Site Conditions

Contractors are encouraged to visit the site to ascertain pertinent local conditions, location, accessibility, terrain, labor conditions, conditions of surrounding areas, and any other aspect that may impact the project.

4. Addenda Requirements

All proposals must include the Addendum Acknowledgement Form. If addendums have been issued the contractor must state on the form all the addendums have been acknowledged. If no addendums were issued then the contractor is to write “NONE” on the form. The Addendum Acknowledgement Form shall be reviewed prior to acceptance of the proposal.

5. Submissions of Proposals

All proposals, including any amendment or withdrawal, must be received no later than the scheduled submission deadline. Any proposal, amendment, or withdrawal that has not been received by the submission deadline will not be considered.

Proposals may be delivered to the City of Valdez Maintenance Shop, 555 West Egan or emailed to the project manager, Stanley Porritt, at sporritt@valdezak.gov and cc'd to Jodi Fowler at jfowler@valdezak.gov. Deadline to submit proposals is August 16, 2024.

6. Preparation of Proposals

Proposals shall be submitted on the forms furnished, or copies thereof. If erasures or other changes appear on the forms, the person signing the proposal must initial each erasure or change.

The proposal forms for each building/area will state the budgeted amount for the desired janitorial services and frequencies listed on the form. Please evaluate each line item and determine if you can provide the services within the stated budget amount. You may propose increases, reductions, discounts, etc. for services or frequencies on this form. If a service or frequency is reduced or eliminated in your proposal to meet the set price, please provide the cost of adding it back in.

Contractors are not obligated to provide proposals on all items.

7. Required Documents for Proposal

The following listed documents are to be completed and submitted with the Proposal. Deviation from these requirements will be grounds for rejection of the Proposal.

- A. Addenda Acknowledged Form, fully completed original (see Item 6 above also)
- B. Proposal Schedule, fully completed original (see Item 6 above also)
- C. Copy of current Alaska Business License, Type 561720
- D. Copy of current City of Valdez Business Registration

8. Evaluation of Proposals

- A. Proposals will be evaluated on a facility by facility basis and evaluators may also consider the submitted proposal as a whole. A maximum of 12 point per facility are available. Points will be awarded for percentage of Scope to be completed (10 points), Past performance (-1, 0, +1), and Alternatives presented (-1, 0, +1).
- B. During the evaluation process, the City reserves the right to request a best and final offer upon completion of negotiations.
- C. The City reserves the right to divide scope and award to multiple contractors.

9. Required Documents for Award of the Contract

The following documents must be executed prior to award of the contract and the initiation of work. Contractors are urged to expedite the completion of these documents. This will allow the contract award and notice to proceed to be issued expeditiously. These documents must be submitted within ten (10) working days after the date of notice of intent to award.

- A. Certificate of Insurance naming City of Valdez as an “Additional Insured”
- B. Certificate of good standing for a Corporation or LLC
- C. Non-collusion Affidavit
- D. Agreement (2 signed copies)
- E. City of Valdez Business Registration
- F. Executed W-9 Form

10. Contractor Qualifications

Before a proposal is considered for award, the contractor may be requested to submit a statement of facts or proof in detail as to his previous experience in performing similar or comparable work, technical abilities, equipment, size, manpower and financial resources to complete and perform the work as outlined in the contract documents, plans, and specifications.

11. Withdrawal of Proposal

Proposals may be withdrawn by written request received from the contractor prior to the submission deadline. Errors on the part of the proposer in preparing the proposal confers no right for the withdrawal of the proposal after the proposal has been received.

12. Rejection of Proposals

The Owner reserves the right to reject any and all proposals, when such rejection is in the interest of the Owner; to reject the proposal of a contractor who previously failed to perform properly or to complete on time; and to reject the proposal of a contractor who is not, in the opinion of the Owner, in a position to perform the contract; or to waive any irregularities or informalities in a proposal.

13. Hiring of Local Labor

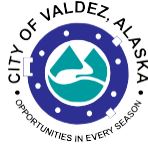

The Owner encourages that every Contractor and Subcontractor, employ to the maximum extent practical and allowed by law, qualified people who regularly reside in the project area.

14. Local Bidder Preference

The Valdez City Code provides for a local bidder preference as follows:

Section 2.80.020 Definitions

“Local bidder” means a bidder that is not delinquent in the payment of any taxes, fees, assessments, or other charges owing the city and satisfies one of the requirements set forth in subsections (1) through (3) of this definition for a period of eighteen consecutive months immediately prior to the opening of a competitive city bid for which the bidder wishes to utilize the local bidder preference:

1. If the bidder is a corporation or limited liability company, the bidder's primary business address has a city of Valdez postal zip code, as reflected on the bidder's state of Alaska business license or the records of the State of Alaska Department of Commerce, Community and Economic Development, Division of Corporations;
2. If the bidder is an individual, the bidder's primary business or residential address has a city of Valdez postal zip code, as reflected on the bidder's state of Alaska business license;
3. If the bidder is a general partnership, a limited partnership, or a joint venture, at least one of the general partners has a postal zip code compliant with subsection (1) or (2) of this definition.

Section 2.80.065H Competitive Bidding

Except where prohibited by state or federal grant requirements, a local bidder, as defined in Section [2.80.020](#), may be given consideration as low bidder where the offer is the lesser of ten percent or fifty thousand dollars in excess of the lowest offer received from a bidder not qualified as a local bidder. The city may split the award between two or more suppliers in any manner the city deems to be in its best interest.

15. Award of Contract

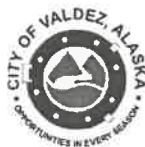

The contract, if awarded, will be awarded based on past performance, ability to perform service based on supplied narrative, contractor qualifications, and cost, as determined by the terms of the Valdez Municipal Code and these documents.

16. Pre-Proposal Conference

Refer to Invitation to Bid for information regarding the pre-proposal conference.

17. Pre-Award Conference

Before the award of the contract a Pre-Award Conference may be held between the Project Manager, the Contract Administrator, and the apparent awarded contractor.

Western Surety Company

JANITORIAL SERVICE BOND

Bond No. 61188541

In consideration of an agreed premium, Western Surety Company, a South Dakota corporation, hereby agrees to indemnify Gulf Coast, Inc. DBA Clean Alaska of PO Box 761, Valdez, AK 99686

(the "Obligee"), against loss of money or other property, real or personal, belonging to any and all subscribers (the "Subscriber") to its services, or in which the Subscriber has a pecuniary interest, or for which the Subscriber is legally liable, which the Subscriber shall sustain as the result of any fraudulent or dishonest act, as hereinafter defined, of an Employee or Employees of the Obligee acting alone or in collusion with others, and for which the Obligee is liable, the amount of indemnity on each of such Employees being One Hundred Thousand and 00/100 DOLLARS (\$100,000.00).

THE FOREGOING AGREEMENT IS SUBJECT TO THE FOLLOWING CONDITIONS AND LIMITATIONS:

TERM OF BOND:

SECTION 1. The term of this bond begins with the 26th day of October, 2011, at 12:00 o'clock night, standard time, at the address of the Obligee above given, and ends at 12:00 o'clock night, standard time, on the effective date of the cancellation of this bond in its entirety.

DISCOVERY PERIOD:

SECTION 2. Loss is covered under this bond only (a) if sustained through any act or acts committed by any Employee of Obligee while this bond is in force as to such Employee, and (b) if discovered prior to the expiration or sooner cancellation of this bond in its entirety as provided in Section 11, or from its cancellation or termination in its entirety in any other manner, whichever shall first happen.

DEFINITION OF EMPLOYEE:

SECTION 3. The word Employee or Employees, as used in this bond, shall be deemed to mean, respectively, one or more of the natural persons (except directors or trustees of the Obligee, if a corporation, who are not also officers or employees thereof in some other capacity) while in the regular service of the Obligee in the ordinary course of the Obligee's business during the term of this bond, and whom the Obligee compensates by salary or wages and has the right to govern and direct in the performance of such service, for whom a premium has been paid, and who are engaged in such service within any of the States of the United States of America, or within the District of Columbia, Puerto Rico, the Virgin Islands, or elsewhere for a limited period, but not to mean brokers, factors, commission merchants, consignees, contractors, or other agents or representatives of the same general character.

FRAUDULENT OR DISHONEST ACT:

SECTION 4. A FRAUDULENT OR DISHONEST ACT OF AN EMPLOYEE OF THE OBLIGEE SHALL MEAN AN ACT WHICH IS PUNISHABLE UNDER THE CRIMINAL CODE IN THE JURISDICTION WITHIN WHICH ACT OCCURRED, FOR WHICH SAID EMPLOYEE IS TRIED AND CONVICTED BY A COURT OF PROPER JURISDICTION.

MERGER OR CONSOLIDATION:

SECTION 5. If any natural persons shall be taken into the regular service of the Obligee through merger or consolidation with some other concern, the Obligee shall give the Surety written notice thereof and shall pay an additional premium on any increase in the number of Employees covered under this bond as a result of such merger or consolidation computed pro rata from the date of such merger or consolidation to the end of the current premium period.

NON-ACCUMULATION OF LIABILITY:

SECTION 6. Regardless of the number of years this bond shall continue in force and the number of premiums which shall be payable or paid, the liability of the Surety under this bond shall not be cumulative in amounts from year to year or from period to period.

LIMIT OF LIABILITY UNDER THIS BOND AND PRIOR INSURANCE:

SECTION 7. With respect to loss or losses caused by an Employee or which are chargeable to such Employee as provided in Section 4 and which occur partly under this bond and partly under other bonds or policies issued by the Surety to the Obligee or to any predecessor in interest of the Obligee and terminated or cancelled or allowed to expire and in which the period for discovery has not expired at the time any such loss or losses thereunder are discovered, the total liability of the Surety under this bond and under such other bonds or policies shall not exceed, in the aggregate, the amount carried under this bond on such loss or losses or the amount available to the Obligee under such other bonds or policies, as limited by the terms and conditions thereof, for any such loss or losses, if the latter amount be the larger.

DEDUCTIBLE:

SECTION 8. The Surety shall not be liable under this bond on account of any loss or losses through fraudulent or dishonest acts committed by any Employee of Obligee, unless the amount of such loss or losses, after deducting the net amount of all reimbursement and/or recovery, including any cash deposit taken by the Obligee, obtained or made by the Obligee or the Surety on account thereof, prior to payment by the Surety of such loss or losses, shall be in excess of ONE HUNDRED DOLLARS (\$100.00), and then for such excess only, but in no event for more than the amount of insurance carried on such Employee under this bond. If more than one Employee commits the fraudulent or dishonest act resulting in such loss or losses, said deductible amount shall apply to each Employee so involved.

Form 1375-10-2002

SALVAGE:

SECTION 9. If the Obligor shall sustain any loss or losses covered by this bond which exceed the amount of coverage provided by this bond, the Obligor shall be entitled to all recoveries, except from suretyship, insurance, reinsurance, security or indemnity taken by or for the benefit of the Surety, by whomsoever made, on account of such loss or losses under this bond until fully reimbursed, less the actual cost of effecting the same; and less the amount of the deductible carried on the Employee causing such loss or losses; and any remainder shall be applied to the reimbursement of the Surety.

CANCELLATION AS TO ANY EMPLOYEE:

SECTION 10. This bond shall be deemed cancelled as to any Employee: (a) immediately upon discovery by the Obligor, or by any partner or officer thereof not in collusion with such Employee, of any fraudulent or dishonest act on the part of such Employee; or (b) at 12:00 o'clock night, standard time, upon the effective date specified in a written notice served upon the Obligor or sent by mail. Such date, if the notice be served, shall be not less than ten (10) days after such service, or, if sent by mail, not less than fifteen (15) days after the mailing. The mailing by Surety of notice, as aforesaid, to the Obligor at its principal office shall be sufficient proof of notice.

CANCELLATION AS TO BOND IN ITS ENTIRETY:

SECTION 11. This bond shall be deemed cancelled in its entirety at 12:00 o'clock night, standard time, upon the effective date specified in a written notice served by the Obligor upon the Surety or by the Surety upon the Obligor, or sent by mail. Such date, if the notice be served by the Surety, shall be not less than ten (10) days after such service, or if sent by the Surety by mail, not less than fifteen (15) days after the date of mailing. The mailing by the Surety of notice, as aforesaid, to the Obligor at its principal office shall be sufficient proof of notice. The Surety shall refund to the Obligor the unearned premium computed pro rata if this bond be cancelled at the instance of the Surety, or at short rates if cancelled or reduced at the instance of the Obligor.

PRIOR FRAUD, DISHONESTY OR CANCELLATION:

SECTION 12. No Employee, to the best of the knowledge of the Obligor, or of any partner or officer thereof not in collusion with such Employee, has committed any fraudulent or dishonest act in the service of the Obligor or otherwise. If prior to the issuance of this bond, any fidelity insurance in favor of the Obligor or any predecessor in interest of the Obligor and covering one or more of the Obligor's Employees shall have been cancelled as to any of such Employees by reason of (a) the discovery of any fraudulent or dishonest act on the part of such Employees, or (b) the giving of written notice of cancellation by the insurer issuing said fidelity insurance, whether the Surety or not, and if such Employees shall not have been reinstated under the coverage of said fidelity insurance or superseding fidelity insurance, the Surety shall not be liable under this bond on account of such Employees unless the Surety shall agree in writing to include such Employees within the coverage of this bond.

LOSS—NOTICE—PROOF—LEGAL PROCEEDINGS:

SECTION 13. At the earliest practical moment, and at all events not later than fifteen (15) days after discovery of any fraudulent or dishonest act on the part of any Employee by the Obligor, or by any partner or officer thereof not in collusion with such Employee, the Obligor shall give the Surety written notice thereof and within four (4) months after such discovery shall file with the Surety affirmative proof of loss, itemized and duly sworn to, and shall upon request of the Surety render every assistance, not pecuniary, to facilitate the investigation and adjustment of any loss. No suit to recover on account of loss under this bond shall be brought before the expiration of two (2) months from the filing of proof as aforesaid on account of such loss, nor after the expiration of twelve (12) months from the discovery as aforesaid of the fraudulent or dishonest act causing such loss. If any limitation in this bond for giving notice, filing claim or bringing suit is prohibited or made void by any law controlling the construction of this bond, such limitation shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

TEMPORARY EMPLOYEES:

SECTION 14. The Obligor shall not at any time while this bond is in force direct any temporary employee(s) to any subscriber's premises unless such person(s) is/are accompanied by a foreman who is in the regular employ of the Obligor. For purposes of this restriction, any person who works less than the normal working hours established by his employer or otherwise fails to meet the definition of "Employee" above is considered a temporary employee.

EXCLUSIONS:

SECTION 15. This bond does not apply to loss that is an indirect result of any act or loss caused by or involving one (1) or more Employees, whether the result of a single act or series of acts, covered by this insurance including, but not limited to, loss resulting from:

- a. The Obligor's inability to realize income that would have been realized had there been no loss covered by this bond.
- b. Payment of damages of any type for which the Obligor is legally liable. Compensatory damages arising directly from a covered loss will be paid.
- c. Payment of costs, fees, or other expenses incurred by the Obligor in establishing either the existence or the amount of loss under this bond.

This bond does not apply to expenses related to any legal action.

OTHER INSURANCE:

SECTION 16. This bond does not apply to loss recoverable or recovered under other insurance or indemnity. However, if the limit of the other insurance or indemnity is insufficient to cover the entire amount of the loss, this bond will apply to that part of the loss, other than that falling within any Deductible Amount, not recoverable or recovered under the other insurance or indemnity, but not for more than the amount of indemnity as stated above.

TO THE INSURED:

Enclosed is the JANITORIAL SERVICES BOND you requested. To protect you and your employees against unjustified allegations of dishonesty, the employee must be convicted before coverage will apply.

You have taken the first step toward protecting your subscribers from potential losses due to dishonest acts of your employees. To more completely protect your subscribers, you should make sure your business has the following controls over employees when working at a third-party's place of business or home.

1. Thorough BACKGROUND AND REFERENCE CHECKS before hiring.
2. On-site SUPERVISION of employees.
3. Adequate CONTROL OVER KEYS AND BUILDING ACCESS.
4. Unannounced INSPECTIONS of employees at work site.

With these controls and a bond, the likelihood of a loss to your subscribers is substantially reduced.

Sincerely,

Paul T. Bruflat
Senior Vice President

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

SP 01 General Statement

The Special Provisions set forth conditions and requirements unique to this Project and are supplemental to, and supersede, the City of Valdez “Standard Specifications and Standard Details.”

SP 02 Scope of Work

Request for Proposals

The Scope of Work includes, but is not necessarily limited to:

Providing all labor, materials, tools, equipment, transportation and supervision necessary to perform:

Janitorial Services as outlined within the Building Frequencies, Standards & Specifications and Proposal Schedule found in this contract.

The contractor needs to be aware that the separate bid items will be awarded in a manner most advantages out the City of Valdez.

Please reference City code 2.80.065: Competitive bidding

F. Evaluation and Award. Bids shall be evaluated based on the requirements set forth in the invitation to bid, which may include criteria to determine acceptability such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose. Those criteria that will affect the bid price and be considered in evaluation for award shall be objectively measurable, such as discounts, transportation costs, and total or life cycle costs. The contract shall be awarded with reasonable promptness by written notice to the lowest responsible and responsive bidder whose bid meets the criteria set forth in the invitation to bid. In determining whether a bidder is responsible the city may consider:

1. The qualifications, ability, capacity and skill of the bidder to perform the contract;
2. The availability of the bidder to perform the contract within the time specified, without delay or interference;
3. The character, integrity, reputation, judgment, experience and efficiency of the bidder;
4. The quality of performance by the bidder of previous contracts;

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

5. The previous and existing compliance by the bidder with laws and ordinances relating to the contract;
6. The sufficiency of the financial resources and ability of the bidder to perform the contract.

SP 03 Time of Completion

The term of the contract shall be for sixty (60) months. The contract will commence on January 1, 2025 and end December 31, 2029. After the initial twenty-four (24) months, an evaluation and negotiation period between August and October will occur annually to discuss changes or modifications to the contract.

All work shall be in accordance with the Contract Documents according to the schedule set forth in the Request for Proposals. All work items listed in the contract shall be completed according to the submitted proposal unless written notification to change the schedule is received from the City.

Liquidated damages will be assessed in a sum equal to wasted staff hours and lost revenue for each calendar day that a scheduled work item is not performed, not to exceed two hundred dollars (\$200) per calendar day. Special work items will be scheduled with the contractor at least two weeks in advance.

SP 04 Special Site Conditions

General

All work sites are facilities currently operated by the City. The contractor shall have visited each site prior to submitting a proposal to become familiar with special circumstances at each site. Work performed by the contractor shall be performed with as little disruption to activities of the employees and public as possible. The safety of the public shall always be the highest priority.

Smoking

Contractors shall inform their employees that there shall be no smoking in any City facility.

City of Valdez

Project: 2025 Janitorial Services Contract Number: 2276

SP 05 Security Requirements

Several types of security systems are utilized at various City facilities. Contractors are required to acquaint themselves and their employees with the specific security measure in effect at each facility. All persons entering any City facility after normal closing hours shall have proper identifications, i.e. company id. Some facilities will have “manned” security personnel in conjunction with electronic security. In these areas, all security requirements must be strictly adhered to.

The contractor shall be required to furnish to the City Contract Administrator a cleaning schedule for each facility and a list of employees working at each facility. The list shall show the employee’s full name and list of City keys held in their possession, if applicable. This list shall be kept current with the Contract Administrator for the life of the contract.

City Building Keys: The contractor shall be responsible for safe keeping of any keys signed for through the life of the contract and shall be liable for any costs associated with re-keying a facility due to negligence. The Contract Administrator shall be notified immediately when keys are lost or non-functional.

Unsecured Facility Procedures: Contractor personnel are advised not to enter a facility upon arriving and discovering the entrance doors to be unsecured. The police shall be called immediately to investigate for unsafe or dangerous conditions that may exist at the building and pose life-threatening situations for contract employees. All doors (entry and office) must be closed and locked upon completion of service.

Unauthorized Entry: Only contract employees are to be allowed access into City facilities after normal working hours. Visitors, including spouses and children, shall not accompany contract employees into a City facility after normal working hours.

SP 06 Qualifications of Workers

All contract employees shall be experienced and capable to perform work in the required field.

The contractor agrees to provide at all times a competent foreman or supervisor for the life of this contract. The contractors’ personnel shall, at all times, present a neat and clean appearance. All work listed within this contract shall be performed and all complaints shall be handled with due regard by the Building Maintenance Contract Administrator. The contractor shall utilize competent employees in performing the work specified in this agreement.

City of Valdez

Project: 2025 Janitorial Services Contract Number: 2276

At the request of the City Contract Administrator, the contractor shall replace any incompetent, abusive, or disorderly person employed by the contractor. The City Contract Administrator may require removal from work site those contract employees who are deemed objectionable and whose continued employment on City premises is deemed contrary to the interest of the public or inconsistent with the best interest of the City.

SP 07 City's Contract Administrator

This Request for Proposals form identifies the City Contract Administrator.

Incidents, altercations, or accidents involving the contractor's employees or City employees shall be reported to the Contract Administrator in a timely manner. The Administrator, at his/her discretion, may require a written report from the contractor describing the incident or accident.

Upon request or necessity, the Contract Administrator will accompany the contractor to the work areas to further clarify or describe procedures or methods. The City of Valdez reserves the right to call periodic meetings with the contractor on an as needed basis to discuss and evaluate the performance of the contractor.

The Contract Administrator reserves the right to request at any time, that timesheets be provided listing employees, dates, and times that services were rendered.

After hours emergencies shall be reported to the Valdez Police Departments, 835-4560 or 911. Emergencies or hazardous conditions during business hours shall be reported to the VPD, as well as the Contract Administrator.

Hazardous conditions shall be immediately remedied or secured to prevent further damage and/or protect visitors from injury. It is the contractor's responsibility to provide close supervision of maintenance operations and management of the site. Examples of problems the contractor is expected to report immediately are: Vandalism of any kind to include graffiti, plumbing or electrical malfunctions, safety issues, etc. Any issues or suggestions that may arise shall be addressed to the Contract Administrator as soon as possible.

SP 08 Materials and Supplies

All paper supplies, soaps, dispensers, batteries and air fresheners necessary to complete the contract shall be provided by the City of Valdez. The contractor is responsible for providing the necessary equipment, tools, cleaning solutions, and trash bags to complete this project. Cleaning solutions must be approved in advance prior to using. The contractor must supply the SDS sheets for all cleaning solutions used and stored at each facility.

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

All secondary containers will be labeled with an OSHA approved secondary container label. Improper storage of materials and chemicals may result in fines or penalties.

SP 09 Hazardous Waste Generation and Common Waste Disposal

Every effort to minimize or eliminate the generation of hazardous waste shall be used by the Contractor in the performance of the work of this Contract. Unless there is no substitute, no hazardous material shall be used in the performance of the work of this Contract.

All trash will be disposed of in dumpsters located on City property. Disposal of contract generated waste in private dumpsters is not permitted.

SP 10 Coordination and Schedule

All work times shall be coordinated and approved by the Contract Administrator prior to commencing work. The contractor shall provide to the Contract Administrator with a scheduled time of services within ten (10) working days of the Notice of Intent to Award.

The City of Valdez closely follows the same holiday schedule as the State of Alaska. In 2025, these include New Year's Day, Martin Luther King Jr. Day, Presidents Day, Seward's Day, Memorial Day, Independence Day, Labor Day, Alaska Day, Veteran's Day, Thanksgiving Day and the day after Thanksgiving, ½ of Christmas Eve and Christmas Day.

SP 11 Site Preservation, Restoration, Cleanup and Environmental Reporting

Contractor shall be solely responsible for damage to public or private property caused by custodial operations. The contractor shall take all precautions necessary to control dust. Contractor shall notify the City of any claims of damage and shall clean and restore any property so damaged at the sole expense of the Contractor. All spills or releases of any hazardous substance shall be reported to the appropriate governmental agency as well as notice to the City. Contractors shall be responsible for all associated clean-up costs and fines.

At all times during the work, keep the premises clean and orderly. Upon completion of the contract the contractor shall repair all damage caused by equipment and leave the worksite free of rubbish and excess materials of any kind.

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

SP 12 Permits

The Contractor shall obtain all licenses and permits that are required to do the work as set forth in the Scope of Work.

SP 13 Award of Contract

The award of the Contract for each building/area may be made independently. The City of Valdez reserves the right to combine buildings/areas for award as deemed in the best interest of the City.

SP 14 Order of Award of Alternative Bids

Additive Alternate and/or Deductive Alternative Bids will be awarded, if any are awarded, in any order determined to be the most advantageous combination by the owner.

SP 15 Payment

Payments shall be in accordance with Section 10.07, Measurement and Payment of the CVSS. All invoices for payment must be submitted on a City of Valdez *Periodic Payment Request Form*. An electronic copy of this form (Excel Spreadsheet) will be made available for the contractor's use.

Invoices will be submitted to Accounts Payable through the Contract Administrator for payment of completed services. Payment will be made to the contractor monthly no later than the eighth of each month.

Payments may be withheld on account of defective work; damage to City property caused by contractor or their employees or subcontractors; unsatisfactory prosecution of work; failure to pay suppliers, subcontractors or wages promptly; or any other breach of conditions set forth in these documents. Monthly and final payments will be withheld until work is completed or conditions are corrected. This final payment schedule applies only if the contract has not been terminated by the City or breached by the contractor.

At the request of the City, the contractor may be requested to provide the following information prior to any monthly payment:

1. Proof of unemployment tax clearance from the Department of labor and Workforce Development.

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

2. Proof of federal tax filings for business to show current
3. Proof of current insurance (must have proper coverage requirements set forth by the City, including worker's compensation coverage.)

Disbursement of money to a person, firm or corporation will be made only after all the various receivable accounts of the general government and any municipal utility or enterprise have been reviewed for outstanding balances owed, and the disbursement will be reduced by setting off the amount of any delinquent indebtedness due the city from such person, firm or corporation.

All contracts to which the city is a party which will or may involve the disbursement of city funds shall contain the following clause, or its substantial equivalent: "Disbursement of money by the City of Valdez hereunder shall subject to set-off pursuant to the provisions of the Valdez City Code." Such contracts include, but are not limited to, oral contracts, employment contracts, construction contracts, purchasing contracts and contracts of any municipal utility or enterprise, including customer's deposits.

SP 16 Penalty Terms of Contract

Damages or Losses

Any loss or damage to property in the building or to the building caused by the contractor or their employee shall be promptly repaired or replaced to the satisfaction of the City at the expense of the contractor. Failure on the part of the contractor to repair or replace lost or damaged property within twenty-four (24) hours conveys the undisputed authority of the City to call an independent contractor to repair or replace the lost or damaged property and to withhold the total sum for payment on the next billing statement. The City will provide an invoice, as proof of having incurred a financial obligation pursuant to this paragraph to the contractor.

The contractor agrees to accept verbal notice by the City with respect to lost or damaged property and further agrees that twenty-four (24) hour limitation will commence at the time and date of verbal notification.

Joint Inspections

Representatives of both parties will conduct, as designated by the City, joint inspections of the City facilities to evaluate the completeness and quality of services rendered by the contractor. Date and time of inspections will be prescribed by the City. The City of Valdez reserves the right to call a joint inspection at any given time.

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

Facility Cleaning

Contractor authorizes the City to impose a financial penalty of (\$200.00) per discrepancy, if in the opinion of the City, the services rendered are unsatisfactory or incomplete. All service requirements are clearly listed in the Building Frequencies, Standards and Specifications documents. All items listed must be completed at each cleaning. The penalty will be executed by the City withholding the appropriate sum from the monthly payment. The penalty will not be imposed without prior written notification or in a capricious manner or without tangible evidence as to incomplete or unsatisfactory services. Failure to correct deficiencies or problems of a repetitive nature shall be reason for withheld payment or termination of contract.

SP 17 City's Right to Terminate Contract

The city may terminate the contract for default per the provisions set forth in Section 5.29 of Division 10 of the April 2003 COV Standards and Specifications.

SP 18 Frequencies, Standards and Specifications

The Building Frequencies, Standards and Specifications are to be considered the scope of work for this contract.

SP 19 Allowance/Markup on Change Orders

On self-performed work, in addition to the direct costs of labor and material incurred by the Contractor, the Contractor shall be entitled to an allowance/markup of ten percent (10%) of the direct cost of work for profit and overhead. On subcontracted work, Contractor shall be allowed a five percent (5%) allowance/markup of the Subcontractor's direct costs. These percentage allowances are inclusive of any management time required to prepare and process the change order. This allowance does not apply to owned or rented equipment.

If Work is performed by a Subcontractor, the Subcontractor actually performing the Work shall be entitled to those allowances for overhead and profit listed above plus an additional five percent (5%) for management and supervision of the additional work.

City of Valdez

**Project: 2025 Janitorial Services
Contract Number: 2276**

Each subsequent higher tiered Subcontractor or Contractor shall be allowed no more than an additional five percent (5%) of the Subcontractor's direct costs. In no case shall total cumulative markup on direct costs exceed thirty percent (30%).

If lower markups are established via bid forms or negotiation, the lower markups shall apply to change orders.

The allowance made in accordance with the terms outlined above will be understood to be complete reimbursement and compensation for all project office and office staff, general office overhead, use of tools, and small equipment, overhead expenses, bond cost, insurance premiums, profits, indirect costs, delays impacts on the rest of the Work and losses of all kinds and other items of cost not specifically designated. No other reimbursement, compensation or payment will be made for time and material work.

Any allowance made by the Contractor to a Subcontractor, other than specified herein, shall be at the expense of the Contractor.

SP 20 Equal Employment Opportunity

The City is an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, age, physical handicap, sex, marital status, changes in marital status, pregnancy, or parenthood. The City shall post in a conspicuous place, available to employees and applicants for employment, a notice setting out this provision. Contractor and any Subcontractors are also bound these provisions.

Special Services- Spring and Fall Cleanings

Carpet Shampooing

All facilities shall be shampooed according to contract specifications two (2) times per year in early May and late October with the exception of the Airport Terminal and the Capital Facilities, Finance, and Port Offices at the Airport. Contractor is required to return to the facility the next day in order to ascertain which spots need additional treatment. Special Note: Contractor must use the product Folex, Fiver Care or Pre-Approved equal by the Contract Administrator when shampooing any carpets in “City Owned” facilities to keep the carpets from being damaged by harsh chemicals.

Window Washing

All facilities within this contract shall have both the exterior and interior windows washed two (2) times per year: Once in April and October.

Dusting

All facilities within this contract shall be thoroughly dusted (to include sills, baseboards, cove base, etc.) two (2) times per year in April and October to coincide with window washing and carpet shampooing.

Custodial Specifications and Standards

Waste and Trash Receptacles

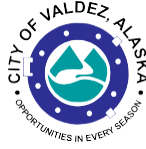

Specifications- Empty all contents from trash and waste receptacles. Clean and sanitize all receptacles inside and out, install properly fitting liners. Scrub the walls and floor areas immediately surrounding the receptacles. Visually and manually police circumference of each facility looking for loose waste, cigarette butts, and trash. Remove and replace liners from exterior receptacles. Sweep and/or mop beneath receptacle and clean surrounding areas.

Standards- Properly cleaned receptacle shall be free of debris and waste residue or build-up. Walls, floors, corners, and surrounding areas of receptacles must be free of dirt, build-up or residue.

Ash Urns

Specifications- Empty all containers and wash/clean with appropriate cleaning material to remove all stains and residue. Polish metal of containers.

Standards- Properly cleaned containers are free of debris, odors, deposits, smudges and unsightly conditions. They will display a bright, clean, and residue free appearance. There will be no cigarette butts or debris of any kind lying around the ground of the surrounding area.

City of Valdez

Project: 2025 Janitorial Services Contract Number: 2276

Drinking Fountains

Specifications- All stains- including rust, lime, calcium and other foreign objects- will be completely removed from the fixture. Virex or a similar product shall be applied to the fountain to clean and sanitize the entire surface area. Bright work, including any exposed piping, will be cleaned with an appropriate cleaning agent. The drain holes will not be allowed to become clogged or discolored. After cleaning, the fountain will be wiped dry with a clean cloth. Areas immediately adjacent to the fountain will be cleaned also.

Standards- Properly cleaned and maintained fountains and associated surfaces will be free of streaks, discolorations, deposits, build-up, and all other unsanitary or unsightly conditions.

Carpet

Specifications- Vacuum all carpet surfaces with an industrial type commercial vacuum using attachments or “BacPac” style vacuum for corners and edgework. When soiled/stained; spot clean with appropriate cleanser for carpet type. Check spot the following day, treat again if needed. It may take several treatments to pull the spot from carpet. Trim runners with sharp knife or scissors to the normal surface height of the carpet. Damage done by contractor must be reported to the City of Valdez and corrected by the contractor at no cost to the City.

Standards- Properly vacuumed and spot-cleaned carpets are free of loose strands, soiled spots, dust, dirt, matted areas, and other unsightly blemishes. The surfaces will display a uniformly clean and bright appearance. Carpeted surfaces shall not display any dirt buildup in corners, edges, or under furniture and fixtures.

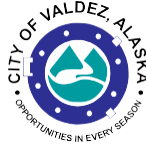

Carpet Shampooing

Specifications- Carpet shampooing shall be provided to all carpeted surfaces throughout City Facilities. All carpets shall be shampooed using a warm water extraction method, and when applicable, a scrubbing method. Carpet must be allowed to **thoroughly** dry before completely vacuuming surfaces. Methods used to clean or dry surfaces that may lead to shrinkage are not allowable. Contractor will take care during extraction not to damage any surrounding furniture, cove base, wall fixtures or additional surfaces. All furniture will be replaced to its original location after drying is complete.

Standards- Properly cleaned carpet surfaces are free of soiled spots, stains, wet areas, rust, odors, matted surfaces, shrinkage, color runs, discolorations, and all other foreign matter.

Special Note: Contractor must use the product Folex, Fiver Care or Pre-Approved Equal by the Contract Administrator when shampooing any carpets in “City Owned” facilities to keep the carpets from being damaged by harsh chemicals.

The Contractor is responsible for any repair work or replacement costs due to damages associated with this service. The Contractor will contact the Contract Administrator to schedule this service in advance.

Pedimats, Rubbermats, Rugs, & Runners

Specifications- Where applicable, mats shall be removed from “cut-out” areas. Underneath surfaces shall be swept and mopped prior to mat replacement. Each section must be reinstalled in the same location from which it was removed.

Vinyl/Linoleum Surfaces

Specifications- Surfaces shall be swept to remove any sand, grit, dirt, dust or other debris. Airborne dust particles are to be kept at a low level when performing this service. Flooring surfaces must then be mopped with a solution of water and a neutral cleanser. For greasy spills use a slightly alkaline cleanser. Do not apply wax to floor surfaces.

Standards- Properly cleaned floor surfaces are free of dirt, sand, grit, stains, rust spots, mop strings, missed areas, scuff marks, or other unsightly appearances. Linoleum surfaces must display a uniform bright, clean and odor free appearance. Build-up in corners, edges and under fixtures is not allowable.

Dance Floor/Laminate Flooring

Specifications- Wood/Laminate floor surfaces must be swept to remove sand, grit, dirt, dust or other debris. Use a damp mop with water and a neutral cleanser. For greasy spills use a slightly alkaline cleanser. Do not apply wax to floor surfaces.

Standards- Properly maintained floor surfaces are free of dirt, sand, grits, dust, or any other debris or unsafe condition and appearance. Build-up in corners, edges, and under fixtures is not allowable.

Stairs and Landings

Specifications- Vacuum all stairs and landings with an industrial type canister or “BacPac” style cleaner for the removal of dirt, dust, lint, loose nap or other debris or foreign particles. All non-carpeted stairs will be mopped with water and a neutral cleanser. Handrails will be wiped with Virex or a similar product.

Standards- Stairs and landings must be cleaned for complete removal of debris, lint, dirt, sand, and other foreign objects.

Ice Melt/Urea Removal

Specifications- With a mixture of neutralizer/conditioner and a quality carpet cleanser use an extraction machine for the soiled and stained carpeted areas until no staining appears. This may take several extractions. Use a mixture of detergent and neutralizer as last rinse.

Standards- Carpets, rugs, and bare flooring shall have no staining, streaking, discoloration, or unsightly showing of ice melt or urea.

Restrooms

Specifications- Clean, sanitize and wipe dry the inside, outside, and underneath of all urinals, commodes, wash basins, bright work, toilet seats on both sides, under & around hinges, partitions, partition leg supports, plumbing fixtures, dispensers, doors, mirrors, and walls. Sanitize with Virex or similar approved product. Use stainless steel cleanser if applicable.

Sweep floor surfaces to remove dirt, sand, grit, dust or other unsightly matter. Mop floors with cleansing agent that leaves no residue on floor surfaces. Flush floor drains (if applicable) with hot water.

Standards- Properly cleaned restrooms will be free of all odors, stains, discolorations and deposits. High sanitary conditions will be maintained.

Showers

Specifications- Scrub and wipe dry inside and outside of all shower stalls, floors, bright work, partitions, plumbing fixtures, and shower doors with a solution of water and non-abrasive cleanser. Use a stainless steel cleanser if applicable. Use Virex or approved equal to sanitize previously specified items. Drains are to be cleaned and any debris removed. Mats on shower floors shall be disinfected and sanitized.

Standards- Properly cleaned showers shall be free of all odors, stains, discoloration and deposits. High sanitary conditions shall be maintained. No offensive odors shall be detected from showers, mats or drains. There shall be no soap or grime build-up on shower walls, seats, mats, or partitions.

Glass Surfaces & Mirrors

Specifications- Cleanse all glass surfaces with a cleanser that contains ammonia. Wipe dry with lint free cloth or squeegee.

Standards- Glass surfaces and mirrors shall maintain a clean, streak free appearance free of lint, blemishes, and any other unsightly appearances.

Exterior Entrances

Specifications- The immediate area (25' radius) of all exterior entrance and exit doors shall be cleaned during regular custodial services. Sidewalk areas shall be swept with brooms to remove any other foreign matter. Where applicable, grates shall be removed from each "cut out" area and the underneath surfaces thoroughly cleaned. Walls in these areas are to be kept clean and free from residue.

Standards- Properly cleaned areas outside entrance and exit doors shall be free of all cigarette butts, trash, litter or any other foreign matter. Grate cut out areas shall be free of dirt, soiled spots, odors, discoloration, and other unsightly appearances.

Dusting-includes furniture, fixed surfaces, walls, blinds, etc.

Specifications- Dust all furniture and fixed surfaces with treated dust cloth. For painted wall surfaces, a non-treated dust cloth attached to a long handled tool shall be used to reach from baseboards to ceiling lines. Virex or similar agent shall be used to sanitize doorknobs, handrails, light switches, etc.

Standards- Properly cleaned and dusted surfaces shall show no signs of dust build-up or any residue accumulation on walls, light switches, doorknobs, handrails, etc.
