Depending on available funding for the grant program, awarded matching grants may be less than the full amount requested in this project application. Could and would you proceed with this project if you are awarded less than the full matching grant amount requested?

Circle one: YES NO

Please explain. The specialized heavy duty fencing will secure the fuel storage tank area and mostly hide the tanks from view.

By signing below, I confirm I have read and understand the requirements and process for the 2023 Beautification Matching Grant Program. The information submitted in this application is true and complete to the best of my knowledge.

Dear Beautification Task Force,

I am writing to explain how the proposed work of building a fence surrounding Captain Joe's fuel storage tanks will add to the aesthetics and safety of our gas station and convenience store and our Valdez community.

First and foremost, the fence will greatly improve the safety of the area surrounding the fuel storage tanks. The fence will provide an additional layer of protection to prevent accidents and mitigate any damage that may occur in the unlikely event of a spill or other incident.

In addition to improving safety, the fence will also enhance the overall appearance of the gas station and convenience store. Currently, the storage tanks are visible from the road and can detract from the visual appeal of the area. By enclosing the tanks within a fence, we can improve the aesthetics of the property and create a more visually appealing environment for customers and passersby.

Finally, the fence will also demonstrate our commitment to the Valdez community and its values. We understand that the beauty of our community is a top priority, and we believe that the fence will be a positive addition that demonstrates our commitment to maintaining a safe and attractive environment for everyone who lives and works in Valdez.

We hope that you will consider our proposal and see the value that the fence will bring to our gas station and convenience store, as well as to the Valdez community. Thank you for your time and consideration, and we look forward to working with you to enhance the beauty and safety of our community.

Sincerely,

Capt'n Joe's

Proposal
