### Interests & Experience

**Why are you interested in serving on a City of Valdez board or commission?**

---

I love Valdez and what it has to offer its citizens in the way of indoor and outdoor recreation. We live in such a beautiful place with amazing opportunities and amenities - most offered free of charge. I believe Valdez Parks & Recreation does the best job they can to ensure our community has access and opportunity to be healthy, happy, and well. I also have experience with the in's and out's of daily PRCS operations, as I spent time as the Events Coordinator in 2014-2015. I look forward to being in a position once again to give back to my community and improve our city's wellness by working on the Parks & Rec Commission.
