We receive and book bed tax quarterly, not monthly.
I have data through March, below.
I'll have 2nd qtr comparisons available in early Aug.

Air B&B	93	752	2,163	19	52

Brian,

Can you compare bed tax collections for end of May 2020 to end of May 2019? Do we have data that recent? Or is April probably more realistic?
