Question applies to multiple boards

**Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?**

## **Interests & Experience**

**Why are you interested in serving on a City of Valdez board or commission?**

---

I would like to get involved and support my community. I am always looking for ways to grow and learn and would like to understand the government approach to Planning and Zoning more thoroughly. The Planning and Zoning activities going on now are exciting and building critical infrastructure for continued growth of Valdez.

**Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.**

Education: Bachelor of Arts in Sociology (1987) Masters in Public Administration (spring 2023) PHR, HRCI Professional in Human Resources Certification, 2001-present. Extensive Leadership trainings  
Employment: 5 summers in the Fish Processing industry, Valdez; 28 years in Human Resources, Administration, Quality, Safety, and Emergency Preparedness at the Providence Valdez Medical Center/Valdez Community Hospital; 4 years in Business Administration, Safety and Emergency Preparedness at Prince William Sound College, and currently 2 years with the State of Alaska as Environmental Program Specialist. Each of these areas have extensive legal rules and regulations that I worked closely with to ensure compliance. I feel giving back is important and have volunteered for the Valdez Arts Council for 15 years and volunteered for the Sound Wellness Alliance Network (SWAN) for 11 years, 2009-2021, as well as numerous activities while my sons were in the school system. Valdez is a wonderful community and I want to help it continue to be successful. My approach in my life, jobs and volunteering is to research and understand issues, resolve conflict by building bridges, and work collaboratively with others. My experiences include planning, project management, change management, budgets, coordination and support. With my upcoming graduation I would like to volunteer with the city government and apply some of my skills in both education and experience to serve my community. Thank you for considering my application. Mo Radotich
