Question applies to multiple boards

Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?

Yes

How did you learn about this vacancy?

Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

I have served on the Parks and Rec commission and 4 terms on City Council. I have taken a 4 year break from volunteering for civic duties and feel that I am ready to serve again.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I have a degree in History and Political Science, and I served multiple terms on the Parks and Rec commission along with four consecutive terms on City Council. This experience has allowed me to become familiar with how the City government works and it's interaction with the community. I am going on 15 years with Prospector Outfitters. Working for a successful local company has given me insight into what needs to be done in order to encourage and build a successful business district in Valdez; in terms of land use and regulations.
