Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

I was an active member of the Task Force while I was Mayor and continued on during Mayor O'Neil's and Mayor Scheidt's terms, until it was paused to form this commission. The work this entity does is very meaningful and is appreciated by citizens and visitors alike. I would like to thank the City Council and City staff for allowing and making it possible for this work to continue.

Ruth E. Knight

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

Volunteering is something that I embrace and encourage everyone to take part in, so here is a list of some of my volunteer experience: hospital board (aka Providence Community Advisory Council), upcoming election worker, past City Council, Flood Mitigation Task Force, VAFT E-board, Secretary for district Democrats, many past school district and state level union and education committees along with youth activities including Girl and Boy Scouts and Sunday school teacher. I am now retired and the highest degree I earned was a Master's in Education Leadership in 1988. My undergraduate degree was in Cellular and Developmental Biology earned in 1980.
