Question applies to multiple boards

Regular attendance at meetings by commissioners/board members is crucial to the commission/board's ability to conduct business. Attendance for commissioners/board members is tracked. Under current City Council policy, the seat of a board/committee member or commissioner will be considered vacant following three consecutive absences from regular meetings. At that time, the member will be asked to either resign or be removed by formal action of Council to allow other interested citizens a chance to serve. Are you committed to in-person attendance at most, if not all, commission/board meetings? Do you understand you must provide your commission/board staff as much notice as possible if you must be absent to ensure a quorum is available to conduct commission/board business?

Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

As the Plant Manager of the Peter Pan processing facility in Valdez, I think I could bring a beneficial perspective of a local seafood processor to the board. Being responsible for creating a profitable and thriving environment is something I have been successful with at the facility level and I believe these traits transfer well to use in a community leadership role. My small family call Valdez home and I would consider it a great honor to serve in maintaining this one of a kind community.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I have worked all over the state as a commercial diver, tender boat captain, dock builder and plant manager. I have enjoyed sixteen years working for Peter Pan Seafood Co. My work with the company has included ten years in Dillingham, five years as Plant Manager in Port Moller, and my first summer in Valdez as Plant Manager.
