To Whom it may concern-

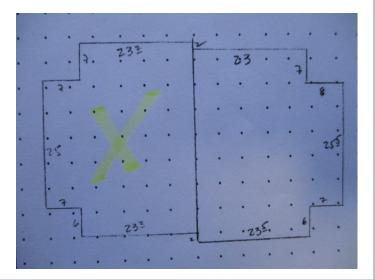

In regards to my home at 488 resurrection loop I do not agree with raising the value of my home and believe that it should remain at the current value due to the following reasons.

- -Foundation leaks and I get water pooling in my crawl space. This will be a major expense to fix.
- -The bottom 4' of T1-11 is rotting around the entire house and needs to be replaced.
- -Exterior of house badly needs painted.
- -Both decks on the house need stained.
- -Front door frame is tweaked and door handle is broken leaving a large gap to the outside causing significant drafts.
- -Upstairs patio doorframe need fixed/replaced. Drafts bad enough to feel a breeze inside the house.
- Upstairs window Broken (kid shot with bb gun)
- Bedroom window lost seal clouding between panes.
- -All flooring in house is original carpet and wood are badly worn and need replaced.
- Kitchen flooring has water damage.
- Kitchen cabinets have water damage from leaking sink.
- -Entire kitchen is original worn and falling apart. Cabinet doors, counter tops damaged and paint peeling.
- Both bathrooms are original and in bad shape. Toilet not functioning properly in upstairs bathroom. Water damage from tub overflowing from previous owner. Shower/Tub insert separating from wall.
- -Main light fixture in the kitchen no longer works.
