## Interests & Experience

**Why are you interested in serving on a City of Valdez board or commission?**

---

I have been a Planning and Zoning Commissioner for the past 3 years and respectfully request to continue in that capacity. I am committed to growing Valdez as a destination and as a community where people choose to live. First on my list of priorities is affordable housing, so that young and old alike can find their place in a community they love, rather than looking for opportunities elsewhere. The young are our future. The old are our past. A town without a past and a future is no community at all.

**Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.**

---

I am a somewhat retired public safety officer of the City of Valdez.
