Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

I would like to get more involved in the community of Valdez. I have lived here for 2 years and have enjoyed getting to know what Valdez and the community have to offer. Now I would like to offer some of my experiences to improve our city.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I have been a pharmacist for 30 plus years, working in both the hospital and retail settings. I talk to people all day about their healthcare including their successes and challenges. I believe I have some insight to the needs of our community in regards to their healthcare.
