To whom it may concern

I am applying to serve on the Board of the Valdez Museum. I have long had an interest in art, architecture and history, and believe I will add to the current board. I cherish our museum always citing it as a great place for tourists to visit.

My background is in architecture with a focus on historic structures. This experience will be an asset as the Museum is considering physical expansion possibilities. I have volunteered with the Valdez Arts Council for over 20 years and attend as many performances as I can. Similarly, I attend as many of the Museum workshops and receptions as I am able. Art, whether live performance or visual, is important to a well-rounded person and community. I am interested in furthering such possibilities in Valdez.

Thank you for your consideration of my application.

Sincerely,
