Mayor and City Council:

Please accept this e-mail as my application for the City of Valdez Comprehensive Plan Advisory Committee.

I am the CEO of Copper Valley Telecom, which operates fiber optic and wireless LTE Internet infrastructure throughout the region.

I am a licensed attorney with an MBA degree from Georgetown University in Washington, D.C.

I have urban planning training from my undergraduate coursework as a geography major.

I have been an Alaska resident since 1973.

Thank you,

James Dunn
