Which Boards would you like to apply for?

Planning & Zoning Commission: On Agenda

How did you learn about this vacancy? *☒ Word of Mouth

Interests & Experience**Why are you interested in serving on a City of Valdez board or commission?**

I have been in Valdez since 1974 and have seen a great deal of change in the town and area since then. Most of the change has been great, better city services, the Civic Center and wonderful Parks and trails. Holding people and businesses to the zoning requirements appears to be piecemeal and I feel this needs to be held at a higher standard.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I have a BS degree in secondary education. Worked in the building trades for approximately twelve years in Michigan, Florida and Alaska. While working for Alyeska for 36 years I was fortunate to work in all four of the Operations areas. I finished my last ten years working as a area Supervisor overseeing Technicians and major Projects Work in the Ballast Water area. I helped coach t-ball, little league, Girls fast pitch softball, and little dribblers. A number of individuals and I learned to referee high school football when Valdez football started. It was a nonprofit organization for a number of years until the school system took it over. Some other volunteer experiences are: Food bank for over ten years and still volunteering Church council for 3 terms Parks and Recreation Commission for three terms with one term as Chairman. Current RCAC volunteer with the TOEM committee. Worked with the Valdez Beatification committee. I have worked with Gold Rush for many years.
