I would like to volunteer for service on the Valdez Ports and Harbors Commission. My education and experience in maritime operations spans forty plus years and encompasses all kinds of vessels, from oil tankers to skiffs. At ADEC I was responsible for inspecting tank ships and barges as well as the review of oil spill contingency plans. The emphasis I chose for my master's program at the University of Rhode Island was oils spill prevention and response policy. During my studies at U.R.I. I took courses in maritime and international law. Currently my wife and I operate an eighty foot steel schooner based on the Tour Dock in Valdez Harbor. I currently hold a 100 ton USCG license with a sail endorsement and a 500 ton Mate coastal license.

Thanks for your consideration.

Sincerely,  
Vince Kelly
