Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

Valdez is my hometown, and I love that we have such an amazing library. I enjoy serving on the board and helping with the book basket auction.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I worked in the libraries for both the elementary and middle schools for 15 years here in Valdez. I have a degree in English literature and understand the importance of not only reading, but the sharing of information. The library is a safe haven for all, and also a target when budgets become tight. I love being a part of our library.
