To whom it may concern,

My name is Michele Copeland and I am writing to express my interest in becoming a member of the City of Valdez Library Board.

I moved to Valdez in June of 2015 to accept a position as a Medical Technologist for the Providence Valdez Medical Center Laboratory. I have a BS in Clinical Laboratory Science from Weber State University, Ogden, Utah. I have enjoyed living in Valdez the past four years and look forward to many more years living in Valdez.

I am interested in serving on the Library Board to share my love of reading and listening to books while creating ties to the community. I grew up in Southern California during a time when having a television with good reception was difficult. I therefore used books to explore the world. I look forward to the opportunity to create and plan activities centered around books for entertainment and education.

Thank you for your consideration to serve on the Library Board.

Regards,

Michele Copeland.
