13.	Any other comments you would like to make about your program?	

AVV continues to remain consistent in providing after school programs at HHES, GMS and Valdez High School, and bringing awareness campagin and community evetns year round. Over the last 38 years, AVV has been providing services to victims and survivors of domestic violence, sexual assault, child abuse and other violent crimes in the Valdez community and the Copper River area. Unfortunately, violence still happen behind closed doors. However, because of the awareness campaign, prevention and education effort provided by AVV staff in our school, and the community we are making an impact on students and to the community members. More victims and survivors are reporting the crime of domestic violence, sexual assault, child abuse and other violent crimes. They are coming out to disclose the incidents and are seeking for assistance either in person, calling AVV's 24/7 crisis line and/or utilizing AVV's text messeging cellphone. They sought assistance to be physically, emotionally and mentally healthy as well as to seek justice for the crime committed to them by their perpetrators. People are beginning to understand that domestic violence is not a way of life instead, it is a crime punishable by law. The moment of silence is over.

AVV is striving to eliminate domestic violence, sexual assault and child abuse in our community, and the best way to start is with the youth. The education and prevention piece is extremely important in this endeavor. Out future is with the children therefore, we need to protect and educate them about healthy choices, life does not have to involve violence and abuse.

Our youth programs have continued to rise in numbers and are florishing. At the beginning of the new school year, more parents are sending their kids to participate in AVV's after school programs such as Girls' Time and Express Yourself at the elementary school. This school year, AVV will start a new program at Gilson Middle School called "Taco Tuesday Talks". The summer camps is also very popular to the extent that we always have children on waitlist. Both after school programs and summer camps is a place where children learn positive skills, and healthy decision making through group activities.

On behalf of AVV Board of Directors, the staff, victims and survivors we served, we would like to give our profound thank you to the City of Valdez for your past and continued support and for your dedication to helping us fulfill our mission in ending domestic violence, sexual assault, child abuse and other violent crimes.

(213) 725-7002 Our Letter Dated: May 10, 1982 Addendum Applies:

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are "normally" more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.
