Dear Ms. Murphy:

We received funds from the Federal Emergency Management Agency (FEMA) under the 2019 Emergency Management Performance Grant (EMPG). We are pleased to award the City of Valdez the amount of \$25,000.00 under this grant.

EMPG performance includes but is not limited to the following:

- Accomplishment of activities identified in the jurisdiction's 2019 EMPG Work Plan.
- Update or completion of the Alaska Assessment.
- Required attendance at the State's multi-year Training and Exercise Plan Workshop (TEPW) to be held in conjunction with the 2020 Preparedness Conference, and development of a local jurisdiction Multi-Year Training and Exercise Plan to be submitted to us at the TEPW.
- EMPG-funded personnel should make every attempt to participate in no less than three exercises during the performance period. Exercises may be discussion-based (seminars, workshops, tabletop simulations) or operations-based (drills, functional exercises, full scale exercises). Sponsored opportunities by us may be available during the performance period. Real world events may not always count as exercise participation.
- Continued utilization and work towards adoption and implementation of the National Incident Management System (NIMS). The Alaska Assessment is the required means to report NIMS adoption and implementation.
- Complete the FEMA Independent Study Professional Development Series.
- Timely quarterly progress report submissions.
- Dollar-for-dollar, in-kind match.

Ms. Murphy

EMPG funding allocations to local jurisdictions are a direct result of continued reporting on actual funds spent at the local level on emergency management activities. With that in mind, we encourage reporting all funds spent on emergency management activities even if they exceed the required match.
