**Subject:** Board Resignation

Hello Patty and Gary,

It is with sadness that I officially announce my resignation as a member of the VMHA board starting January 2020. I greatly appreciate being on this board and find this role quite enriching; however I have accepted a part-time position at Providence as the Mission Integration Manager. Juggling two part time roles means that I need to take some things off of my plate and unfortunately being on the board of VMHA is one of them. I will be at the members party this Thursday and plan to continue being an active member of the museum.

Please call upon me as a volunteer.
