CORDES DEVELOPMENT 2 LLC

RESUME

7213 S. Perth Way Aurora, Colorado 80016 (303) 617-1297 e-mail: team.cordes@earthlink.net

Cordes Development 2 LLC (CD2) is a for-profit developer of affordable housing in rural communities throughout the western United States. Its principals have been active in the development and ownership of affordable housing since 1978 and have developed over the years nearly 100 multifamily affordable housing projects in Alaska, Arizona, California, Colorado, Idaho, Utah and Washington.

CD2 specializes in the development of small, rural projects of rental multifamily housing. Most projects are funded with loans through the United States Department of Agriculture – Rural Development ("USDA-RD") Section 515 program, in combination with HOME or State Housing Fund financing and Low Income Housing Tax Credits ("LIHTC"). All projects are income restricted to families or seniors with incomes at or below 60% of the area's median income. The principals' role, as project developer, is the "team leader" – putting together all financing and bringing together all design, construction and ownership "partners." CD2 finds the sites for new construction or apartment complex for rehabilitation then assumes the financial risks of gaining a successful application. Once an award is granted, CD2 then acts as a guarantor for the construction period through full lease up and stabilization.

CD2 specializes in the acquisition and substantial rehabilitation of older projects that are experiencing health, safety and energy efficiency problems, and that commonly do not comply with current ADA and Fair Housing standards. New construction also accounts for a significant number of successfully completed projects and demonstrates the firm's ability to guide the market analysis, design, permit/approval and construction processes.

CD2 has co-developed many projects with local non-profit organizations and many with Native American organizations as well as working with many cities and towns in collaborative projects. In those cases, CD2 acts as a "turn-key" developer and the non-profit is the project owner and sponsor.

David J. Cordes, M.D., President / Chairman of CD2, received his medical degree (1968) and Bachelor of Arts degree (1964) from the University of Illinois. Following service with the United States Navy during the early 1970s, Dr. Cordes practiced anesthesiology in Idaho, Colorado and California for over 25 years. Dr. Cordes first partnered as a part

time developer with Blair ("Duke") Reiley in 1978, and has been actively pursuing full time development since the early 1990s.

Shawne C. Mastronardi, Senior Vice President / CFO of CD2, received her MBA (1990) from the Wharton School of Business and her Bachelor of Arts degree (1986) from Smith College. Ms. Mastronardi held several positions in mergers & acquisitions, financial planning, management consulting and residential real estate prior to pursuing full time development with her father, Dr. David Cordes.

Scott C. Niblack, Senior Vice President / COO of CD2, received his Bachelor of Science (1994) from the University of Florida. He has been a development leader in Colorado for the past fourteen years. With an understanding of both public / Private transactions and development he has been directly involved in all aspects of land development including conceptual design of mix use development, for sale housing, acquisition, development planning, rezoning and entitlement, financial evaluation, financing, marketing, sales and construction. Scott is committed to shaping the future of Affordable housing across the West through public private partnerships and private development to establish neighborhood sustainability, environmental responsibility and public transportation supported residential development.
