RE: 23-7328616  
VALDEZ COUNCIL OF ARTS &  
CRAFTS INCORPORATED

Gentlemen:

This is in response to your request for a determination letter of the above-named organization.

A review of our records indicates that the above-named organization was recognized to be exempt from Federal income tax in August 1975, as an organization described in Internal Revenue Code section 501(c)(3). It is further classified as an organization that is not a private foundation as defined in section 509(a) of the code, because it is an organization described in section 170(b)(1)(A)(vi).

This letter is to verify your exempt status and the fact that the determination letter issued in August 1975 ~~continues to be in effect~~.

If you are in need of further assistance, please feel free to contact me at the above address.

We appreciate your cooperation in this regard.

Sincerely,

*Luis E. Mirafior*

4. What was previous grant funding used for? Be specific.

The City of Valdez Grant funding was instrumental in all diverse events the Valdez Arts Council sponsored in the 2019-2020 season. We had 823 people attend the five events, and 196 participated in one of the three outreach programs. The following is a summary of the events. I've attached the flyers that were sent to PO Boxes in Valdez.

**We Banjo Three, Sunday, October 6, 2019, 8pm**

<https://webanjo3.com/>

One of the best live acts to come out of Ireland in recent years, the multi-award winning **We Banjo 3** combine supergroup credentials with a breath-taking command of the emotive power of fiddle, guitar, mandolin and banjo. Any single member of this group could electrify a venue with a solo performance, but together, in the joyous musical alchemy of **We Banjo 3**, their passionate lead vocalist like a young Springsteen adopted by the Chieftans, the result is truly unforgettable. Simply put, the gold standard of Irish and American roots music.

**Ruploops, Friday, November 8, 2019, 8pm**

<https://www.ruploops.com/>

RupLoops is an interactive, live looping performance, using vocal percussion, rhythmic rhymes and an arsenal of eclectic instruments from around the globe. Rup utilizes his diverse skills as a musician to create a pulsating, entertaining and engaging musical experience. He is a gifted educator and performer and has a deep passion for intercultural work and intercultural sounds.

**Community Christmas Show, Saturday, December 14<sup>th</sup> 2019, 4pm.**

Come see your friends and neighbors perform holiday inspired songs, dance, poetry, and more! This event is free for performers and the audience, however, a donation of canned goods for the Valdez Food Bank is encouraged.

**International Guitar Night, Tuesday, January 21, 2020, 7pm**

<https://internationalguitarnight.com/>

Each year, International Guitar Night's founder Brian Gore invites a new cast of guitar luminaries from around the world for special concert tours of North America highlighting the diversity of the acoustic guitar. We are proud to celebrate our 20th year of touring the U.S. For the special Anniversary Tour, Brian Gore has put together his most eclectic lineup yet: Guest host Mike Dawes (England) and his incredible two-hand contemporary style is joined by fretless guitarist from Turkey Cenk Erdoğan; electrifying jazz virtuoso Olli Soikkeli from Finland and Hawaiian Slack Key master Jim 'Kimo' West.

**CelloBop Tuesday, February 18, 2020 , 7pm**

<http://www.cellobop.com/>

The best word to describe Gideon Freudmann's singular style comes from the name the artist uses for his performances and recordings: CelloBop. Using the electric cello for improvisational classical, blues, jazz, electronic, funk and folk music, Gideon imaginatively riffs on conventions and traditions. He loops and layers his sounds with pedals and amplifiers, sculpting orchestras out of thin air.

Gideon's music is spontaneous yet immediately accessible -- so it is no wonder that film, television and radio producers seek it out. He regularly contributes to NPR's All Things Considered, This American Life and CarTalk; his work is featured on Good Morning America, the TV show Weeds, as well as in several films; and he plays solo and ensemble shows in Portland and around the world. At times atmospheric and oftentimes playful, Gideon's signature sound always exists in its own unique dimension: nuanced, intricate and fun

Sadly, due to COVID-19 we had to cancel these three events, hoping to reschedule.

**Eileen Ivers Monday, March 23, 2020, 7pm**

## PROGRAM INFORMATION

ORGANIZATION NAME: VALDEZ ARTS COUNCIL

PROGRAM TITLE: 2020-2021 SEASON

Complete section below. Limit comments to this page.

1. Summarize the program you are proposing. (You will provide the details in the scope of services form.) The Valdez Arts Council had nine events planned for the 2020-2021 season. Due to COVID-19 we have already had to cancel 3 performances that were scheduled for September, October and November. At this time we are planning to move forward with the rest of the season. There are of course many unknowns and decisions that will be made at a later date. We are working closely with the Alaska Presenting and Touring Network as we determine next steps.
2. Briefly, but specifically, describe why the program to be funded under this proposal is needed and how it will benefit the Valdez community. Is this a new or existing program? How have you determined the need for your program?

The Valdez Arts Council (VAC) has been in existence since 1972 and has been dedicated to integrating the performing arts into life in the Prince William Sound and the Copper Basin areas. The VAC sponsors visits from outside artists, supports local artists, and engages with the local schools to spark diverse arts and cultural programs. The VAC is dedicated to providing both quality live entertainment and a common place for the residents of the area to come together for fellowship in the winter. Being an “end of the road” community makes us a unique, isolated group. Travel is hard and challenging in the winter and bringing some professional entertainment to town and sponsoring local talent helps everyone in the community grow.

3. Is this program year round, seasonal, or a one time event? There is behind the scenes work being done year round by the Board. The season typically runs from Beginning date: September 2020 Ending date: May 2021

4. Estimated number of people to be served by this program.

Provided formula for estimate: Attendance varies by show. For 2019-2020 we had 823 people attend our 5 performances and 196 attend one of the three outreaches we provided this year. For the 2020-2021 season we have 4 performance events still scheduled at this time, so we estimate to have about 500 people at our events, and will have outreaches at the school to be determined. We will also sponsor 2 free community events: the Christmas program and the Picnic, serving another 350 people.

5. Target population served: (i.e. youth, adult, Senior Citizens, disadvantaged, etc.)

VAC tailors the season to pique the interest of all ages, interests and abilities. One of our goals is to offer such a diverse season that everyone in town attends at least 1 show each season. Beyond Valdez, we are the most active Arts group in the entire Copper Valley region and we promote to the outlying areas of Glennallen, Kenny Lake, Copper Center, and McCarthy communities and advertise our performances through the radio stations and the Copper River Record newspaper.

6. Is membership in your organization required for participation: Yes\_\_\_\_ No\_\_X\_\_
7. Fee to participant: Everyone pays the same fee for shows: Adults \$20; discounts for Military, Students and Senior Citizens \$10. Christmas show and Picnic are free. With the new membership program we are giving a slight discount for some levels of membership.

Program Information (continued)

9. Volunteer Services Information:

Number of volunteers: Actual 2018 75

Actual 2019 75

Actual 2020 75

Estimated 2021 75

Source of volunteers (parents, members, professionals, others)

We actively seek volunteers from the community at large. We have a volunteer Board of Directors and many people at large provide much of the volunteer effort. We also have many people who volunteer for specific events. Over 20 local businesses and organizations volunteer in-kind services and/or financial donations for these productions.

Types of services provided by volunteers:

Volunteers take part in planning, fundraising, grant writing, solicitation of donations, box office management, selling tickets, publicity, ushering, clean-up after events, transportation, housing, feeding and hosting performers, tech support at events, stage management, language translation, graphics, hanging up posters, handing out fliers, writing news articles, creating and posting on Facebook page, updating the website, posting billboard signs, recording radio announcements, spray painting snow banks and making cookies or performing for the Annual Christmas program!

10. Where will you operate this program? What facilities?

Most VAC activities take place in the Valdez Civic Center. Valdez City Schools district facilities, Prince William Sound College or the City Recreation Center have and may be used for workshops and outreach performances. We have also hosted events at other appropriate places around town. We work hard to tailor both the performance and the venue to the best needs of the community.

11. What is the specific impact on your program if City funding is available at the following percentages of your request?

75% Big impact. With less money we would have to scale back our season, either by eliminating productions, **OR** eliminating outreach programs which are paid for but produce no income, **OR** finding lower priced alternatives

50% Bigger impact. Instead of “**OR**” in the 75% level options it would be “**and**”.

25% Highly detrimental impact, with programming seriously disrupted. This would cost us at least 2 events.

0% Season would be reduced by 3-4 events

12. The City is prohibited from contracting with businesses or persons that violate the Americans with Disabilities Act (ADA). What methods does your organization employ to comply with the requirements of ADA?

Meetings and performances are held in accessible facilities. If we have requests for sign language, we will work to fulfill these requests. We seek to comply with all ADA requirements as well, one of our volunteers has ADA training and experience. We have a consistent attendance of people with disabilities at our events

Program Information (continued)

13. Any other comments you would like to make about your program?

The VAC supports many local businesses throughout the winter through advertising, supplies, lodging, transportation, food and other items needed for the performance. With the cancellations this year, this has impacted these small businesses.

The Valdez Arts Council is a 100% volunteer organization. The Board commits to pay about \$30,000 in contracts with performers one year in advance of each season. The equity of the VAC covers these commitments should we be met with disaster, a pandemic, or even bad weather and be forced to pay the performers for lost income due to no fault of their own. We have been managing this seed money for a longtime, and have brought some wonderful shows at an affordable price to this beautiful town. This year we had made deposits of \$3,735 for the two shows that were cancelled this spring and we are hoping to reschedule them to next year and can still apply those deposits. We spent \$1,442 for advertising and publicity for these shows that were cancelled, we always design and prepare publicity information a couple months in advance.

This year we were able to provide 3 outreach events to the schools. Due to weather transportation issues, we had to reschedule the Ruploops outreach from a Friday to the Saturday afternoon at the Recreation Center on short notice, we had a great turnout and the participants were able to personally make a recording with the performer. International Guitar and CelloBop had an intimate and enlightening outreach in the VHS library with students of VCS.

As everyone knows, this has been a tough year with COVID-19. We decided to terminate our office lease space which will save us money for office rental expenses, telephone and internet costs and slight savings on our insurance, it will save over \$2000 for a year. We are able to do so much electronically on our own computer systems and save things on shared drives that we have little use for physical space any longer. Since we are all volunteers, we didn't need a locked space and typically use the Library for a meeting space at no cost.

Our relationship with a contract bookkeeper and accountant was the right move for us. It is important for VAC to stay compliant with IRS rules and accepted practices for accurate bookkeeping.

We rolled out a membership program this year. We hope this will also help communication with the community to be sure they are aware of when the performances are and help more people be engaged in these events and overall with the Valdez Arts Council.

Thank you for last year's contribution so we are able to continue to provide the quantity and quality arts programs for Valdez at the affordable ticket prices for the community. Unfortunately we had to cancel 3 events in 2020 spring and have cancelled 3 events already for Fall 2020.

### SCOPE OF SERVICES

Timeline OUTCOMES for 2021 (What do you plan to accomplish in 2021– be specific.)

**Valdez Arts Council's vision is to energize the community to embrace the Arts in our everyday lives. Our mission is to provide diverse cultural and educational opportunities to the residents of Valdez and surrounding communities; to enrich the quality of life; and foster appreciation of the Arts.**

The Valdez Arts Council had nine events planned for the 2020-2021 season. Due to COVID-19 we have already had to cancel 3 performances that were scheduled for September, October and November. At this time we are planning to move forward with the rest of the season. There are of course many unknowns and decisions that will be made at a later date. We are working closely with the Alaska Presenting and Touring Network as we determine next steps.

**Community Christmas Show, Saturday, December 12<sup>th</sup> 2020, 4pm.**

Come see your friends and neighbors perform holiday inspired songs, dance, poetry, and more! This event is free for performers and the audience, however, a donation of canned goods for the Valdez Food Bank is encouraged.

### **International Guitar Night**

Monday, Jan 11, 2021

[http://www.herschelfreemanagency.com/ign\\_xxi/ign\\_xxi.html](http://www.herschelfreemanagency.com/ign_xxi/ign_xxi.html)

We are proud to celebrate our 21st year of touring the U.S. For our special Anniversary Tour, IGN founder Brian Gore has put together another brilliant lineup. Guest host Lulo Reinhardt, Germany's Latin Swing master is joined by contemporary classical guitarist Stephanie Jones from Australia, two-hand "tapper" Alexandre Misko from Russia and traditional jazz guitarist Jocelyn Gould from Canada.

### **Talisk**

Wednesday, Feb 24, 2021

<https://www.youtube.com/watch?v=ZknSJwYdayI>

<http://www.talisk.co.uk/>

In their five years, Scottish firebrands Talisk have stacked up several major awards for their explosively energetic yet artfully woven sound, including 2018's Belhaven Bursary for Innovation & 2017's Folk Band of the Year both at the BBC Alba Scots Trad Music Awards, and a BBC Radio 2 Folk Award. Mohsen Amini – the BBC Radio 2 Folk Awards' Musician of the Year 2018, Hayley Keenan and Graeme Armstrong seamlessly meld concertina, fiddle and guitar to produce a multi-layered, enthralling signature that has effortlessly captivated audiences from the USA to Australia, and throughout the UK.

## **Small Glories**

Tuesday, Mar. 30, 2021

<https://www.thesmallglories.com/>

<https://www.youtube.com/watch?v=MyjSVqdutw0>

**Dynamic folk duo.** Cara is a founding member of the Wailin' Jennys. With a stage banter striking a unique balance between slapstick and sermon, these veteran singer-songwriters have a way of making time disappear, rooms shrink, and audiences feel as they are right there on the stage with the band — writing the songs, living the songs, performing the songs. It's not uncommon for listeners to find themselves laughing, dancing, crying, or caught up in a good ol' fashioned sing-along. "We're folk singers, we try to write stuff that people can relate to," says Edwards, whose looming stage presence and penetrating eyes find him the yin to Luft's petite, snort-laughing yang. The material of a Small Glories concert is welcoming in terms of subject, folk-pop melody and instrumentation — songs of love, loss, and environment, delivered with soaring, interwoven vocals on various combinations of stomping clawhammer banjo, guitar and harmonica.

## **Sundae + Mr. Goessl**

Friday, Apr. 16, 2021

<https://sundaeandmrgoessl.com/>

<https://www.youtube.com/watch?v=tmsExVQqkgk>

**Another duo but very different in style – vintage pop is one description.** Sundae + Mr. Goessl features award-winning vocalist Kate Voss (Earshot Magazine's Vocalist of the Year, two-time Seattle-Kobe Vocal Jazz Princess) and tireless virtuoso guitarist, Jason Goessl. This charming wife/husband duo incorporates humor, vintage style, interesting instrumentation, nostalgia and serious chops in their act and were awarded Best Duo of 2017 from Seattle Weekly. Bringing back the sounds from a by-gone era and spreading the joy of music like Johnny Appleseed, this act can be described in a single word: delightful.

## **Annual Membership Picnic, Tuesday, May 18, 2020, 6-8pm**

Celebrating our sponsors and members! Come join us for the annual picnic at the Valdez Glacier Campground. Please bring a dish to share, an acoustic instrument to play, or come and learn how you can become more involved in the Arts Council.

**Sunday  
October 6, 2019  
8pm**

One of the best live acts to come out of Ireland in recent years, the multi-award winning We Banjo 3 combine supergroup credentials with a breath-taking command of the emotive power of fiddle, guitar, mandolin and banjo. Any single member of this group could electrify a venue with a solo performance, but together, in the joyous musical alchemy of We Banjo 3, their passionate lead vocalist like a young Springsteen adopted by the Chieftans, the result is truly unforgettable. Simply put, the gold standard of Irish and American roots music.
