Dear Applicant:

We are pleased to inform you that upon review of your application for tax exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions to you are deductible under section 170 of the Code. You are also qualified to receive tax deductible bequests, devises, transfers or gifts under section 2055, 2106 or 2522 of the Code. Because this letter could help resolve any questions regarding your exempt status, you should keep it in your permanent records.

Organizations exempt under section 501(c)(3) of the Code are further classified as either public charities or private foundations. During your advance ruling period, you will be treated as a public charity. Your advance ruling period begins with the effective date of your exemption and ends with advance ruling ending date shown in the heading of the letter.

Shortly before the end of your advance ruling period, we will send you Form 8734, Support Schedule for Advance Ruling Period. You will have 90 days after the end of your advance ruling period to return the completed form. We will then notify you, in writing, about your public charity status.

Please see enclosed Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, for some helpful information about your responsibilities as an exempt organization.

Independent Auditor's Report

Members of the Board of Directors
Copper River Basin Child Advocacy Center
Gakona, Alaska

We have audited the accompanying financial statements of Copper River Basin Child Advocacy Center, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Members of the Board of Directors
Copper River Basin Child Advocacy Center

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Copper River Basin Child Advocacy Center as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Department of Health and Social Services - Schedule of Activities - Budget and Actual as required by the State of Alaska Department of Health and Social Services, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

COPPER RIVER BASIN CHILD ADVOCACY CENTER

Notes to Financial Statements

June 30, 2019

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities – Copper River Basin Child Advocacy Center (the Center) is a non-profit organization formed in 2008 for the purpose of providing support while improving the inter-agency response for children and families affected by child abuse. The Center is operated exclusively for charitable, educational and research purposes.

Use of Estimates – Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that are used.

Basis of Presentation – Copper River Basin Child Advocacy Center's accounting records are maintained on an accrual basis of accounting in accordance with generally accepted accounting principles. Under this method of accounting revenues are recognized when earned and expenses when incurred. The financial statement presentation follows the recommendations of the Financial Accounting Standards Board.

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

The center has \$11,150 of net assets that have donor restrictions as of June 30, 2019.

COPPER RIVER BASIN CHILD ADVOCACY CENTER

Notes to Financial Statements, Continued

Support and Revenue

Contributions: Unconditional promises to give cash and other assets to the Center are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at the fair value at the date the gift is received. Contributions received are recorded as without donor restricted, or with donor restricted support depending on the existence and nature of any donor restrictions. Support restricted by the donor is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met the same year as received are reported as without donor restricted contributions in the accompanying financial statements.

Contributed Services

Donated services are recognized as contributions in accordance with FASB ASC 958, Accounting for Contributions Received and Contributions Made, if the services (1) create or enhance nonfinancial assets or (2) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. In-kind contributions for space, supplies, and professional services are recorded in the statement of activities at market value and recognized as revenue and expenses in the period they are received, except for donated equipment, which is recorded as revenue in the period received and the asset is depreciated over its estimated useful life.

Cash and Cash Equivalents – For purposes of the Statement of Cash Flows, Copper River Basin Child Advocacy Center considers all unrestricted highly liquid investments with maturity of three months or less to be cash equivalents.

Accounts and Grants Receivable – Accounts receivable are recorded on the accrual basis when the goods and services are billed and are considered delinquent or uncollectible on a case-by-case basis by management. The Center records an allowance for doubtful accounts for the estimated uncollectible portion of the accounts receivable. At June 30, 2019 management has determined all receivables are collectible, and no allowance for doubtful accounts has been established. This estimate is based on management's historical collection experience and a review of current accounts receivable. Receivables are charged off when all collection efforts have been exhausted.

Prepaid Items – Payments made to vendors for services that will benefit periods beyond the June 30 year end, are recorded as prepaid items.

Property and Equipment

Property and equipment are stated at cost or estimated fair value if donated. Expenses for maintenance and repairs are charged to expense as incurred, and expenses for major renovations are capitalized. All expenses for property and equipment in excess of \$1,000 are capitalized. Depreciation is provided over the estimated useful lives of the assets on a straight-line basis over the useful lives of 3-10 years. Buildings improvements are depreciated on a straight-line basis over 10 years.

COPPER RIVER BASIN CHILD ADVOCACY CENTER

Notes to Financial Statements, Continued

Compensated Absences

Annual leave is accrued as earned and recorded as an expense in the period earned.

Fair Value of Financial Instruments – Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique.

Income Taxes – Copper River Basin Child Advocacy Center is a nonprofit corporation exempt from income taxation under Section 501(c)(3) of the Internal Revenue Code.

Although the organization is exempt from federal income taxes, any income derived from unrelated business activities is subject to the requirement of filing Federal Income tax Form 990-T and a tax liability may be determined on these activities. The Center had no income derived from unrelated business activities as of June 30, 2019.

The Center classifies all interest and penalties related to tax contingencies as income tax expense. As of June 30, 2019, there are no accrued interest or penalties. As of June 30, 2019 there were no uncertain tax positions or unrecognized tax benefits for which management believes it is reasonably possible that the total amounts of tax contingencies will significantly increase or decrease within 12 months of the reporting date. The Center files tax returns in the US Federal Jurisdiction and the State of Alaska. As of 2019, the tax years that remain subject to examination begins in 2017.

Functional Expense Allocation – The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include personnel, facility, supplies, equipment, in kind lease expense, depreciation and other which are allocated on the basis of estimated time and effort. 100% of travel and training are allocated to child advocacy.

NOTE 2. – CASH AND CASH EQUIVALENTS/CONCENTRATION OF RISK

The Center maintains cash balances including demand deposits and savings accounts at financial institutions located in Alaska which are insured by the FDIC up to \$250,000. No cash balances are uninsured at June 30, 2019.

COPPER RIVER BASIN CHILD ADVOCACY CENTER

Notes to Financial Statements, Continued

NOTE 3. – DESCRIPTION OF PROGRAM AND SUPPORTING SERVICES

Program services – child advocacy – Includes all current projects of Copper River Basin Child Advocacy Center.

Management and general – Includes the functions necessary to maintain an adequate working environment; provide coordination and articulation of the Center's program strategy; secure proper administrative functioning of the Board of Directors; and manage the financial and budgetary responsibilities of the Center.

NOTE 4. – GRANTS AND RECEIVABLE

Grants and accounts receivable consist of the following at June 30:

| | |
|-------------------|------------------|
| Grants receivable | \$ <u>16,178</u> |
|-------------------|------------------|

Management has determined all receivables are fully collectible therefore there is no allowance for doubtful accounts.

NOTE 5. – PROPERTY AND EQUIPMENT

Property and equipment comprised of the following at June 30, 2019:

| | |
|------------------------------|------------------|
| Leasehold improvements | \$ 38,926 |
| Equipment | <u>121,255</u> |
| Total property and equipment | <u>160,181</u> |
| Accumulated depreciation | <u>(91,795)</u> |
| | \$ <u>68,386</u> |

Depreciation expense for the year ended was \$15,954.

NOTE 6. – RETIREMENT PLAN

Both full-time and part-time Center employees, are eligible to receive up to a three percent (3%) match of the employee contributions to a simple IRA plan. The Center employees must elect to contribute to a simple IRA plan in order to be eligible to receive the up to three percent (3%) match from the employer.

NOTE 7. – OPERATING LEASES

The Center currently leases rental space from Copper River School District on a year to year basis. This rental space is contributed to the Center and is recorded at fair value. Contributed lease expense for the year is \$154,573.

COPPER RIVER BASIN CHILD ADVOCACY CENTER

Notes to Financial Statements, Continued

The Center currently subleases rental space to the State of Alaska on a year to year basis. Rental income for the year is \$26,000.

NOTE 8. – LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

| | | |
|---------------------------|----|----------------|
| Cash and cash equivalents | \$ | 91,232 |
| Grant receivable | | 16,178 |
| | \$ | <u>107,410</u> |

NOTE 9. – NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions of \$11,150 are available for the following purpose as of June 30, 2019

| | | |
|---------------------------------------|----|---------------|
| GoBlueDay Rally | \$ | 250 |
| Valdez Community Service Organization | | 10,900 |
| | \$ | <u>11,150</u> |

Net assets with donor restrictions are separated into three categories, purpose restrictions, time restrictions and net assets held in perpetuity. Both donor restrictions have purpose restrictions. GoBlueDay rally is restricted for that rally expenses, while the Valdez community service organization is restricted for training, supplies and contractual service expense.

NOTE 10. – RECLASSIFICATIONS

Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets. The reclassifications related to the implementation of FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities and adjusted the presentation of net assets.

NOTE 11. – SUBSEQUENT EVENTS

Management has evaluated the existence of subsequent events through February 10, 2020, the date which the financial statements were available to issue. No items were deemed necessary for disclosure.

PROGRAM INFORMATION

ORGANIZATION NAME: Copper River Basin Child Advocacy Center

Program Title: Valdez satellite Child Advocacy Center

Complete section below. Limit comments to this page.

1. Summarize the program you are proposing. (You will provide the details in the scope of services form.)

The program proposed serves children under the age of 18 and professionals working with children, as well as the community at large. The primary purpose of the Copper River Basin Child Advocacy Center (CRBCAC) is to serve child victims under the age of 18 and their supportive families affected by allegations of child abuse. The CRBCAC is located in Gakona and provides a child oriented approach in conducting forensic interviews, specialized/forensic medical evaluations, child/family advocacy, case support and referrals for on-going treatment, such as counseling/mental health services. In 2016, the CRBCAC proposed a satellite location in Valdez in order to better serve children and their families referred by local Valdez Multidisciplinary Team (MDT) investigative agencies, such as the Office of Children's Services and the Valdez Police Department. The CRBCAC and MDT partners, including medical and mental health providers and advocates began the process of obtaining training appropriate with requirements and best practices according to the national accreditation standards, when conducting child abuse investigations. The CRBCAC also serves the public at large by providing outreach/educational services to bring awareness and help prevent child abuse. This includes prevention programs for school age children K-5 in Valdez, as well as the expansion of an educational curriculum for adolescents and teachers, according to the state's mandate, the Alaska Safe Children's Act.

2. Briefly, but specifically, describe why the program to be funded under this proposal is needed and how it will benefit the Valdez community. Is this a new or existing program? How have you determined the need for your program?

The CRBCAC is an existing service that has benefited the Valdez community for over eight (8) years. The program includes the intervention, evaluation and treatment for children under the age of 18, as well as providing advocacy and support for children and their supportive caregivers, when there are allegations of child sexual abuse, specifically child sexual abuse. It is mandated by the State of Alaska that a child advocacy center be utilized when there are allegations of child sexual abuse. Prior to the existing Valdez satellite center opening in 2018, children referred to the CRBCAC for services traveled up to five hours round trip to the center in Gakona, or flown into Anchorage's center. The CRBCAC continues to seek funding that would help support the existing location of providing these services locally in the Valdez area. This includes continued training for the MDT partners that work with children at the CRBCAC, such as law enforcement, child protection, medical, mental health and advocacy services. The CRBCAC also provides annual prevention programs such as the "Safe Touch" presentation for grades K-5. According to the Alaska Safe Children's Act, effective FY2018 the CRBCAC expanded the prevention program to include training for Valdez School District staff and Valdez Jr/High School students. This was as a result of the MDT partners' feedback and meeting with the Superintendent to discuss the needs of the district. The prevention outreach programs are necessary on a local level in order to raise public awareness, and education on child abuse issues, which benefits the community as a whole.

3. Is this program year-round, seasonal, or a one-time event? Year-round

Schedule: Beginning date: 7/1/2020 Ending date: 6/30/2021

4. Estimated number of people to be served by this program? 680

Provide formula for estimate:

According to previous year statistics, in FY20, average amount of children in grades K-5 was 280, however due to the COVID pandemic, in-person training was not allowed in 2020; According to new COVID guidelines, providing training for the Valdez School District staff, as well as the Jr/High/High School students, may fluctuate but the approximation total of 400 may be accurate. Average amount of children evaluated at the CAC from the Valdez region was approximately 35%; about 7. This number may fluctuate from year to year, depending on CAC/MDT resources, or lack of, specifically turnover in staff and retraining MDT partner agencies.

5. Target population served: (ie: youth, adult, Senior Citizens, disadvantaged, etc.)

Children/youth under the age of 18 and their supportive families, as well as vulnerable adults (adults with disabilities)

6. Is membership in your organization required for participation: Yes _____ No X

7. Fee to participant: Member \$ N/A Non-Member \$ N/A

8. Number of paid program staff: Full-time 2 Part-time 2 Temporary 0

10. Where will you operate this program? What facilities?

Most of the training will be operated at the Valdez School District, some at other community venues, such as congregations, community agencies, etc. The referrals for child abuse evaluations will be operated out of Providence Valdez Medical Center.

11. What is the specific impact on your program if City funding is available at the following percentages of your request?

75% Would allow for Multidisciplinary Team (MDT) members to attend training, purchase of program supplies, contractual fees, communications and some professional services.

50% Would allow for MDT members to attend training associated with the evaluation of child abuse cases, partial professional and contractual services.

25% Would allow for medical provider contractual services and MDT members to attend training.

0% The CRBCAC will not be able to meet any of the proposed services.

12. The City is prohibited from contracting with businesses or persons that violate the Americans with Disabilities Act (ADA). What methods does your organization employ to comply with the requirements of ADA?

The CRBCAC has policies in place that prohibit any conduct or behavior that is discriminatory or characterized as harassment. A copy of the policy is available upon request.

Program Information (continued)

13. Any other comments you would like to make about your program?

The Copper River Basin Child Advocacy Center (CRBCAC) is a 501(c)3, not-for-profit organization that is dedicated to working with children and families that may have experienced allegations of child maltreatment. Our center opened its doors in 2009 and has worked on 208 cases of child abuse allegations. Our center's mission is to unify a community approach to child abuse prevention and response. We envision a community where children are safe, families are strong, and our child victims become children again. Child sexual abuse is a community problem. Alaska continues to have one of the highest rates of substantiated child abuse in the nation. Children who are abused are significantly at risk for juvenile delinquency, school/academic failure, teen pregnancy, drug/alcohol abuse, adverse childhood experiences that affect physical, mental, emotional health in adult life, etc. The children and families in our community deserve the best response and support possible when faced with this crisis. We continue to need your help to achieve our mission.

SCOPE OF SERVICES

Timeline OUTCOMES for 2020 (What do you plan to accomplish in 2020 - be specific)

In order for the CRBCAC to continue the established use of the local site in Valdez, located at the Providence Valdez Medical Center, there are a few outcomes projected for 2020. These outcomes are outlined to at the very least implement the minimal requirements for Accreditation through the National Children's Alliance. The CRBCAC is an Accredited center and is currently scheduled for a virtual site review in August 2020, due to the COVID pandemic crisis. This is a five-year cycle.

1. Medical Component - In order for medical providers at the Valdez Clinic to be able to continue to conduct child abuse cases, continuing education and training is required at least every two years. Also, on-going peer review and consultation is required for medical providers to continue conducting child abuse evaluations.

2. Mental Health Component - In order for the CAC family advocate to make referrals for kids and their caregivers for therapy/counseling at the Providence Valdez Counseling Center, staff working with trauma and kids have to maintain their evidence-based training certification, and continued education/training hours must be completed every two years.

3. Forensic Interviewing Component - In order for trained forensic interviewers to continue to conduct interviews at the CAC, interviewers must show that they participate in a structured peer-review process at least twice a year for quality assurance. Forensic interviewers are also to complete training for continuing education at least every two years.

4. Prevention/education for kids/families - The CRBCAC and MDT partners to collaborate and provide education on child abuse to the Valdez School District families and staff pertinent to the Alaska Safe Children's Act. Materials/supplies for training are necessary to disperse the information.

These outcomes would result in better access to and the local comprehensive MDT services for children and their supportive families affected by child abuse.
