VALDEZ PORTS & HARBORS

To Whom It May Concern,

Neil and Leticia through their company X-DLX Investments have been providing quality janitorial services to the City of Valdez for seven years. They were awarded their first contract in 2011 and have been awarded renewal and/or new contracts every year since.

The City just exercised the second renewal option for the 2018 physical year in January. The quality of service and response to our everchanging requirements has propelled their company into the top tier of service providers to my department.

The City janitorial contract encompasses all city buildings and facilities. Neil and his team are responsible for 17 of those locations, 5 of which fall under my area of responsibility as Port and Harbor Director. Those include the Valdez Regional Airport, the Small Boat Harbor, Offices and Comfort Facilities, the B-Float facilities and the Kelsey Cruise Ship Dock facilities.

Some of these locations are open 365 days a year, others see extremely heavy use loads during the tourist season, while some areas under Federal Control and have special security requirements necessitating additional operational procedures.

Neil and his team have provided those services and special controls to meet our enhanced requirements 365 days of the year. Anytime we have presented them a task they have responded with a viable cost-effective solution

Janitorial can be an area of what I call the "steady drip" of complaints. Neil and Lety have resolved this problem by exceeding the job requirements listed in the contract and providing the level of service needed to eliminate issues. The quality controls they have in place and the attention to detail are their secret sauce.

I strongly recommend the services of Neil & Lety for ANY janitorial needs,

Please do not hesitate to contact me with any questions you may have,

RE: X-DLX janitorial services

Dear Sir or Madam:

I write in my personal capacity to recommend the janitorial services provided by X-DLX.

Having worked in the Alaska State Office Building (the courthouse) in Valdez for over thirteen years, I have personally observed the janitorial services provided by more than one contractor, including X-DLX. Neil and Lety Dees and their employees at X-DLX have provided janitorial services for the courthouse for the last three years.

During their tenure X-DLX has consistently provided good quality janitorial services for our building, including snow removal from the parking lot and sidewalks around the building. Neil has been very responsive to any concerns expressed and he actively inquires of those of us who work in the building, about the quality of services that his team provides. In my experience, he will make himself personally available at almost any time of day or night to address any needs as they may arise.

The Alaska Court System and other state agencies housed in our building have particular confidentiality and security concerns. Neil has scrupulously ensured that those concerns have been fully respected. He often asks me if the court would object to the presence of certain individuals in our working spaces before he makes hiring decisions, and he has honored any concerns that we have expressed.

I have found the janitorial services provided by X-DLX to be professional and reliable, and I have enjoyed coming to know both Neil and Lety Dees. I recommend them without reservation.

Sincerely,

Daniel Schally

To Whom It May Concern,

Neil, Leticia and their company X-DLX Investments provide the janitorial services for the State of Alaska buildings in Valdez. They have been providing these services going on 4 years.

These include my office - Juvenile Probation, as well as the Superior Court and Clerks Office, the Attorneys Offices, DEC, DMV and others.

My office contains sensitive materials and requires controlled access to insure confidentiality of residents served. These requirements have been addressed by the management team and controls have been put in place to meet these needs.

I would highly recommend the services of Neil, Leticia and their staff for your maintenance needs, their level of communication, ability to meet special needs and their flexibility in scheduling has made ours a very comfortable relationship.

They are professional and provide a service beyond typical janitorial companies.

Feel free to contact me with any questions,

The penalty will be executed by the City withholding the appropriate sum from the monthly payment. The penalty will not be imposed in a capricious manner or without tangible evidence as to incomplete or unsatisfactory services. In no case shall total cumulative markup on direct costs exceed thirty percent (30%).

If lower markups are established via bid forms or negotiation, the lower markups shall apply to change orders.

The allowance made in accordance with the terms outlined above will be understood to be complete reimbursement and compensation for all project office and office staff, general office overhead, use of tools, and small equipment, overhead expenses, bond cost, insurance premiums, profits, indirect costs, delays impacts on the rest of the Work and losses of all kinds and other items of cost not specifically designated.
