ITEM TITLE:

Recreational Vehicle and Tent Camping Work Session

SUBMITTED BY: Bart Hinkle, Chief of Police & Assistant City Manager

FISCAL NOTES:

Expenditure Required: n/a

Unencumbered Balance: n/a

Funding Source: n/a

RECOMMENDATION:

n/a - Staff Presentation and Discussion Only

SUMMARY STATEMENT:

Recreational Vehicle and Tent Camping is addressed in Title 10 of the Valdez Municipal Code. Chapter 10.20 has not been amended since 1996. The existing VMC 10.20.030 calls for a permit for RV Parking in designated areas of the city by permit from the City Manager's office.

Although RV camping has become more and more popular in recent years, the permit program was not implemented until last summer. Due to concerns about RVs parked in areas that are not appropriate within the City, the Chief of Police/Assistant City Manager formed a committee of department heads to explore solutions to the issue. During the summer of 2024, under the recommendation of the group, City Administration began issuing permits for a handful of designated areas as a temporary solution.

The group, which also includes the Capital Facilities Director, Community Development Director, Parks & Rec Director, Public Works Director, City Clerk, City Attorney, and Lt. Kalin King has developed a proposed draft ordinance for discussion and will present on a permit program that would pair with the ordinance, if adopted. The draft ordinance brings alignment with the recently adopted Title 17, which now includes more detailed standards for RV Parks & Campgrounds.

The staff presentation will include details regarding alignment with Title 17, proposed designated parking areas, signage, application and approval process, safety and enforcement, and options for council members to provide direction and input.

Chapter 10.20

RECREATIONAL VEHICLE PARKS AND TENT CAMPING GROUNDS

Sections:

- 10.20.010 Purpose.
- 10.20.020 Definitions.
- 10.20.030 Use and parking of recreational vehicles outside of a recreational vehicle park.
- ~~10.20.040 Location.~~
- ~~10.20.050 Recreational vehicle park standards.~~
- 10.20.040 Tent camping prohibited—Exceptions.
- 10.20.050 Penalties.
- ~~10.20.070 Other requirements for tent camping in public areas.~~

10.20.010 Purpose.

The purpose of this chapter is to set reasonable standards for recreational vehicle parks and tent camping ~~campgrounds~~ within the city in locations other than established recreational vehicle parks and campgrounds permitted under Title 17 of this code. It is the intent of the city to assure that the public health, safety and welfare of the community is preserved and protected while not creating burdensome and unduly restrictive regulations that would deter recreational vehicle travelers and tent campers from visiting Valdez. (Ord. 96-09 § 1 (part))

10.20.020 Definitions.

As used in this chapter:

“Recreational vehicle” means a vehicular-type unit primarily designed as temporary living quarters for recreational, camping, or travel use, or other temporary occupancy use, which either has its own motive power, or is mounted on or drawn by another vehicle. Examples include the basic entities are: travel trailer, camping trailer, truck camper, and motor home, and other similar vehicles.

“Recreational vehicle park or campground” means a lot or portion of a lot ~~plot of land upon which where~~ two or more recreational vehicles or tents are parked, camped, leased or rented for located, established or maintained for occupancy by recreational vehicles of the general public as temporary living quarters temporary living quarters occupancy for recreation or vacation purposes. A recreational vehicle park or campground may be improved or unimproved providing remote, rural or nonrural settings that may or may not include improvements and amenities such as water, showers, electricity, a dump station, cable television, internet service or similar services.

~~“Recreational vehicle site” means a plot of ground within a recreational vehicle park intended for the accommodation of a recreational vehicle, at tent, or other individual camping unit on a temporary basis.~~

“Designated area” means any designated area of land owned or controlled by the City other than established recreational vehicle parks or campgrounds identified by the City Manager as suitable for temporary recreational vehicle camping in compliance with this Chapter.

“Tent” means a portable, collapsible, enclosed shelter made of canvas or nylon, or comparable material, stretched and sustained by poles, which has been specifically designed and manufactured for temporary use for camping.

“Tent Camper” ~~“Tenter”~~ shall be defined as a person or party or persons camping in a tent or in the open.

~~“Tent campground” shall be defined as an area, lot or portion of a lot where two or more recreational vehicles are parked or camped for temporary occupancy. (Ord. 96-09 § 1 (part))~~

10.20.030 Use and parking of recreational vehicles outside of a recreational vehicle park.

A. No recreational vehicle may be parked and occupied on city streets or in areas where such prohibition is posted or otherwise prohibited by the code.

B. No recreational vehicles may be parked and occupied in city parking lots or ~~and on~~ other city controlled property except in designated areas and after ~~without~~ obtaining a permit for that purpose from the city manager or his designee. A permit may be obtained by submitting an application in the form and manner prescribed by the City Manager. Permits under this section shall not exceed 3 days.

C. One recreational vehicle ~~vehicles~~ may be parked for temporary occupancy on a lot in residential zoning districts R1, R2, RR, and NMU for a period of no longer than 30 days. ~~all single family residential zone districts~~ Such occupancy must be with the owner’s permission and in compliance with applicable laws.

D. One recreational vehicle may be parked for temporary occupancy with water and sewer hookups on a lot in commercial zoning districts CB and G for a period of no longer than 180 days. ~~all commercial zoned districts~~ Such occupancy must be with the owner’s permission and in compliance with applicable laws.

~~E. Except as provided otherwise, it is a violation of this code for a person in charge of a premises within the city to permit or allow camping without a valid permit from the city and if required, a state of Alaska Public Accommodation Permit.~~

E. Up to three recreational vehicles may be parked for overnight camping on property belonging to a local private club or lodge for a period of no longer than three days provided the following conditions are met:

1. Sufficient off-street parking remains for patrons of the establishment;
2. The recreational vehicles are fully self-contained;
3. The private club or lodge has granted permission for overnight parking; and
4. The owners of the recreational vehicles must be out-of-town members of the local private club or lodge.

F. Camping not in conformance with this Chapter may be permitted pursuant to VMC Section 17.12.120 entitled Temporary Land Use Permits.

~~10.20.040 Location.~~

~~Recreational vehicle parks are permitted in the public lands zoning district; are allowed as a conditional use in the commercial residential zoning district, the general commercial zoning district, and the light industrial zoning district. (Ord. 96-09 § 1 (part))~~

~~10.20.050 Recreational vehicle park standards.~~

~~A.— Standards Generally. Recreational vehicle parks shall meet the design and performance standards set forth herein as well as those mandated by state and local law. Such standards include but are not limited to those regulating wastewater disposal, drinking water and restrooms. The facilities must be in compliance with all building, plumbing, electrical, fire and other applicable codes.~~

~~B.— Site Plan. The applicant shall provide a site plan drawn at a scale in which all of the requirements of this section are clearly shown. In addition, the following shall be shown:~~

~~1.— Name of the recreational vehicle park or campground, ownership, name of developer, scale, north arrow, date, and location map showing the location of the park or campground;~~

~~2.— Site Width. Each recreational vehicle site shall not be less than ten feet plus the width of the recreational vehicle.~~

~~D.— Design of Entrances and Exits. Entrances and exits shall be designed for safe and convenient movement of traffic into and out of the park, and to minimize hazards with traffic on adjacent streets. No entrance or exit shall require a turn at an acute angle for vehicles moving in the direction intended. No object or material impediment to visibility shall be created, placed or maintained which obscures the view of an approaching driver in the right lane of the street. No entrance or exit shall be located nearer than thirty feet from any street intersection, or ten feet from the radius point, whichever is more.~~

~~E.— Internal Streets. Streets shall be provided in the park or campground where necessary to furnish principal trafficways for safe and convenient access to all sites and to facilities for common use by park or campground occupants.~~

~~F.— Street Alignment and Gradient. Street alignment and gradient shall be designed and constructed to ensure the safe movement of traffic, and to satisfactorily control surface water.~~

~~G.— Street Surfacing. Streets shall consist of a sound all-weather driving surface consisting of gravel, cinders, asphalt or concrete.~~

~~H.— Street Widths. Internal streets shall meet the following minimum size standards:~~

~~1.— Twenty feet wide access road in front of or behind each site;~~

~~2. Street widths at access points where traffic enters or leaves the park, shall be of sufficient size to permit free movement from or to the stream of traffic on the adjacent public streets, and no parking shall be permitted which in any way interferes with such free movement.~~

~~I. Disposal of Sewage and Providing of Water. Disposal of wastewater and providing of drinking water shall comply with the Uniform Plumbing Code as adopted by the city. (Ord. 96-09 § 1 (part))~~

10.20.040 Tent camping prohibited—Exceptions.

Acceptance of Late File Application for 2025 Senior Citizen's Property Tax Exemption - Rebecca and Kenneth Tetz

SUBMITTED BY: Elise Sorum-Birk, Deputy City Clerk

FISCAL NOTES:

Expenditure Required: n/a
Unencumbered Balance: n/a
Funding Source: n/a

RECOMMENDATION:

n/a

SUMMARY STATEMENT:

Under Alaska Statute (AS 29.45.030) and Valdez Municipal Code (VMC 3.12.030), real property owned and occupied as the primary residence by a disabled veteran is exempt from taxation on the first one hundred and fifty thousand dollars of the assessed value of the real property.

The property owner is required by statute and code to file annually for the exemption on a standard form provided by the state of Alaska. The annual application must be filed no later than January 15th of the assessment year for which the exemption is sought.

Applications are filed with the City Clerk's Office for processing and acceptance. If the annual application is filed before the deadline and the applicant meets the exemption program requirements, the City Clerk's Office processes the applicant's paperwork and the exemption is then automatically applied to the appropriate property tax account.

Under Valdez Municipal Code (VMC 3.12.030(3)(a)), only the City Council holds the authority to waive the annual January 15th application deadline for this exemption program. The City Council, for demonstrated good cause, may waive the applicant's failure to make timely application for the current year and authorize the City Clerk's Office to accept the application as if timely filed.

Please find the following documents attached from the Tetz household:

- 2025 Property Tax Exemption Application
- Written Explanation of Late Application

This application was received by the City Clerk's office on January 31, 2025 but otherwise meets all the requirements for the Senior Citizen's Property Tax Exemption.

Subject: Property tax/senior tax exemption 71300010040 Rebecca Tetz

I am asking for an exception to the January 16th deadline to apply for the senior tax exemption on my home. I turned 66 on January 10th and due to my own stupidity for not looking up the rules and being gone for medical issues along with everything else in life I am requesting that you grant me the exemption. I have been paying the tax on my property since we bought it in 1984. Please consider my request. Thank you.

ITEM TITLE:

Approval of 2025 Community Purpose Property Tax Exemption Applications

SUBMITTED BY: Elise Sorum-Birk, Deputy City Clerk

FISCAL NOTES:

Expenditure Required: N/A

Unencumbered Balance: N/A

Funding Source: N/A

RECOMMENDATION:

Approve 2025 Community Purpose Property Tax Exemption applications.

SUMMARY STATEMENT:

The property of an organization not organized for business or profit-making purposes and used **exclusively** for community purposes may be exempt from taxation under Valdez Municipal Code 3.12.050. The property must also be open to the public and not require membership or a fee to access.

Note: That portion of the property regularly used for commercial purposes other than the organization's exempt purpose shall be subject to taxation by the City.

To qualify for the exemption, the applicant must file with the City Clerk's Office a written application no later than January 15th of the assessment year for which the exemption is sought. Applicants must use a standard form provided by the City.

Community purpose property tax exemptions must be approved by the City Council annually. An exemption granted shall only be for the assessment year for which the exemption is sought.

The City Clerk's Office received qualifying 2025 community purpose applications from:

- **Advocates for Victims of Violence** (One property at 100%)
- **American Legion** (One property at 100%)
- **Connecting Ties - Second Time Around** (Three properties at 100%)
- **Terminal Radio, Inc DBA KCHU** (One property at 100% and One property at 50%)

- **Valdez Fisheries Development Association** (Thirteen properties at 100%)
- **Valdez Native Tribe** (One property at 100%)

A spread sheet is attached listing the applicant's name, parcel identifiers, parcel value (land & improvements), the anticipated value of the tax exemption to be granted upon approval, and any applicable notes. Tax exemption applications are also provided for ease of reference.

Which Boards would you like to apply for?

Valdez Museum & Historical Archive Association Board of Directors: Submitted

Question applies to Valdez Museum & Historical Archive Association Board of Directors

There are multiple vacancies on the Valdez Museum & Historical Archive Board (three seats for a full term and one seat for a partial term). Do you prefer a two or three year term? Or do you have no preference? *

☒ No preference

Question applies to multiple boards

Required Time Commitment: All board/committee members and commissioners are expected to (1) be physically present at most, if not all, board/committee or commission meetings and (2) review agenda materials prior to arriving for the meeting to be best prepared for discussion and decision making. Are you aware of the time commitment involved in serving on this particular board, committee, or commission? Are you willing and able to commit to regular meetings plus work sessions every month for your full term?

Yes, I am aware, and I am willing.

How did you learn about this vacancy?

☒ Word of Mouth

Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

I moved to Valdez in October of last year, and as a new community member I am looking for an opportunity to engage with, serve, and learn more about the community of Valdez.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

My work experience is in healthcare quality management - including regulatory / accreditation compliance, quality and process improvement, patient safety, high reliability, and infection prevention. See my resume attached for more details.

SUMMARY

I am focused on organizational effectiveness from a dual process-and-communication perspective. My career mission is to help people and organizations become stronger by eliminating barriers and helping to structure, advocate for, and implement improvement initiatives. I bring a BA in Psychology, an MA in Organizational Management, and over 20 years of work experience. My strong suits are zeroing in on operational and interpersonal obstacles to success and working collaboratively to surmount them. I'm an enthusiast for nimble, well-communicated processes and strong feedback mechanisms. I thrive in team environments where I'm accountable for group and individual assignments as well as short- and long-term goals.

EXPERIENCE

Quality Program Manager, Sr., Quality Management

MultiCare Health System, Auburn & Covington Medical Centers, WA February 2022 – November 2024 (Full-time, 40 hours/week)

I partnered with teams to create and sustain changes that improve patient outcomes and the quality & safety of care. I helped implement the activities of Quality Assessment and Performance Improvement (QAPI) program for the two MultiCare hospitals in South King County. I provided facilitation and consultative services (project design, selection of data, development of documentation and tools, etc.) to project teams along with general education on quality improvement methods and performance improvement tools (e.g., PDSA). I facilitated the High Reliability Organization (HRO) program by organizing and managing the structures and processes to support the integration of HRO principles into the organization and the advancement of the HRO journey. I supported both regulatory compliance and survey readiness by ensuring ongoing adherence to regulatory and accreditation standards by The Joint Commission (TJC), Washington state Department of Health (DOH), and Centers for Medicare & Medicaid Services (CMS).

Infection Preventionist, Infection Prevention & Control, Quality Division

Overlake Medical Center, Bellevue, WA March 2021 – February 2022 (Full-time, 40 hours/week)

I had the day-to-day responsibility for implementing operational strategies to prevent infection and the transmission of infectious illnesses. I conducted surveillance of significant infections and communicable diseases, managed critical data and information, provided guidance and consultation in infection control practice, developed and implemented education on current practices, and notified and communicated with community public health partners. I helped identify opportunities for organization-wide improvements based on regulatory and accrediting agency requirements, data analysis of high-risk, high-volume infection prone activities, and evidence-based practices.

Accreditation & Regulatory Consultant, Patient Safety & Regulatory, Quality Division

Overlake Medical Center, Bellevue, WA February 2019 – March 2021 (Full-time, 40 hours/week)

I consulted on the assessment, interpretation, planning, execution, and improvement of hospital-wide compliance with regulatory and accreditation requirements of TJC, Washington state DOH, and CMS. I prepared the organization for unannounced hospital surveys, coordinated visit logistics, communicated results, supported corrective action plan development, and helped to reinforce ongoing monitoring. I maintained current knowledge of changing requirements and strove to cultivate a culture of continuous survey readiness when helping nursing, medical staff, and administrative leaders understand the standards in the context of their everyday work and ensure they were well prepared. In collaboration with colleagues in patient safety, compliance, and risk management, I worked to align compliance efforts across Overlake and collectively promote standardization and improvement of key processes, policies, and procedures.

Senior Quality Program Manager, Quality Division

Swedish Medical Center, Seattle, WA June 2018 – January 2019 (Full-time, 40 hours/week)

As a system resource, I facilitated quality improvement programs to standardize care delivery, increase reliability, and promote high value, effective care. Under direction of division leadership and in collaboration with operational and clinical leaders, I helped lead the design and coordination of system-wide efforts to implement and sustain improvements on prioritized quality goals. Using quality improvement methodologies and tools, evidence-based clinical pathways, risk assessments, and performance data, I partnered with and mentored teams and committees to improve quality outcomes, patient safety, accreditation readiness, and performance in regulatory and governmental programs such as DNV-GL, ISO 9001 Quality Management, Washington state Administrative Codes, and CMS.

Quality Program Manager (Ballard Campus), Quality Division

Swedish Medical Center, Seattle, WA December 2016 – June 2018 (Full-time, 40 hours/week)

In collaboration with campus leadership, I guided and supported the early development and implementation of a Quality Management System at Swedish Ballard to meet DNV-GL hospital accreditation standards and work towards ISO 9001 Quality Management certification. I designed and evolved the campus governance structures, processes, and tools for the tracking and regular review of performance, corrective and preventative actions, safety events, regulatory findings, and local priorities while maintaining alignment with system-wide policies, procedures, and objectives. I collaborated with specialists in infection prevention, accreditation, and safety to help campus leaders and managers begin to integrate DNV-GL regulatory standards into daily operations and align continuous accreditation readiness with quality and patient safety.

Quality Consultant, Quality & Patient Safety

Swedish Medical Center, Seattle, WA September 2015 – December 2016 (Full-time, 40 hours/week)

As system resource, I collaborated with clinical teams to clarify improvement goals, analyze information, navigate resources, identify opportunities to improve and sustain quality. I helped align improvement work with organizational goals, external requirements, and existing programs while fostering a shared language around quality. Depending on the needs and maturity of the teams, I created charters to clarify goals, assisted with prioritizing quality improvement initiatives, helped identify and align quality metrics, shared performance data and information through scorecards and dashboards, mapped processes and workflows, created communication and project plans, and coordinated the work with other shared service departments.

Senior Consultant, Organizational Change Management & Communication

CGI IT & Business Consulting Services May 2013 – August 2015 (Full-time, 40 hours/week)

I helped design and implement enterprise-wide, multi-year change management strategies and communication plans to maximize employee adoption and minimize resistance to new business technologies, systems, and processes. I worked cross-functionally to develop and apply a structured and client-specific approach for managing the people-side of the system implementation including stakeholder mapping and analysis, change champion networks, strategic communication campaigns, change readiness assessments, workforce transition planning assessments, and organizational readiness planning. I worked to truly understand the current state and the desired future state of the organization, identify who will be impacted, how they will be impacted, and the implications of the impacts on the organization, its processes and culture. I executed comprehensive stakeholder engagement, communication, and readiness plans to drive awareness, understanding, and acceptance of the new system. Projects: State of Arizona ERP Implementation; State of West Virginia ERP Implementation

Project Coordinator (Research Health Science Specialist), Health Services Research & Development Center (HSR&D)

Department of Veterans Affairs, VA Puget Sound Health Care System

Seattle, WA August 2009 – May 2013 (Full-time, 40 hours/week, GS-11)

I coordinated the daily operations of several health services research projects on behalf of Principal Investigators (PIs). I organized the collaborative efforts of the project team to complete the funded proposal aims and produce specific deliverables within time and budget limitations. I managed the project timeline, staff team members, budget, data requests and access, regulatory approvals, and compliance audits. I oversaw all privacy, safety, information security, and human subjects applications and submissions. I helped maintain relationships with other research, clinical, support staff, host, and partnering institutions. I created reports summarizing study progress, identifying problems, and recommending solutions.

Neuroscience Technician (Psychometrist & Research Assistant), Brain Imaging Lab & Neuropsychology Program,

Dartmouth-Hitchcock Medical Center, Lebanon, NH July 2005 – August 2007 (Full-time, 40 hours/week)

As a Psychometrist I administered neuropsychological assessments, scored and normed tests, documented patient behavioral observations, built and demonstrated rapport with patients and families, counseled patients, communicated closely with all levels of academic medical staff, and maintained materials and supplies. As a Research Assistant, I helped coordinate and conduct research efforts on two cognitive aging & Alzheimer studies: "Dartmouth Memory and Aging study" and "Alzheimer Disease Neuroimaging Initiative" (ADNI). I administered and scored neuropsychological test batteries with study participants (ages 60 years and older), maintained and checked research databases, abstracted information, conducted telephone screens, scheduled appointments, assisted with fMRI procedures, reviewed literature, and helped compose and edit reports, research papers, abstracts, and posters.

MARGARET S. NORDSTROM, MA, CPHQ

Valdez, Alaska

www.linkedin.com/in/margaret-nordstrom

Psychometrist, Swedish Epilepsy Center

Swedish Medical Center, Seattle, WA June 2003 – June 2005 (Full-time, 40 hours/week)

I administered neuropsychological assessments and interviewed / counseled patients and their families on the test-taking and analysis processes during their inpatient stay. I scored, normed, and summarized the results of the tests. These assessments are stressful on patients and my role included strong rapport building, heavy hand-holding, and empathetic emotional support. I was the liaison among patients, physicians, and hospital staff. I also assisted during Wada procedures and administered test batteries for two epilepsy research studies: ERSET & Neuropace. Additionally, I went outside of my assigned duties and conducted a research project in which I analyzed data and wrote up the results in an abstract that I presented in poster form during a professional conference 2004.

Which Boards would you like to apply for?

Valdez Museum & Historical Archive Association Board of Directors: Submitted

Question applies to Valdez Museum & Historical Archive Association Board of Directors

There are multiple vacancies on the Valdez Museum & Historical Archive Board (three seats for a full term and one seat for a partial term). Do you prefer a two or three year term? Or do you have no preference? *

☒ No preference

Question applies to multiple boards

Required Time Commitment: All board/committee members and commissioners are expected to (1) be physically present at most, if not all, board/committee or commission meetings and (2) review agenda materials prior to arriving for the meeting to be best prepared for discussion and decision making. Are you aware of the time commitment involved in serving on this particular board, committee, or commission? Are you willing and able to commit to regular meetings plus work sessions every month for your full term?

I am aware and ready to make the commitment.

How did you learn about this vacancy?

☒ Word of Mouth

Interests & Experience

Why are you interested in serving on a City of Valdez board or commission?

I have a love for history, and a desire to be more involved with keeping local history alive while giving back to my community.

Please outline your education, work, and volunteer experience which will assist you in serving on a City of Valdez board/commission.

I have not furthered my education past high school, and volunteer work I have done is just offering help up when I see a need. I sat is the treasury seat for the Eagles to assist in filling a vacancy, and help with the local PTA and SWAN event on occasion as well. This has lead me to purposefully seek volunteer work.

ITEM TITLE:

Discussion Item: Structure of Initial Memorandum of Agreement with Chugachmiut to Operate a Head Start Program in Future City Owned Child Care Facility

SUBMITTED BY: Elise Sorum-Birk, Deputy City Clerk

FISCAL NOTES:

Expenditure Required: [Click here to enter text.](#)

Unencumbered Balance: [Click here to enter text.](#)

Funding Source: [Click here to enter text.](#)

RECOMMENDATION:

Provide city administration with guidance on desired parameters of a future MOA with Chugachmiut related to early education/ child care services.

SUMMARY STATEMENT:

City Manager John Douglas, Capital Facilities Director Nate Duval and Deputy City Clerk Elise Sorum-Birk have had preliminary conversations with Chugachmiut's Head Start Coordinator Krisitin Ramstad and Deputy Director Phyllis Wimberley about the possibility of their program partnering with the city to operate in the new early childhood education/ child care facility to be constructed by the City of Valdez.

As a federally funded early childhood education program, Chugachmiut's Head Start programing would complement the existing pre-K programing offered by Valdez City Schools and the Valdez Co-op Preschool. The program would also benefit families by operating year-round for 8 hours a day and having toddler aged classrooms (early head start).

The next step in moving forward with Chugachmiut Head Start as the operator will be to draft a Memorandum of Agreement outlining expectations of both parties during the construction process.

The goal of this discussion is to update Council on the items proposed to be incorporated into a MOA and to receive feedback from Council Members on any additional items to be included.

**Appendix A
Scope of Work**

BASIC SERVICES

Provide all professional services necessary to provide the City of Valdez:

Consultant shall express an opinion on the fair presentation of the City's general purpose financial statements conforming with generally accepted accounting principles.

To meet the requirements of this Agreement, the audit shall be performed in accordance with generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants, the standards for financial audits set forth in the U.S. General Accounting Office's *Government Auditing Standards*, the provisions of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). The audit shall also be performed in accordance with the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*.

The scope of services to be provided are more fully described in the Engagement Letter from Consultant dated December 20, 2024, which is incorporated herein by reference.

**Appendix B
Basis of Compensation**

On completion of work and submission of invoices, the City shall pay to Consultant the compensation as follows:

Payment shall be made based on the proposed fee and shall not exceed \$94,800 for the 2024 audit and \$98,700 for the 2025 audit, per the proposal attached to Appendix A of this Agreement, without prior authorization by the City as required in Section V of the General Conditions (Appendix C).

General Conditions**

I. Definitions:

Basic Services: The identified work elements set forth in this Agreement for which the Consultant will receive prime compensation.

Change: An addition to, or reduction of, or other revision in the scope, complexity, character, or duration of the services or other provisions of this Agreement.

City's Project Manager: City's representative in charge of the project(s) and the consultant's primary point of contact for notice(s) to proceed, invoices, correspondence and interface with the City.

Consultant's Project Manager: The Consultant's representative in charge of the project(s) who is directly responsible and engaged in performing the required services.

Extra Services: Any services or actions required of the Consultant above and beyond provisions of this Agreement.

Funding Agency(s): The agency(s) of the federal, state or municipal government which furnishes funds for the Consultant's compensation under this Agreement.

Optional Services: Identifiable and/or indeterminate work elements set forth in this Agreement, which are separate and distinct from those covered by the prime compensation, which the City has the option to authorize.

Prime Compensation: The dollar amount paid to the Consultant for basic services set forth in this Agreement. Prime compensation does not include payment for any optional or extra services.

Scope of Work: Basic and optional services required of the Consultant by provisions of this Agreement.

Subconsultant: Any person, firm, corporation, joint venture, partnership or other entity engaged through or by Consultant.

II. Information and Services from Others:

Provisions of information, data, budget, standards, and other materials by the City do not warrant their accuracy or quality nor provide approval of omissions or oversights or of any non-compliance with applicable regulation.

The City may, at its election, or in response to a request from the Consultant, furnish information or services from other Consultants. If, in the Consultant's opinion, such information or services are inadequate, the Consultant must notify the City of the specific service or material deemed inadequate and the extent of the inadequacy prior to use in the performance of this Agreement. Unless so notified by the Consultant, the City may assume the information or services provided are adequate.

III. Indemnification

To the fullest extent permitted by law, the Consultant shall indemnify, defend, and hold harmless the City from and against any claim of, or damages, losses, expenses and liability (including but not limited to fees and charges of engineers, architects, attorneys, and other professionals, and court, mediation and/or arbitration costs) for negligent acts, errors, and omissions of the Consultant, Subconsultant, persons or organizations directly or indirectly employed or engaged by Consultant or Subconsultant under this Agreement. The Consultant is not required to indemnify, defend, or hold harmless the City for a claim of, or liability for the independent negligent acts, errors, and omissions of the City. If there is a claim of, or liability for a joint negligent act, error, or omission of the Consultant and the City, the indemnification, defense, and hold harmless obligation of this provision shall be apportioned on a comparative fault basis. In this provision, "Consultant" and "City" include the employees, agents, and contractors who are directly responsible, respectively, to each. In this provision, "independent negligent acts, errors, and omissions" means negligence other than in the City's selection, administration, monitoring, or controlling of the Consultant, or in approving or accepting the Consultant's work.

IV. Insurance:

All of the insurance coverages listed in Article 5 shall be purchased by the Consultant. The City shall be made an additional insured on the Consultants Commercial General Liability policy in connection with the activities related to this contract. The Consultant shall purchase and maintain the Article 5 insurance coverages with limits not less than those specified for the duration of the Agreement. The professional liability insurance shall be maintained in force for one year following the date of final payment for the work performed herein. The amount of the contract may be renegotiated if the insurance premiums for the following year are raised over those in force when the contract was let. Should the professional liability insurance become unavailable during the one-year period following the date of final payment, the insurance coverage may be renegotiated between the owner and the Consultant.

Agreement for Professional Services

Project:

Project No.

Contract No.

Cost Code:

Insurance coverage shall provide for negligent acts, errors or omissions which the Consultant, employees of the Consultant or Subconsultant may make which produce loss or liability to the Owner and for the protection against loss which results from reliance on the Consultant's products, reports or a combination thereof. Failure to comply with the provision for maintaining the insurance in effect for one year following the date of final payment may be cause for the Owner to refrain from dealing with the Consultant in the future.

V. Payments:

The City shall pay to the Consultant the amount of any changes in the cost of insurance that are attributable to the Scope of Work created by change orders.

Payments shall be made in accordance with Appendix B. Consultant shall submit progress invoices to City in duplicate showing the itemized services performed during the invoice period and the charges therefore.

All progress invoices shall be prepared as a percentage of the work is completed except contracts performed on "time and expenses" basis which invoiced amounts shall not exceed the actual charges to the invoice date.

Under no circumstances will City pay for charges in excess of any lump-sum or not-to-exceed contract amount incurred prior to written authorization by City for an increase in the contract amount. Written request for an increase in the contract amount shall be given to City with sufficient notice to allow City to issue formal approval prior to the incurring of excess charges without delay to the work.

On "time and expenses" contract amounts, compensation for work included in the Scope of Work shall be for direct labor costs and the actual cost of reimbursable expenses. Direct labor costs shall be as shown on the current Standard Labor Rates for the Consultant, a copy of which is attached as Appendix D, times a factor of n/a, for services rendered by principals and employees of the firm. Reimbursable expenses mean the actual expenses incurred directly or indirectly in connection with the Project for: transportation and subsistence incidental thereto; obtaining bids or proposals from contractor(s); furnishing and maintaining field office facilities; toll telephone calls and telegrams; reproduction of reports, drawings, specifications, and similar project-related items and, if authorized in advance by City, overtime work requiring higher than regular rates. Reimbursable expenses shall also include the amount billed to Consultant by Subconsultant employed by consultant for such Subconsultants' services and reimbursable expenses times a factor of 1.05.

The sum of payments shall not exceed the allowable compensation stated in this Agreement. In the event items on an invoice are disputed, payment on those items will be withheld until the dispute is resolved.

Agreement for Professional Services

Project:

Contract No.

Cost Code:

The Consultant shall submit a final invoice and required documentation for services authorized by each Notice to Proceed within Ninety (90) days after final acceptance by the City. The City will not be held liable for payment of invoices submitted after this time unless prior written approval has been given.

VI. Changes:

Changes in the Scope of Work or of services may only be made by written amendment signed by both City and Consultant.

If at any time the City through its authorized representatives, either orally or in writing, requests or issues instructions for extra services or otherwise directs actions that conflict with any provisions of this Agreement, the Consultant shall, within ten (10) days of receipt and prior to pursuing such instructions, notify the City in writing, and to the extent possible, describe the scope and estimated cost of any extra services. Unless so notified by the Consultant, the City may assume such instructions have not changed any provisions of this Agreement nor require additional compensation. No additional payments shall be made to the Consultant without such notice.

VII. Audits and Records:

The Consultant shall maintain records of all performances, communications, documents, and correspondence pertinent to this Agreement, and the City or its authorized representatives shall have the right to examine such records and accounting procedures and practices.

The materials described in the Article shall be made available at the business office of the Consultant, at all reasonable times, for inspection, audit or reproduction by City or any funding agency, for a minimum of three years from the date (a) of final payment under this Agreement (b) final payment upon claims or disputes, and for such longer period, if any, as may be required by applicable statute or other provisions of this Agreement.

VIII. Inspections:

The City, or any funding agency, has the right to inspect, in the manner and at reasonable times it considers appropriate during the period of this Agreement, all facilities, materials and activities of the Consultant in the performance of this Agreement.

IX. Termination or Suspension:

This Agreement may be terminated by either party upon ten (10) days' written notice if the other party fails substantially to perform in accordance with its terms through no fault of the party initiating the termination (default termination). If the City terminates this

Agreement for Professional Services

Project:

Agreement, the City will pay the Consultant a sum equal to the percentage of work completed that can be substantiated by the Consultant and the City. If the City becomes aware of any fault or defect in the work of the Consultant or nonconformance with this Agreement, the City will give prompt written notice thereof to the Consultant. Should the Consultant's services remain in nonconformance with this Agreement, the percentage of total compensation attributable to the nonconforming work may be withheld.

The City at any time may terminate (convenience termination) or suspend this Agreement for its own needs or convenience. In the event of a convenience termination or suspension for more than three months, the Consultant will be compensated for authorized services and authorized expenditures performed to the date of receipt of written notice of termination plus reasonable termination expenses. NO fee or other compensation for the uncompleted portion of the services will be paid, except for already incurred indirect costs which the Consultant can establish and which would have been compensated for over the life of this Agreement, but because of the convenience termination would have to be absorbed by the Consultant without further compensation.

If state or federal funds support this Agreement, settlement in the event of default or convenience termination must be approved by the City and any appropriate state or federal agency.

X. Officials Not to Benefit:

No member of or delegate to Congress, United States Commissioner or other officials of federal, state or local government shall be admitted to any share or part of this Agreement or any benefit to arise therefrom. The Consultant warrants that it has not employed or retained any organization or person, other than a bona fide employee working for the Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any consideration contingent upon or resulting from this Agreement.

XI. Independent Consultant:

Except in those instances specifically provided for herein, the Consultant and any of its agents and employees shall act in an independent capacity and not as agents of the City in the performance of the Agreement.

XII. Ownership of Work Products:

Work products produced under this Agreement, except items that have preexisting copyrights, are the property of the City. Payments to the Consultant for services hereunder include full compensation for all work products, field notes, interim work, reports, and other materials produced by the Consultant and its Subconsultants pertaining to this Agreement. Any re-use the City might make of these work products shall be at the City's own risk and the

Agreement for Professional Services

Project:

Contract No.

Cost Code:

Consultant shall not incur any liability for the City's re-use of the work products on any project for which they were not intended.

XIII. Subconsultants, Successors and Assigns:

The City must concur in the selection of all Subconsultants for professional services to be engaged in performance of this Agreement.

As soon as practicable after the award of the contract, the Consultant shall furnish to the City in writing the names of the proposed Subconsultants for each of the principal portions of the work. The City shall promptly notify the Consultant if it has reasonable objection to any of the proposed Subconsultants. Failure of the City to give prompt notification shall constitute notice of no reasonable objection. The Consultant shall not contract with any Subconsultant to whom the City has made reasonable objection.

If this Agreement includes named firms or individuals, then such firms or individuals shall be employed for the designated services, unless the Agreement is changed by amendment.

The Consultant shall not assign, sublet or transfer any interest in this Agreement without the prior written consent of the City.

The Consultant binds itself, its partners, its Subconsultants, assigns and legal representatives to this Agreement and to the successors, assigns and legal representatives of the City with respect to all covenants of this Agreement.

The Consultant shall include provisions appropriate to effectuate the purposes of this Appendix C in all subcontracts executed to perform services under this Agreement in which subcontract amount exceeds \$40,000.

XIV. Claims and Disputes:

If the Consultant becomes aware, or reasonably should have become aware of any act or occurrence which may form the basis of a claim, the consultant shall immediately inform the City's Project Manager. If the matter cannot be resolved within seven (7) days, the Consultant shall within the next fourteen (14) days submit written notice of the facts which may form the basis of the claim.

In addition, all claims by the Consultant for additional compensation or an extension of the time for performance of any dispute regarding a question of fact or interpretation of this Agreement shall be presented in writing by the Consultant to the City's Project Manager within the next sixty (60) days unless the Project Manager agrees in writing to an extension of time for good cause shown. Good cause shown includes time for the Consultant to prepare the claim, and the City's Project Manager will grant an extension of not more than

Agreement for Professional Services

Project:

sixty (60) days for preparation of the claim. The Consultant agrees that unless these written notices are provided, the Consultant shall not be entitled to additional time or compensation for such act, event or condition. The Consultant shall in any case continue diligent performance under this Agreement. The Consultant shall in any case continue to expeditiously accomplish disputed services pending future resolution of the Consultant's claim unless notified by the City to stop work on the disputed matter.

In presenting any claim, the Consultant shall specifically include, to the extent then possible, the following:

- The provisions of this Agreement that apply to the claim and under which it is made.
- The specific relief requested including any additional compensation claimed and the basis upon which it was calculated and/or the additional time requested and the basis upon which it was calculated.
- The claim will be acknowledged in writing by the City's Project Manager. If the claim is not disposed of within sixty (60) days of acknowledgement, provided additional time is not granted in writing by the City's Contract Officer, the claim will be decided by the City's Contract Officer. The Contract Officer reserves the right to make a written request to the Consultant at any time for additional information that the Consultant may possess to support the claims(s). The Consultant agrees to provide the City such additional information within thirty (30) days of receipt for such a request. The City's Contract Officer will allow a reasonable time extension for good cause if presented in writing prior to the expiration of the thirty (30) days. Failure to furnish such additional information constitutes a waiver of claim.
- The Consultant will be furnished a written, signed copy of the Contract Officer's decision within ninety (90) days of receipt of all necessary information from the Contractor upon which to base the decision. The Contract Officer's decision is final and conclusive unless, within thirty (30) days of receipt of the decision, the Consultant delivers a notice of appeal to the City Manager. The notice of appeal shall include specific exceptions to the City's decision including specific provision of this Agreement which the Consultant intends to rely upon on appeal. General assertions that the City's decision is contrary to law or to fact are not sufficient.
- The decision of the City Manager will be rendered within 120 days of notice of appeal and the decision constitutes the exhaustion of contractual and administrative remedies.

Failure to comply with the provision for maintaining the insurance in effect for one year following the date of final payment may be cause for the Owner to refrain from dealing with the Consultant in the future.

XV. Extent of Agreement:

This Agreement, including appendices, represents the entire and integrated Agreement between the City and the Consultant and supersedes all prior negotiations, representations or agreements, either written or oral.

Nothing contained herein may be deemed to create any contractual relationship between the City and any Subconsultants or material suppliers; nor may anything contained herein be deemed to give any third party a claim or right of action against the City or the Consultant that does not otherwise exist without regard to this Agreement.

This Agreement may be changed only by written amendment executed by both the City and the Consultant.

All communications that affect this Agreement must be made or confirmed in writing.

The Consultant receiving final payment will execute a release, if required, relinquishing in full all claims against the City arising out of or by reason of the services and work products furnished under this Agreement.

The Consultant shall pay all federal, state and local taxes incurred by the Consultant and shall require payment of such taxes by any Subconsultant or any other persons in the performance of this Agreement.

Dear Audit Committee or Mayor,

We are pleased to confirm our understanding of the services we are to provide for City of Valdez for the year ended December 31, 2024.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information, including the disclosures, which collectively comprise the basic financial statements, of City of Valdez as of and for the year ended December 31, 2024. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), to supplement City of Valdez's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to City of Valdez's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary comparison schedules.
- 3) Schedules of proportionate share of the net pension and the OPEB liabilities (assets) and contributions.

We have also been engaged to report on supplementary information other than RSI that accompanies City of Valdez's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a separate written report accompanying our auditor's report on the financial statements or in a report combined with our auditor's report on the financial statements.

- 1) Schedule of expenditures of federal awards and related notes.
- 2) Schedule of state financial assistance and related notes.
- 3) Additional supplementary information.

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal and state statutes, regulations, and the terms and conditions of federal and state awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*.

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance, and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have identified the following significant risks of material misstatement as part of our audit planning:

- 1) Improper revenue recognition.
- 2) Management override of internal controls.

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*. As required by the Uniform Guidance, and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal and state award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of City of Valdez's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations, and the terms and conditions of federal and state awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB and State Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of City of Valdez's major programs. For federal and state programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on City of Valdez's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*.

Responsibilities of Management for the Financial Statements and Single Audit

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal and state awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, schedule of state financial assistance, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal and state statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, schedule of state financial assistance, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for the 12 months after the financial statements date or shortly thereafter (for example, within an additional three months if currently known). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, and (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; schedule of state financial assistance, federal and state award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, it is management's responsibility to evaluate and monitor noncompliance with federal and state statutes, regulations, and the terms and conditions of federal and state awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan.

You are responsible for identifying all federal and state awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards, schedule of state financial assistance (including notes and noncash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. You agree to include our report on the schedule of expenditures of federal awards, schedule of state financial assistance in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards and schedule of state financial assistance. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards, and schedule of state financial assistance that includes our report thereon or make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards and schedule of state financial assistance, no later than the date the schedule of expenditures of federal awards, schedule of state financial assistance is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards and schedule of state financial assistance, in accordance with the Uniform Guidance; and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, and (2) you believe the schedule of expenditures of federal awards, and schedule of state financial assistance including its form and content, is stated fairly in accordance with the Uniform Guidance; and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards and schedule of state financial assistance.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon or make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Other Services

We will also assist in preparing the Data Collection Form, financial statements, schedule of expenditures of federal awards, schedule of state financial assistance, and related notes of City of Valdez in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*, based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, schedule of state financial assistance, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, the schedule of expenditures of federal awards, schedule of state financial assistance, and related notes and that you have reviewed and approved the financial statements, the schedule of expenditures of federal awards, schedule of state financial assistance, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to City of Valdez; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Altman, Rogers & Co. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Cognizant Agency, Oversight Agency for Audit, or Pass-through Entity, or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Altman, Rogers & Co. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Cognizant Agency, Oversight Agency for Audit, or Pass-through Entity. If we are aware that a federal and state awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Grant Todd is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit in March 2025.

The estimated fee for our services will be \$94,800 including out-of-pocket costs. This fee is based on two federal and four state programs selected as major programs for compliance purposes. Each additional compliance program will increase the fee by \$1,500. This estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered. If significant additional time is necessary, we will discuss it with you and arrive at a new fee before we incur the additional costs. Preparation of the Data Collection Form for the Federal Audit Clearinghouse is included in this fee.

Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the engagement. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the governing board of City of Valdez. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits* report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *State of Alaska Audit Guide and Compliance Supplement for State Single Audits*. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to City of Valdez and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Sincerely,

ALTMAN, ROGERS & CO.

Grant R. Todd, CPA
Principal

ITEM TITLE:

Approval of Contract with Harris sand & Gravel Inc. for Pavement Management Phase III-B Pioneer Drive in the Amount of \$2,586,057.50

SUBMITTED BY: Brad Sontag, Capital Facilities Project Manager

FISCAL NOTES:

Expenditure Required: \$2,586,057.50
Unencumbered Balance: \$2,600,000.00
Funding Source: 310-1118-55000

RECOMMENDATION:

Approve the contract with Harris sand & Gravel Inc. for Pavement Management Phase III-B Pioneer Drive in the amount of \$2,586,057.50

SUMMARY STATEMENT:

Project Funding:

Currently there is only a \$2,000,000.00 unencumbered balance for this project. A budget resolution is presented within this agenda to transfer \$600,000.00 from the Rural Roads Assessment project to this project. This will bring the unencumbered balance to 2,600,000.00 to fully fund the Pavement Management Phase III-B Pioneer Drive project.

Project Name and Phasing Clarification:

The Pioneer Drive Phase III-B project is part of Pavement Management Plan Phase IV along with Meals Ave & Robe River Drive. When Meals was designated to be funded with outside Grants we prioritized Pioneer as a separate project. At the time we separated the scope, the name was modified to Phase III-B to keep the designs clearly defined and separate and to keep funding discrete. We applied for grant funding for Meals with the "Pavement Management Phase IV" and in order to not confuse grantor agencies or jeopardize outside funding Pioneer was titled Phase III-B.

Phase III-B - Pioneer (Meals to Hazelet)

Phase IV - Meals & Robe River Drive

Phase V - cul-de-sacs west of Meals

Phase VI - Remainder of Pioneer (TBD)

Project Description:

Base Bid - Harris Sand & Gravel Inc. will provide all labor, equipment, and materials necessary for the reconstruction of Pioneer Drive from Meals Avenue to Hazelett Avenue. The scope of work includes demolition, excavation, paving, and new concrete to reconstruct the asphalt roadway, curb/gutter, and sidewalks. Some of the existing storm drain systems will be replaced, including storm drain structures/catch basins. Replacement of three fire hydrants. Installation of new water service lines to the Subway Restaurant and KCHU Radio buildings. Demolition and Installation of new streetlights and load center. Installation of all signs and traffic markings.

A premium Asphalt mix will be used for this project. This marginally increases the overall cost of the project but will significantly increase the lifespan of the roadway. The highest quality binders, polymers and chemicals are used in the mix to improve the flexibility and strength of the asphalt pavement. Smaller aggregate is also used to make for better compaction of the asphalt. With an increase of freeze/thaw events that damage roadways in Valdez during the winter the added strength and flexibility of this asphalt will improve the lifespan of the roadway and require less annual maintenance.

Alternate #3 (included) - HDPE conduit replaces ridged conduit for the street lighting. This is a deductive cost to the project and will also save on project completion time. The HDPE conduit is easier to install, more suitable for Valdez climate, and has a longer life span.

Alternate #4 (included)- Asphalt replaces portions of concrete sidewalk. This is a deductive cost to the project and will also save on project completion time. Asphalt sidewalks are easier to install, more suitable for Valdez climate, have a longer life span, and require less maintenance.

Alternates #1 and #2 (excluded): Additive Alternate #1 - Excavation and replacement of soil west of bike path on Barney Meyring Park Strip and Additive Alternate #2 - Regrade, Level, and reseed soil east of bike path on Barney Meyring Park Strip will not be awarded to this contract. Instead, \$100,000.00 will be added to the owner's contingency line-item amount and value engineering will be used to make some of the improvements detailed in the scope of work. For this reason, the total owner's contingency amount will be \$250,000.00.

Construction Schedule: Contractor will begin mobilizing and start construction in May 2025. All paving must be completed by September 15, 2025. The substantial completion date for the entire project is October 31, 2025.

Bidding: This project was out to bid for a total of 25 days. Bids were received through Bid Express and opened on February 7, 2025, at 10:00 am Alaska time. Only one Bid was received for this project.

Liquidated Damages: Five Hundred dollars (\$500) for each calendar day after the completion date during which the project remains incomplete.

Engineer's Estimate: The engineer's estimate was \$3,150,00.00

COV Project Manager Estimate: The City's project manager's estimate was under \$3,000,000.00

Design Review: Brad Sontag, Project Manager City of Valdez; Nate Duval, Capital Facilities Director City of Valdez; Nickolas Conway, Project Engineer DOWL.

Invitation to Bid**

January 14, 2025:

**Project: Pavement Management Phase III B Pioneer Drive
Project Number: 25-310-1118 / Contract Number: 2311**

This project includes, but is not necessarily limited to:

Base Bid -Providing all labor, equipment, and materials necessary for the reconstruction of Pioneer Drive from Meals Avenue to Hazelett Avenue. The scope of work includes demolition, excavation, paving, and new concrete to reconstruct the asphalt roadway, curb/gutter, and sidewalks. Some of the existing some drain systems will be replaced, including storm drain structures/catch basins. Replacement of three fire hydrants. Installation of new water service lines to the Subway Restaurant and KCHU Radio buildings. Demolition and Installation of new streetlights and load center. Installation of all signs and traffic markings.

Additive Alternate #1 – Excavation and replacement of soil west of bike path on Barney Meyring Park Strip.

Additive Alternate #2 – Regrade, Level, and reseed soil east of bike path on Barney Meyring Park Strip.

Alternate #3 – HDPE conduit replaces ridged conduit. (Presumed deductive alternate)

Alternate #4 – Asphalt replaces portions of concrete sidewalk. (Presumed deductive alternate)

The scope of work is more specifically described in the attached drawings titled “Valdez Pavement Rehabilitation Phase IIIB”.

Alternate bids will be awarded in order most advantageous to the City of Valdez.

Engineers Estimate for construction under \$3,000,000.

Sealed bids will be accepted electronically until 10:00am local time on February 7, 2025, at www.bidexpress.com. The bids will be publicly opened at that time.

A non-mandatory pre-bid conference will be held at the office of the Capital Facilities Director, 300 Airport Road, Suite 201, Valdez, Alaska on January 21, 2025, at 2:00 pm.

Please contact the City’s project manager, Brad Sontag (bsontag@valdezak.gov) if you would like to join this meeting remotely via Microsoft Teams.

Complete sets of the bid documents may be purchased from Digital Blueprint, 903 West Northern Lights Blvd., Anchorage, AK 99503, (907) 274-4060. Bid documents may also be downloaded from the City of Valdez solicitation page at www.bidexpress.com. Bidders are encouraged to register as a plan holder at the link listed within the bid posting to ensure receipt of any addendum issued for this project.

Deadline for questions is February 4, 2025, at 4:30 pm.

Bid security in the amount of 5% of the total bid is required.

The City reserves the right to waive any irregularities or informalities in a bid and to reject any and all bids without cause.

Current minimum prevailing wage rates as published by the Alaska Department of Labor must be paid if required by law.

Requirements of the Alaska Employment Preference (AS 36.10) must be met.

The City of Valdez encourages disadvantaged, minority and women-owned firms to respond and is available to assist said firms in learning how to do business with the City.

The City of Valdez "Standard Specifications and Standard Details" shall be used. An electronic copy is available from the City of Valdez website at <http://www.valdezak.gov> under "standards and specifications" located on the "quick links" portion of the Capital Facilities Department page.

**City of Valdez
Instructions to Bidders**

**Project: Pavement Management Phase III B Pioneer Drive
Project Number: 25-310-1118 / Contract Number: 2311**

CAUTION:

Your bid may be rejected if it is not properly executed. Check that the following items have been accomplished to help assure a responsive bid. Please read Sections 6 and 7 carefully.

1. Bid Form
 - A. The Bid Form has been executed and signed.
 - B. Addendum Acknowledgement Form has been executed and signed.
2. Bid Security or Bid Bond
 - A. An executed Bid Security (Bid Bond) in the amount indicated on the Invitation to Bid.
 - B. Verify that the Certificate showing the Corporate Principal on the form is executed if applicable.
3. Alaska Business License, a copy of your current license must be included.
4. Alaska Contactor Certificate of Registration
 - A. A copy of your current Alaska Contractor License of Registration in the bidder's name must be included with the bid.
 - B. The Contractor is required to verify that the appropriate license(s) is in place prior to submitting their bid for the project's scope of work.
5. A bid may be rejected if it contains any alterations or erasures that are not initialed by the signer of the bid.

Note: Any certified checks may be held uncollected at the risk of bidders submitting them.

1. General

Bidders are requested to study and follow these instructions about the method and form for submitting bids to avoid having their bid rejected.

Bidders will find all required forms and documents contained within this assembly. Please notice under Section 7, Required Documents for Bid, as to which forms and documents are required for your bid to be considered.

2. Explanation to Bidders

Requests from bidders concerning interpretations or clarifications of the bid documents shall be made in writing to the project manager or project engineer through Bid Express at www.bidexpress.com. Such requests shall arrive at least three working days prior to the date for opening bids. There needs to be sufficient time allowed for a reply to reach all bidders before the submission of the bids. Explanations made will be in the form of an addendum to the specifications or drawings and will be furnished to all bidders and receipt of the addendum must be acknowledged on the Addendum Form.

3. Site Conditions

Bidders are encouraged to visit the site to ascertain pertinent local conditions, location, accessibility, terrain, labor conditions, conditions of surrounding areas, and any other aspect that may impact the project.

4. Addenda Requirements

All bids must include the Addendum Acknowledgement Form. If addendums have been issued the bidder must state on the form all the addendums have been acknowledged. If no addendums were issued then the bidder is to write “NONE” on the form. The Addendum Acknowledgement Form shall be reviewed prior to acceptance of the bid.

5. Submissions of Bids

All bids must be submitted electronically through Bid Express at www.bidexpress.com. Hard copy or paper submissions will not be accepted.

All electronic bidders must first register on bidexpress.com. Instead of paying paper bidding costs (hand or hired delivery costs), a fee of \$40 will be incurred for those who wish to bid electronically on a pay-per solicitation basis. Alternatively, you may subscribe for \$50 per month for unlimited electronic bid submission for all agencies posting solicitations on the bidexpress.com website, plus get email notifications by agency/work type/commodity code.

For bidders who are bidding online and wish to utilize the electronic bid bond option, please see the [FAQs](#) page regarding electronic bid bonds (bottom of the page in the link).

For additional guidance, please contact the Bid Express team at toll free (888) 352-2439 (select option 1) or at support@bidexpress.com

6. Preparation of Bids

Bids shall be submitted on the forms furnished on Bid Express.

The Bid Form will provide for quotation or price for all items. Bidders must quote on all items. Failure to do so may result in disqualification. Alternative bids will not be acceptable unless requested.

Bids can be modified until the bid deadline on Bid Express. Modification by facsimile or email will NOT be allowed for bids.

7. Required Documents for Bid

The following listed documents are to be completed and submitted at the time of bidding. Deviation from these requirements will be grounds for rejection of the bid.

- A. Addendum Acknowledgement Form, fully completed original (see Item 6 above also)
- B. Bid Schedule, fully completed original (see Item 6 above also)
- C. Bid Bond, original
- D. Copy of current and appropriate Alaska Contractor License for this Scope of Work.
- E. Copy of current Alaska Business License

8. Required Documents for Award of the Contract

The following documents must be executed prior to award of the contract and the initiation of work. Contractors are urged to expedite the completion of these documents. This will allow the contract award and notice to proceed to be issued expeditiously. These documents must be submitted within ten (10) working days after the date of notice of award.

- A. Agreement Pages (2 signed copies)
- B. Entity Acknowledgement (Corporate, LLC, Limited Partnership, Individual)
- C. Non-collusion Affidavit
- D. Contract Bond (Payment Bond: See Bonding Requirements below)
- E. Contract Bond (Performance Bond: See Bonding Requirements below)
- F. Certificate of Insurance naming City of Valdez as an "Additional Insured"
- G. Original signature pages (last page of bid schedule and bid bond)
- H. Certificate of good standing for a Corporation or LLC
- I. City of Valdez Business Registration
- J. Executed W-9 Form
- K. Proof of application for City of Valdez building permit submitted to the Planning Department.

9. Bonding Requirements

- A. Bid Security (Bid Bond or Certified Check)

Bid Security is required and shall be in the form of a Certified Check for each bid or a Bid Bond prepared on the attached Bid Bond Form.

The Bid Bond must be executed by the bidder as principal and be executed by a surety company authorized to transact business in the State of Alaska. The Owner must approve the surety company.

The Bid Security shall be issued for five percent (5%) of the bid amount.

Bid Securities will be returned to all except the three lowest bidders. The remaining certified checks or bid bonds will be returned, after the Owner and the accepted bidder have executed the Contract. Failure of the Owner to return the certified checks or bid bonds in a timely manner will create no liability on the part of the Owner. If no award has been made within sixty (60) days after the bid opening, all bidders except the one

who has received the notice of intent to award may request the return of their cash, check or bid bonds.

B. Contract Payment Bond

A Contract Payment Bond is not required if the total dollar amount of the contract is less than One Hundred Thousand Dollars (\$100,000).

A Contract Payment Bond is required if the total dollar amount of the contract is equal to or greater than One Hundred Thousand Dollars (\$100,000). Contract Payment Bond will be in the amount of One Hundred Percent (100%) of the Bid amount.

Contract Payment Bond shall be prepared on the Payment Bond Form that is attached. The Bond must be executed by the Contractor as principal and executed by a surety company authorized to transact business in the State of Alaska. The Owner must approve the surety company.

C. Contract Performance Bond

A Contract Performance Bond is not required if the total dollar amount of the contract is less than One Hundred Thousand Dollars (\$100,000).

A Contract Performance Bond is required if the total dollar amount of the contract is equal to or greater than One Hundred Thousand Dollars (\$100,000). Contract Performance Bond will be in the amount of One Hundred Percent (100%) of the Bid amount.

Contract Performance Bond shall be prepared on the Performance Bond Form that is attached. The Bond must execute by the Contractor as principal and executed by a surety company authorized to transact business in the State of Alaska. The Owner must approve the surety company.

Section 2.80.080 of Valdez City Code provides for a modified contractor bond. Bidders shall familiarize themselves with exemptions allowed and the requirements for exemptions.

10. Bidder Qualifications

Before a bid is considered for award, the apparent low bidder may be requested to submit a statement of facts or proof in detail as to his previous experience in performing similar or comparable work, technical abilities, equipment, size, manpower and financial resources to complete and perform the work as outlined in the contract documents, plans and specifications.

11. Withdrawal of Bids

Bids may be withdrawn by written request received from the bidder prior to the bid opening time. Errors on the part of the bidder in preparing the bid, confers no right for the withdrawal of the bid after the bid has been opened.

12. Bidders Interested in More than One Bid

If any one party, by or in name of his or their agent, partner or other person, offers more than one bid, all such bids will be rejected. A party who quoted prices to a bidder is not disqualified from quoting prices to other bidders or from a bid directly for the work.

13. Rejection of Bids

The Owner reserves the right to reject any and all bids, when such rejection is in the interest of the Owner; to reject the bid of a bidder who previously failed to perform properly or to complete on time; and to reject the bid of a bidder who is not, in the opinion of the Owner in, in a position to perform the contract; or to waive any irregularities or informalities in a bid.

14. Hiring of Local Labor

The Owner encourages every Contractor and Subcontractor to employ, to the maximum extent practical and allowed by law, qualified people who regularly reside in the project area.

15. Local Bidder Preference

The Valdez City Code provides for a local bidder preference as follows:

Section 2.80.020 Definitions

“Local bidder” means a bidder that is not delinquent in the payment of any taxes, fees, assessments, or other charges owing the city and satisfies one of the requirements set forth in subsections (1) through (3) of this definition for a period of eighteen consecutive months immediately prior to the opening of a competitive city bid for which the bidder wishes to utilize the local bidder preference:

1. If the bidder is a corporation or limited liability company, the bidder’s primary business address has a city of Valdez postal zip code, as reflected on the bidder’s state of Alaska business license or the records of the State of Alaska Department of Commerce, Community and Economic Development, Division of Corporations;
2. If the bidder is an individual, the bidder’s primary business or residential address has a city of Valdez postal zip code, as reflected on the bidder’s state of Alaska business license;
3. If the bidder is a general partnership, a limited partnership, or a joint venture, at least one of the general partners has a postal zip code compliant with subsection (1) or (2) of this definition.

Section 2.80.065H Competitive Bidding

Except where prohibited by state or federal grant requirements, a local bidder, as defined in Section 2.80.020, may be given consideration as low bidder where the offer is the lesser of ten percent or fifty thousand dollars in excess of the lowest offer received from a bidder not qualified as a local bidder. The city may split the award between two or more suppliers in any manner the city deems to be in its best interest.

16. Award of Bid

The bid, if awarded, will be awarded to the lowest responsive responsible bidder as determined by the terms of the City Code and this document.

Alternate bids will be awarded in order most advantageous to the City of Valdez.

17. Pre-Bid Conference

A non-mandatory Pre-Bid Conference will be held January 21, 2020, at 2:00 pm at the office of the Capital Facilities Director, Suite 201 300 Airport Road, Valdez, Alaska.

Please contact the City's project manager, Brad Sontag (bsontag@valdezak.gov) if you would like to join this meeting remotely via Microsoft Teams.

18. Pre-Award Conference

Before the award of the contract a Pre-Award Conference may be held between the Engineer or Project Manager and the apparent low bidder.

This Power of Attorney is made and executed pursuant to and by authority of the following By-laws and Authorizations of The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company which resolutions are now in full force and effect reading as follows:

ARTICLE IV – OFFICERS: Section 12. Power of Attorney.

Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.

Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 7 day of February, 2025.

Labor and Material Payment Bond

Project: Pavement Management Phase III B Pioneer Drive
Project Number: 25-310-1118 / Contract Number: 2311

NOW, THEREFORE, THE CONDITION OF THIS OBLIGATION is such that, if Principal shall promptly make payment to all claimants as hereinafter defined, for all labor and material used or reasonably required for use in the performance of the Contract, then this obligation shall be void; otherwise it shall remain in full force and effect, subject, however, to the following conditions:

1. A claimant is defined as one having a direct contract with the Principal or with a Subcontractor of the Principal for labor, material, or both, used or reasonably required for use in the performance of the Contract, labor and material being construed to include that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental of equipment directly applicable to the Contract.

2. The above named Principal and Surety hereby jointly and severally agree with the Owner that every claimant as herein defined, who has not been paid in full before the expirations of a period of ninety (90) days after the date on which the last of such claimant's work or labor was done or performed or materials were furnished by such claimant, may sue on this bond for the use of such claimant, prosecute the suit to final judgment for such sum or sums as may be justly due claimant, and have execution thereon. The Owner shall not be liable for the payment of any costs or expenses of any such suit.

3. No suit or action shall be commenced hereunder by any claimant:

a) Unless claimant, other than one having a direct contract with the Principal, shall have given written notice to any two of the following: the Principal, the Owner, or the Surety above named, within ninety (90) days after such claimant did or performed the last of the work or labor, or furnished the last of the materials for which said claim is made, stating with substantial accuracy the amount claimed and the name of the party to whom the materials are

furnished, or for whom the work or labor was done or performed. Such notice shall be served by mailing the same by registered mail or certified mail, postage prepaid, in an envelope addressed to the Principal, Owner or Surety, at any place where an office is regularly maintained for the transaction of business. Or served in any manner in which legal process may be served in the state in which aforesaid project is located, save that such service need not be made by a public officer.

b) After the expiration of one (1) year following the date on which Principal ceased Work on said Contract, it being understood, however, that if any limitation embodied in this bond is prohibited by any law controlling the construction hereof such limitation shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

c) Other than in a state court of competent jurisdiction in and for the county of other political subdivision of the state in which the Project, or any part thereof is situated, or in the United States District Court for the district in which the Project, or any part thereof, is situated, and not elsewhere.

4. The amount of this bond shall be reduced by and to the extent of any payment of payments made in good faith hereunder, inclusive of the payment by Surety or mechanic's liens which may be filed of record against said improvement, whether or not claim for the amount of such lien be presented under and against the bond

Now, therefore the condition of this obligation is such that, if Contractor shall promptly and faithfully perform said Contract, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

The Surety hereby waives notice of any alteration or extension of time made by the Owner.

Whenever Contractor shall be, and declared by Owner to be in default under the Contract, the Owner having performed Owner's obligations thereunder, the Surety may promptly remedy the default, or shall promptly comply with one of the following:

1. Complete the Contract in accordance with its terms and conditions, or
2. Obtain a bid or bids for completing the Contract in accordance with its terms and conditions, and upon determination by Surety of the lowest responsible bidder, or, if the Owner elects, upon determination by the bidder, arrange for contract between such bidder and Owner, and make available as Work progresses (even though there should be a default or a succession of defaults under the contract or contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of the contract price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term "balance of the contract price," as used in this paragraph, shall mean the total amount payable by Owner to contractor under the Contract and any amendments thereto, less the amount properly paid by Owner to Contractor.

Any suit under this bond must be instituted before the expiration of two (2) years from the date on which final payment under the Contract falls due.

No right of action shall accrue on this bond to or for the use of any person or corporation other than the Owner named herein or the heirs, executors, administrators or successors of the Owner.

City of Valdez Special Provisions

**Project: Pavement Management Phase III B Pioneer Drive
Project Number: 25-310-1118 / Contract Number: 2311**

SP 01 General Statement

The Special Provisions set forth conditions and requirements unique to this Project and are supplemental to, and supersede, the City of Valdez “Standard Specifications and Standard Details.”

SP 02 Scope of Work

Base Bid

The Scope of Work of the Base Bid of this Contract shall include providing all labor, materials, tools, equipment, transportation, supervision and facilities necessary to:

The reconstruction of Pioneer Drive from Meals Avenue to Hazelett Avenue. The scope of work includes demolition, excavation, paving, and new concrete to reconstruct the asphalt roadway, curb/gutter, and sidewalks. Some of the existing some drain systems will be replaced, including storm drain structures/catch basins. Replacement of three fire hydrants. Installation of new water service lines to the Subway Restaurant and KCHU Radio buildings. Demolition and Installation of new streetlights and load center. Installation of all signs and traffic markings.

Alternate Bid(s)

The Scope of Work of the following Additive Alternate and Alternate Bids of this Contract shall include providing all labor, materials, tools, equipment, transportation, supervision and facilities necessary to:

Additive Alternate #1 – Excavation and replacement of soil west of bike path on Barney Meyring Park Strip.

Additive Alternate #2 – Regrade, Level, and reseed soil east of bike path on Barney Meyring Park Strip.

Alternate #3 – HDPE conduit replaces ridged conduit. (Presumed deductive alternate)

Alternate #4 – Asphalt replaces portions of concrete sidewalk. (Presumed deductive alternate)

Alternate bids will be awarded in order most advantageous to the City of Valdez.

The scope of work is more specifically described in the attached drawings titled “Valdez Pavement Rehabilitation Phase IIIB”.

SP 03 Time of Completion

All work shall be completed in accordance with the Contract Documents by October 31, 2025, from the date of the written Notice to Proceed. All roadway and/or sidewalk asphalt paving must be completed before September 15, 2025.

Liquidated damages will be assessed in the sum of Five Hundred dollars (\$500) for each calendar day after the completion date during which the Project remains incomplete.

Substantial Completion: Substantial Completion shall be defined as the stage in the progress of the work when the work is sufficiently complete in accordance with the Contract Documents so the Owner (City) can occupy or use the structure or that which is the subject of the contract, for its intended use.

SP 04 Special Site Conditions

The Contractor will be responsible for the disposal of all refuse and debris generated by the project. The City has, on a limited 'first come first served' basis, dumpsters for use free of charge on City projects if available.

Dump fees will be waived. The Contractor will be responsible for hauling demolished materials and construction waste out to the City Baler facility on South Sawmill Drive. The Baler is located approximately 5 miles out of town. Please contact the Baler ahead of time to make arrangements for the disposal of such materials. The Baler's number is 907-835-2356. The project name or contract number will be required on all Baler disposal forms and when calling to reserve or empty dumpsters.

Local building permit fees are waived. The Contractor will be responsible for obtaining any required local building permits before the NTP is issued. The Contractor will need to call the City Planning Department at 907-834-3401.

Staging area will be the City owned snow lot on the corner of Pioneer Drive and Tatitlek Avenue. Addition staging areas will be determined at the pre-construction meeting.

The Contractor will be responsible for moving furniture and other items necessary to complete the work.

The Contractor is responsible for setting up detours or barricades if their work is in a public area and will interfere with normal traffic flow.

Dust control measures will be a high priority for this project. Contractor must have a plan in place to keep dust to a minimum 7 days a week, including all holidays.

At least one access point must always be available to any businesses and/or buildings in the project area. Detours and/or optional entrances should be included in the Traffic Control Plan.

This should also include a plan for emergency vehicles/personnel access and a plan for ADA individuals who need access to the area.

SP 05 Hazardous Waste Generation

Every effort to minimize or eliminate the generations of hazardous waste shall be used by the Contractor in the performance of the work of this Contract. Unless there is no substitute, no hazardous material shall be used in the performance of the work of this Contract.

SP 06 Coordination and Schedule

The Contractor shall, within ten (10) working days of the date of the Notice to Proceed, submit to the Engineer a schedule as required in Section 10.5, Control of Work, Article 5.3. The schedule shall be updated every week. An updated schedule shall be submitted with each of the Contractor's Periodic Payment Requests. Failure to provide an updated schedule will be cause to withhold partial payment.

SP 07 Site Preservation, Restoration, Cleanup and Environmental Reporting

The Contractor shall be solely responsible for damage to public or private property caused by construction operations. The Contractor shall take all precautions necessary to control dust. The Contractor shall notify the City of any claims of damage, and shall clean and restore any property so damaged at the sole expense of the Contractor. All spills or releases of any hazardous substance shall be reported to the appropriate governmental agency as well as notice to the City. Contractor shall be responsible for all associated cleanup costs and fines.

At all times during the work, keep the premises clean and orderly. Upon completion of the work, repair all damage caused by equipment and leave the Project free of rubbish and excess materials of any kind.

SP 08 Permits

The Contractor shall obtain all licenses and permits that are required to do the work. A Building Permit will be required but there will be no charge.

A COV building permit is required for the street lighting load center installation.

SP 09 Order of Award of Alternative Bids

Additive Alternate and/or Deductive Alternative Bids will be awarded, if any are awarded, in any order determined to be the most advantageous combination by the owner.

SP 10 Payment

Payments shall be in accordance with Section 10.07, Measurement and Payment of the CVSS. All invoices for payment must be submitted on a City of Valdez *Periodic Payment Request Form*. An electronic copy of this form (Excel Spreadsheet) will be made available for the Contractor's use.

Disbursement of money to a person, firm or corporation will be made only after all the various receivable accounts of the general government and any municipal utility or enterprise have been reviewed for outstanding balances owed, and the disbursement will be reduced by setting off the amount of any delinquent indebtedness due the city from such person, firm or corporation.

All contracts to which the city is a party which will or may involve the disbursement of city funds shall contain the following clause, or its substantial equivalent: "Disbursement of money by the City of Valdez hereunder shall subject to set-off pursuant to the provisions of the Valdez City Code." Such contracts include, but are not limited to, oral contracts, employment contracts, construction contracts, purchasing contracts and contracts of any municipal utility or enterprise, including customer's deposits.

SP 11 References to City of Valdez Standard Specifications (CVSS)

The City of Valdez Standard Specifications & Standard Details, Streets-Drainage-Utilities-Parks, dated April 2003, hereafter referred to as CVSS, are incorporated in and become a part of the Contract Documents for the work, The Standard Specifications are available for purchase from the Engineer's Office of the City of Valdez, P.O. Box 307, Valdez, Alaska 99686 or can be downloaded from the City's website at <https://www.valdezak.gov/228/Capital-Projects-Engineering>. All work under this Contract shall comply with the latest edition and addenda to all applicable codes, ordinances, and standards.

It shall be the responsibility of the Bidder to prepare his bid so all materials and/or different arrangements of connections or fittings shall harmoniously conform with the intent of the Contract Drawings, CVSS, and the Special Provisions.

SP 12 Construction Specifications

The Specifications for construction of the work of this Project are incorporated into the following pages and on the attached drawing titled "Valdez Pavement Rehabilitation Phase IIIB". These drawings are by reference included herein.

In accordance with the requirements of AS 36.05.070 and AS 36.05.080, the following provisions are included where applicable:

- (1) The Contractor or subcontractors of the Contractor shall pay all employees unconditionally and not less than once a week;
- (2) wages may not be less than those stated in the advertised specifications, regardless of the contractual relationship between the Contractor or subcontractors and laborers, mechanics, or field surveyors;
- (3) the scale of wages to be paid shall be posted by the Contractor in a prominent and easily accessible place at the site of the work;
- (4) Owner shall withhold so much of the accrued payments as is necessary to pay to laborers, mechanics, or field surveyors employed by the Contractor or subcontractors the difference between
 - (A) the rates of wages required by the contract to be paid laborers, mechanics, or field surveyors on the work; and
 - (B) the rates of wages in fact received by laborers, mechanics, or field surveyors.
- (5) If it is found that a laborer, mechanic, or field surveyor employed by the Contractor or subcontractor has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid, the Owner may, by written notice to the Contractor, terminate the Contractor's right to proceed with the work or the part of the work for which there is a failure to pay the required wages and to prosecute the work to completion by contract or otherwise, and the Contractor and the Contractor's sureties are liable to Owner for excess costs for completing the work.

CITY OF VALDEZ
Project Title: Pavement Management Phase III B Pioneer Drive
Project No.: 25-310-1118
Contract No.: 2311

TO: All Recipients

Date: January 31, 2025

SUBJECT: Addendum No.1

This Two (2) page Addendum forms a part of the project scope documents and modifies the project scope for the above-referenced project. **Acknowledge receipt of this Addendum in the space provided on the Bid Form.** Failure to do so may subject the Bidder to disqualification.

This Addendum makes the following changes and/or clarifications:

Clarification: Only “Section 60.19 Existing Structure Cleaning and Inspection”, of the Special Provision/Modifications to the City of Valdez Standard Specification apply to this project. Disregard all other sections of the sections of this document that were included in the invitation to bid.

Please see the attached document titled “Revised Special Provision - Pavement Management Phase IIB Pioneer Drive” for bidding and construction purposes.

Clarification: A TTCP (Temporary Traffic Control Plan) for the work at the intersection of Pioneer Drive and Hazlett Avenue has been provided by DOWL with guidance from the Alaska Department of Transportation. The Contractor must follow these minimum requirements noted in the DOWL TTCP Sheet (See Attached).

The contractor is still required to submit a complete TCP for the entire project with the DOWL TTCP sheet included. Please see the attached DOWL TTCP Sheet.

All costs associated with these requirements shall be added to line item #43 Traffic Maintenance (TCP) in the bid Schedule.

Questions:

- 1) How many existing Storm Drain structures will the City of Valdez like to be coated and would they like any of the new structures coated?

Response: New structures should be installed per COV specifications, including any coatings. Existing structures shall be cleaned and inspected per plans.

- 2) Is the City providing the Hydrant Assembly per City Spec 60-6 or to what extent?

Response: Yes, all Hydrants are owner furnished.

- 3) Could a 4" HDPE or Ductile Line with two 2" inch lines "T'd" off to each building services be used instead of 2-2" inch Copper lines to each building?

Response: Yes, 4" HDPE or Ductile pipe is an acceptable alternative. However, two 2" copper service lines will still be required to connect to each building with individual shut-off valves. The 4' line that T's off main water line must also have its own valve. A thaw wire will also be required on the 4" line whether it's HDPE or Ductile pipe.

- 4) There are two items in the bid schedule for retaining wall removal and retaining wall replacement, items 29 and 30. Could a typical width & height be added to the length?

Response: Retaining wall in items 29 and 30 is a landscape block wall located at ~Sta 112+10, in front of the Prince William Sound College Maintenance Building. It consists of two to three rows of landscape blocks. If new landscape blocks are required, they shall be of the same make and model as the existing ones.

- 5) It shows stairs in front of Subway to be replaced. That is their ADA Ramp access. Would you still want stairs, or could we get a typical for the ADA ramp that would be required?

Response: The existing ADA ramp to the subway in this location is out of compliance and cannot be restored in its existing configuration. The configuration shown in the plans includes stairs and a ramp. See plan sheet C-301. Stair detail is shown on C-404.

- 6) Are we to assume that all work is to be done to Valdez Standard Spec only except for the camera inspections of the piping?

Response: Correct – there is also a special specification for cleaning and inspecting water valves.

- 7) Could we get a line item for the curb & ADA ramps, as well as the stairs on the bid schedule. Or would you like us to include them with the sidewalk bid item & how will those be paid for in the project.

Response: Curb, Ramps, and Stair shall be incorporated into line items 12 and 13 for curb and gutter and PCC sidewalk. Estimated quantity accounts for 6" ramp and landings.

- 8) What is the diameter of the existing water main line on Pioneer Drive in front of the Subway and Radio Station buildings?

Response: The water main line in front of these buildings is presumed to be 8 inches in diameter. If this is found to be incorrect during construction, then changes will be made in the field including costs of time and materials.

REVISED SPECIAL PROVISIONS

Pavement Management Phase IIIB Pioneer Drive

MODIFICATIONS TO CITY OF VALDEZ STANDARD SPECIFICATIONS

The following listed provisions of the C.V.S.S. are amended as hereinafter stated:

ADD

SECTION 60.19 EXISTING STRUCTURE CLEANING AND INSPECTION

Article 19.1 Valve Cleaning and Inspection

Existing valves are to be cleared of any debris. Contractor to perform test valve actuation and record any observations. Contractor shall provide inspection footage of the valve and observations to the engineer for review and acceptance. Engineer will review footage and provide recommendation regarding additional required maintenance or valve replacement.

Article 19.2 Submittals

Submittals are to be provided to the Engineer for review and acceptance as stated in Division 10, Section 10.05, Article 5.6 – Product Data. Submittals, at a minimum, are to include applicable items identified below:

- Contractor shall submit well-lit before and after photos of each valve box cleaned.
- Annotated plan set showing location of each valve box serviced with corresponding identification number that aligns with photos.
- Notes of any deficiencies observed, i.e. missing lid or dust pan, misaligned riser casing and valve box, valves that are frozen and cannot be actuated, etc. Deficiencies shall be captured in photos to the extent feasible.

Article 19.3 Payment

Payment for this work is to be as specified in Division 10, Article 10.07 – Measurement and Payment, and include full payment for all work described in this section. Payment includes all labor, tools, equipment, apparatus and incidentals required to complete the work. At a minimum, no additional payment will be granted for setups, reverse setups, tear downs, relocation, overlapping footage per bid item, lost or damaged equipment, property owner coordination, and additional cleaning during inspection.

Payment will be made under the following units:

REV	DATE	DESCRIPTION

CITY OF VALDEZ
Project Title: Pavement Management Phase III B Pioneer Drive
Project No.: 25-310-1118
Contract No.: 2311

TO: All Recipients

Date: February 5, 2025

SUBJECT: Addendum No. 2

This two (2) page Addendum forms a part of the project scope documents and modifies the project scope for the above-referenced project. **Acknowledge receipt of this Addendum in the space provided on the Bid Form.** Failure to do so may subject the Bidder to disqualification.

This Addendum makes the following changes and/or clarifications:

Questions:

- 1) The contract documents call for 10' arms, but the drawings call for 6' arms. Can you please confirm with Frontier what length is needed? Past phases used poles with 10' arms?

Response - The light pole arms shall be 10' in length. The contractor shall bid a unit and total price for "Line Item #35 10' Mast Arm" as it is posted on Bid Express. Sheet E-001 for both phases will be revised to call out the 10' mast arms but will not be available to the contractor until after bid opening and the contract is awarded.

- 2) Past projects used triangular 3-bolt pole bases. New MOA specs call for square 4-bolt bases. Are we to quote to match previous phases, using triangular 3-bolt pole bases with the old specs?

Response - Yes, the intent was to match the pole bases from previous phases. 3-bolt pattern is sufficient.

- 2b) Or are we to quote per the NEW MOA specs?

Response - No, the 3-bolt pattern per the old MOA standards and past COV paving projects is sufficient.

- 3) The current City of Valdez ITB project# 25-310-1118 “Valdez Pvmnt Rehab phase III B” contains a number of ambiguities in the Street Lighting specification section 26 50 00 B(materials) paragraph 4. I expect that this may have been due to a February 2024 update of the Muni. of Anchorage M.A.S.S. detail sheets that went unnoticed or were not published at the time the specs for your project were put together?

Response - To align with the previous paving project light poles, please use the pre-2024 MOA MASS details for this project. We have used strikethroughs on the 2024 details below that are not to be utilized for this project.

TO ALL CONTRACTING AGENCIES:

At the Alaska Department of Labor and Workforce Development our goal is putting Alaskans to work. This pamphlet is designed to help contractors awarded public construction contracts understand the most significant laws of the State of Alaska pertaining to prevailing wages.

This pamphlet identifies current prevailing wage rates for public construction contracts (any construction projects awarded for the State of Alaska or its political subdivisions, such as local governments and certain non-profit organizations). Because these rates may change in a subsequent determination, please be sure you are using the appropriate rates. The rates published in this edition become effective September 1, 2024.

The prevailing wage rates contained in this pamphlet are applicable to public construction projects with a final bid date of September 11, 2024, or later. As the law now provides, these rates will remain stable during the life of a contract or for 24 calendar months, whichever is shorter. **The 24-month period begins on the date the prime contract is awarded.** Upon expiration of the initial 24-month period, the latest wage rates issued by the department shall become effective for a subsequent 24-month period or until the original contract is completed, whichever occurs first. This process shall be repeated until the original contract is completed.

The term "original contract" means the signed contract that resulted from the original bid and any amendments, including changes of work scope, additions, extensions, change orders, and other instruments agreed to by the parties that have not been subject to subsequent open bid procedures.

If a higher federal rate is required due to partial federal funding or other federal participation, the higher rate must be paid.

For additional copies of this pamphlet go to: <http://labor.state.ak.us/lss/pamp600.htm>

For questions regarding prevailing wage or employment preference requirements, please contact the nearest Wage and Hour office. These offices are listed on Page x.

Sincerely,

A handwritten signature in blue ink that reads "Catherine Muñoz".

EXCERPTS FROM ALASKA LAW

Sec. 36.05.005. Applicability.

This chapter applies only to a public construction contract that exceeds \$25,000.

Sec. 36.05.010. Wage rates on public construction.

A contractor or subcontractor who performs work on a public construction contract in the state shall pay not less than the current prevailing rate of wages for work of a similar nature in the region in which the work is done. The current prevailing rate of wages is that contained in the latest determination of prevailing rate of wages issued by the Department of Labor and Workforce Development at least 10 days before the final date for submission of bids for the contract. The rate shall remain in effect for the life of the contract or for 24 calendar months, whichever is shorter. At the end of the initial 24-month period, if new wage determinations have been issued by the department, the latest wage determination shall become effective for the next 24-month period or until the contract is completed, whichever occurs first. This process shall be repeated until the contract is completed.

Sec. 36.05.040. Filing schedule of employees, wages paid, and other information.

All contractors or subcontractors who perform work on a public construction contract for the state or for a political subdivision of the state shall, before the Friday of every second week, file with the Department of Labor and Workforce Development a sworn affidavit for the previous reporting period, setting out in detail the number of persons employed, wages paid, job classification of each employee, hours worked each day and week, and other information on a form provided by the Department of Labor and Workforce Development.

Sec. 36.05.045. Notice of work and completion; withholding of payment.

- (a) Before commencing work on a public construction contract, the person entering into the contract with a contracting agency shall designate a primary contractor for purposes of this section. Before work commences, the primary contractor shall file a notice of work with the Department of Labor and Workforce Development. The notice of work must list work to be performed under the public construction contract by each contractor who will perform any portion of work on the contract and the contract price being paid to each contractor. The primary contractor shall pay all filing fees for each contractor performing work on the contract, including a filing fee based on the contract price being paid for work performed by the primary contractor's employees. The filing fee payable shall be the sum of all fees calculated for each contractor. The filing fee shall be one percent of each contractor's contract price. The total filing fee payable by the primary contractor under this subsection may not exceed \$5,000. In this subsection, "contractor" means an employer who is using employees to perform work on the public construction contract under the contract or a subcontract.
- (b) Upon completion of all work on the public construction contract, the primary contractor shall file with the Department of Labor and Workforce Development a notice of completion together with payment of any additional filing fees owed due to increased contract amounts. Within 30 days after the department's receipt of the primary contractor's notice of completion, the department shall inform the contracting agency of the amount, if any, to be withheld from the final payment.
- (c) A contracting agency
 - (1) may release final payment of a public construction contract to the extent that the agency has received verification from the Department of Labor and Workforce Development that
 - (A) the primary contractor has complied with (a) and (b) of this section;
 - (B) the Department of Labor and Workforce Development is not conducting an investigation under this title; and
 - (C) the Department of Labor and Workforce Development has not issued a notice of a violation of this chapter to the primary contractor or any other contractors working on the public construction contract; and

- (2) shall withhold from the final payment an amount sufficient to pay the department's estimate of what may be needed to compensate the employees of any contractors under investigation on this construction contract, and any unpaid filing fees.
- (d) The notice and filing fee required under (a) of this section may be filed after work has begun if
 - (1) The public construction contract is for work undertaken in immediate response to an emergency; and
 - (2) The notice and fees are filed not later than 14 days after the work has begun.
- (e) A false statement made on a notice required by this section is punishable under AS 11.56.210.

Sec. 36.05.060. Penalty for violation of this chapter.

A contractor who violates this chapter is guilty of a misdemeanor and upon conviction is punishable by a fine of not less than \$100 nor more than \$1,000, or by imprisonment for not less than 10 days nor more than 90 days, or by both. Each day a violation exists constitutes a separate offense.

Sec. 36.05.070. Wage rates in specifications and contracts for public works.

- (a) The advertised specifications for a public construction contract that requires or involves the employment of mechanics, laborers, or field surveyors must contain a provision stating the minimum wages to be paid various classes of laborers, mechanics, or field surveyors and that the rate of wages shall be adjusted to the wage rate under AS 36.05.010.
- (b) Repealed by §17 ch 142 SLA 1972.
- (c) A public construction contract under (a) of this section must contain provisions that
 - (1) the contractor or subcontractors of the contractor shall pay all employees unconditionally and not less than once a week;
 - (2) wages may not be less than those stated in the advertised specifications, regardless of the contractual relationship between the contractor or subcontractors and laborers, mechanics, or field surveyors;
 - (3) the scale of wages to be paid shall be posted by the contractor in a prominent and easily accessible place at the site of the work;
 - (4) the state or a political subdivision shall withhold so much of the accrued payments as is necessary to pay to laborers, mechanics, or field surveyors employed by the contractor or subcontractors the difference between
 - (A) the rates of wages required by the contract to be paid laborers, mechanics, or field surveyors on the work; and
 - (B) the rates of wages in fact received by laborers, mechanics, or field surveyors.

Sec. 36.05.080. Failure to pay agreed wages.

Every contract within the scope of AS 36.05.070 shall contain a provision that if it is found that a laborer, mechanic, or field surveyor employed by the contractor or subcontractor has been or is being paid a rate of wages less than the rate of wages required by the contract to be paid, the state or its political subdivision may, by written notice to the contractor, terminate the contractor's right to proceed with the work or the part of the work for which there is a failure to pay the required wages and to prosecute the work to completion by contract or otherwise, and the contractor and the contractor's sureties are liable to the state or its political subdivision for excess costs for completing the work.

Sec. 36.05.090. Payment of wages from withheld payments and listing contractors who violate contracts.

- (a) The state disbursing officer in the case of a state public construction contract and the local fiscal officer in the case of a political subdivision public construction contract shall pay directly to laborers, mechanics, or field surveyors from accrued payments withheld under the terms of the contract the wages due laborers, mechanics, or field surveyors under AS 36.05.070.
- (b) The state disbursing officer or the local fiscal officer shall distribute to all departments of the state government and to all political subdivisions of the state a list giving the names of persons who have disregarded their obligations to employees. A person appearing on this list and a firm, corporation, partnership, or association in which the person has an interest may not work as a contractor or

subcontractor on a public construction contract for the state or a political subdivision of the state until three years after the date of publication of the list. If the accrued payments withheld under the contract are insufficient to reimburse all the laborers, mechanics, or field surveyors with respect to whom there has been a failure to pay the wages required under AS 36.05.070, the laborers, mechanics, or field surveyors have the right of action or intervention or both against the contractor and the contractor's sureties conferred by law upon persons furnishing labor or materials, and in the proceedings it is not a defense that the laborers, mechanics, or field surveyors accepted or agreed to accept less than the required rate of wages or voluntarily made refunds.

Sec. 36.05.900. Definition.

In this chapter, "contracting agency" means the state or a political subdivision of the state that has entered into a public construction contract with a contractor.

EXCERPTS FROM ALASKA ADMINISTRATIVE CODE

*****Notice:** Regulations relating to board and lodging and per diem went into effect on November 25, 2018. The new regulations are excerpted here***

8 AAC 30.051. Purpose. The purpose of 8 AAC 30.052 – 8 AAC 30.056 is to ensure that wages paid to laborers, mechanics, and field surveyors do not fall below the prevailing rate of pay.

8 AAC 30.052. Board and lodging; remote sites. (a) A contractor on a public construction project located 65 or more road miles from the international airport closest to the project area in either Fairbanks, Juneau, or Anchorage, or that is inaccessible by road in a two-wheel drive vehicle, shall provide adequate board and lodging to each laborer, mechanic, or field surveyor while the person is employed on the project. If commercial lodging facilities are not available, the contractor shall provide temporary lodging facilities. Lodging facilities must comply with all applicable state and federal laws. For a highway project, the location of the project is measured from the midpoint of the project.

(b) A contractor is not required to provide board and lodging:

(1) to a laborer, mechanic, or field surveyor who is a domiciled resident of the project area; or

(2) on a laborer, mechanic, or field surveyor's scheduled days off, when the person can reasonably travel between the project and the person's permanent residence; for the purposes of this paragraph, "scheduled day off" means a day in which a person does not perform work on-site, is not required to remain at or near the job location for the benefit of the contractor, and is informed of the day off at least seven days before the day off.

(c) Upon a contractor's written request, the commissioner may waive the requirements of (a) of this section where:

(1) the project is inaccessible by road in a two-wheel drive vehicle, but the laborer, mechanic, or field surveyor can reasonably travel between the project and the person's permanent residence within one hour; or

(2) a laborer, mechanic, or field surveyor is not a domiciled resident of the project area, but has established permanent residence, with the intent to remain indefinitely, within 65 road miles of the project, or for a highway project, the mid-point of the project.

8 AAC 30.054. Per diem instead of board and lodging. (a) A contractor may pay a laborer, mechanic, or field surveyor per diem instead of providing board and lodging, when the following conditions are met:

(1) the department determines that per diem instead of board and lodging is an established practice for the work classification; the department shall publish and periodically revise its determinations in the pamphlet *Laborers and Mechanics Minimum Rates of Pay*;

(2) the contractor pays each laborer, mechanic, or field surveyor the appropriate per diem rate as published and periodically revised in the pamphlet *Laborers and Mechanics Minimum Rates of Pay*; and

(3) the contractor pays the per diem to each laborer, mechanic, or field surveyor on the same day that wages are paid.

(b) A contractor may not pay per diem instead of board and lodging on a highway project located

- (1) west of Livengood on the Elliot Highway, AK-2;
- (2) on the Dalton Highway, AK-11;
- (3) north of milepost 20 on the Taylor Highway, AK-5;
- (4) east of Chicken on the Top of the World Highway; or
- (5) south of Tetlin Junction to the Alaska-Canada border on the Alaska Highway, AK-2.

8 AAC 30.056. Alternative arrangement. Upon a contractor's written request, the commissioner may approve an alternative board and lodging or per diem arrangement, provided

- (1) the arrangement does not reduce the laborer, mechanic, or field surveyor's wages below the prevailing wage rate; and
- (2) the laborer, mechanic, or field surveyor voluntarily enters into and signs the written arrangement; a labor organization representing laborers, mechanics, or field surveyors may enter into the written agreement on their behalf.

8 AAC 30.900. General definitions (selected excerpts only):

In this chapter and in AS 36

(22) "domiciled resident" means a person living within 65 road miles of a public construction project, or in the case of a highway project, the mid-point of the project, for at least 12 consecutive months prior to the award of the public construction project;

(23) "employed on the project" means the time period from the date the laborer, mechanic, or field surveyor first reports on-site to the project through the final date the person reports on-site to the project.

ADDITIONAL INFORMATION

PER DIEM

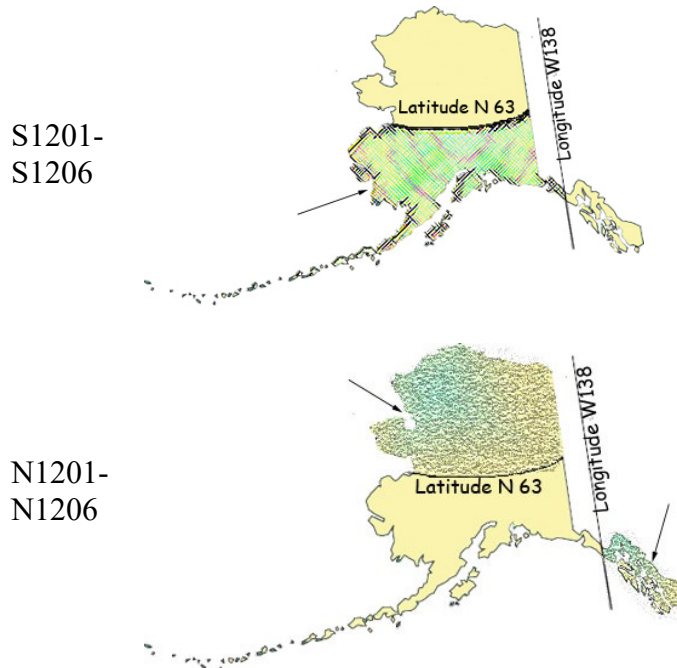

Notice: New regulations relating to board and lodging and per diem went into effect on November 25, 2018. The regulations provide a comprehensive set of requirements for the provision of board and lodging or per diem for workers on remote projects. Please refer to Alaska Administrative Code 8 AAC Chapter 30 and read the chapter carefully.

The Alaska Department of Labor and Workforce Development has determined that per diem is an established work practice for certain work classifications. These classifications are indicated throughout the Pamphlet by an asterisk (*) under the classification title. If all of the conditions of 8 AAC 30.054 are met, an employer may pay workers in these classifications per diem instead of providing board and lodging on a remote project.

Per Diem Rate: As of May 1, 2019, the minimum per diem rate is \$100.00 per day, or part thereof, the worker is employed on the project. In the event that a contractor provides lodging facilities, but no meals, the department will accept a payment of \$48 per day for meals to meet the per diem requirements.

LABORER CLASSIFICATION CLARIFICATION

The laborer rates categorized in class code S1201-S1206 apply in one area of Alaska; the area that is south of N63 latitude and west of W138 Longitude. The laborer rates categorized in class code N1201-N1206 apply in two areas of Alaska; the Alaska areas north of N63 latitude and east of W138 longitude. The following graphic representations should assist with clarifying the applicable wage rate categories:

APPRENTICE RATES

Apprentice rates at less than the minimum prevailing rates may be paid to apprentices according to an apprentice program which has been registered and approved by the Commissioner of the Alaska Department of Labor and Workforce Development in writing or according to a bona fide apprenticeship program registered with the U.S. Department of Labor, Office of Apprenticeship Training. **Any employee listed on a payroll at an apprentice wage rate who is not registered as above shall be paid the journeyman prevailing minimum wage in that work classification.** Wage rates are based on prevailing crew makeup practices in Alaska and apply to work performed regardless of either the quality of the work performed by the employee or the titles or classifications which may be assigned to individual employees.

FRINGE BENEFIT PLANS

Contractors/subcontractors may compensate fringe benefits to their employees in any one of three methods. The fringe benefits may be paid into a union trust fund, into an approved benefit plan, or paid directly on the paycheck as gross wages.

Where fringe benefits are paid into approved plans, funds, or programs including union trust funds, the payments must be contributed at least monthly. If contractors submit their own payroll forms and are paying fringe benefits into approved plans, funds, or programs, the employer's certification must include, in addition to those requirements of 8 AAC 30.020(c), a statement that fringe benefit payments have been or will be paid at least monthly. Contractors who pay fringe benefits to a plan must ensure the plan is one approved by the Internal Revenue Service and that the plan meets the requirements of 8 AAC 30.025 (eff. 3/2/08) in order for payments to be credited toward the prevailing wage obligation.

SPECIAL PREVAILING WAGE RATE DETERMINATION

Special prevailing wage rate determinations may be requested for special projects or a special worker classification if the work to be performed does not conform to traditional public construction for which a prevailing wage rate has been established under 8 AAC 30.050(a) of this section. Requests for special wage rate determinations must be in writing and filed with the Commissioner at least 30 days before the award of the contract. An applicant for a special wage rate determination shall have the responsibility to support the necessity for the special rate. An application for a special wage rate determination filed under this section must contain:

- (1) a specification of the contract or project on which the special rates will apply and a description of the work to be performed;
- (2) a brief narrative explaining why special wage rates are necessary;
- (3) the job class or classes involved;
- (4) the special wage rates the applicant is requesting, including survey or other relevant wage data to support the requested rates;
- (5) the approximate number of employees who would be affected; and
- (6) any other information which might be helpful in determining if special wage rates are appropriate.

Requests made pursuant to the above should be addressed to:

EMPLOYMENT PREFERENCE INFORMATION

In October 2019, the Alaska Attorney General issued a formal opinion stating that the Alaska Statutes 36.10.150 of the State's 90% Employment Preference law, also known as the Alaska Resident Hire law, violates both the U.S. and Alaska Constitutions. As a result, the state has stopped all enforcement activity.

GENERAL NOTES

1.

ALL CONSTRUCTION SHALL BE IN ACCORDANCE WITH THE CITY OF VALDEZ, 2003 STANDARD CONSTRUCTION SPECIFICATIONS AND STANDARD DETAILS.
2.

EXISTING GROUND CONTOURS BASED ON DOWL TOPOGRAPHIC SURVEY PERFORMED JUNE, 2022. CONTRACTOR SHALL VERIFY SITE CONDITIONS.
3.

SOILS INFORMATION IS DERIVED FROM SOILS INVESTIGATION PERFORMED BY DOWL. SEE GEOTECHNICAL REPORT DATED JULY, 2022 AND TITLED VALDEZ PAVEMENT REHABILITATION, PHASES IV-VI, VALDEZ, ALASKA GEOTECHNICAL EXPLORATION AND RECOMMENDATIONS.
4.

LOCATIONS OF EXISTING UTILITIES ARE APPROXIMATE ONLY. THE CONTRACTOR SHALL VERIFY LOCATIONS BY OBTAINING UTILITY LOCATES PRIOR TO BEGINNING CONSTRUCTION. COORDINATE UTILITY RELOCATION WITH SERVICE PROVIDERS. EXERCISE CAUTION DURING EXCAVATION.
5.

VERIFY HORIZONTAL AND VERTICAL LOCATIONS OF ALL UTILITIES ENCOUNTERED DURING CONSTRUCTION, RECORD LOCATIONS AND CHANGES TO UTILITIES IN SURVEY NOTES AND ON AS BUILT DRAWINGS.
6.

VERIFY INVERTS AND LOCATIONS OF ALL UTILITY CONNECTION POINTS PRIOR TO INSTALLING PIPE. REPORT DISCREPANCIES FROM PLANS IMMEDIATELY TO OWNER'S REPRESENTATIVE.
7.

ADJUST ALL EXISTING MANHOLES AND VALVE BOXES, WITHIN THE LIMITS OF CONSTRUCTION, TO 1/2" BELOW FINISHED GRADE.
8.

ELEVATIONS SHOWN ARE TO PIPE INVERT, FLOW LINE, OR FINISH PAVEMENT SURFACE, UNLESS NOTED OTHERWISE.
9.

DIMENSIONS SHOWN ARE TO EDGE OF PAVEMENT, GRADE BREAK, EDGE OF CONCRETE, BACK OF CURB, OR FACE OF SIDEWALK UNLESS NOTED OTHERWISE.
10.

ALL CURB RADII ARE MEASURED AT THE BACK OF CURB, EDGE OF CONCRETE, OR FACE OF SIDEWALK.
11.

RESTORE ALL DISTURBED PROPERTY OUTSIDE OF WORK LIMITS TO ORIGINAL CONDITIONS.
12.

DEWATERING MAY BE REQUIRED FOR ALL EXCAVATIONS THAT PENETRATE THE GROUND WATER SURFACE. WATER RESULTING FROM CONTRACTOR'S DEWATERING EFFORT MAY NOT BE PUMPED OR OTHERWISE DIVERTED INTO EXISTING STORM DRAINS UNLESS REQUIRED PERMITS, INCLUDING BUT NOT LIMITED TO, THE ALASKA DEPARTMENT OF ENVIRONMENTAL CONSERVATION, AND ENVIRONMENTAL PROTECTION AGENCY ARE OBTAINED BY THE CONTRACTOR. UNDER NO CIRCUMSTANCES WILL THE CONTRACTOR BE ALLOWED TO DIVERT WATER FROM THE EXCAVATION ONTO ROADWAYS. CONTRACTOR SHALL PROVIDE DISPOSAL SITE FOR EXCESS WATER AND SHALL BE RESPONSIBLE FOR ALL NECESSARY PERMITS AND APPROVALS. CONTRACTOR SHALL PROVIDE COPIES OF PERMITS AND APPROVAL TO THE ENGINEER.
13.

THE CONTRACTOR SHALL FOLLOW ALL CITY REGULATIONS FOR NOISE, HOURS OF OPERATIONS, AND DUST CONTROL.
14.

THE AUTOCAD FILE FOR THIS SITE PLAN WILL BE PROVIDED TO THE CONSTRUCTION SURVEYOR FOR USE IN STAKING THE LOCATION OF THE SITE IMPROVEMENTS. LAYOUT INFORMATION IS PROVIDED IN THIS PLAN SET FOR THE SURVEYOR TO CHECK AGAINST. THE SURVEYOR SHALL INFORM THE ENGINEER OF ANY DISCREPANCIES IMMEDIATELY.
15.

THE CONTRACTOR SHALL PROVIDE CONTROLS TO LIMIT SEDIMENT DISCHARGE DUE TO SOIL EROSION. THESE CONTROLS SHALL INCLUDE REGULAR SWEEPING OF STREETS ADJACENT TO THE SITE THAT ACCUMULATE SITE SOILS. ADDITIONAL CONTROLS MAY BE REQUIRED IF THESE MEASURES PROVE INADEQUATE. THE CONTRACTOR SHALL IMPLEMENT A STORM WATER POLLUTION PREVENTION PLAN (SWPPP).
16.

KEEP SITE FREE OF LITTER.
17.

THE CONTRACTOR SHALL ENSURE UNINTERRUPTED GARBAGE PICKUP AND MAIL SERVICE TO ALL RESIDENCES IMPACTED BY THIS PROJECT.
18.

ALL EXISTING PIPES (6-INCH DIAMETER AND LARGER) TO BE ABANDONED WITHIN THE ROADWAY CORRIDOR SHALL BE REMOVED AND DISPOSED OF, OR FILLED WITH CEMENTITIOUS SLURRY, UNLESS OTHERWISE NOTED.
19.

THE CONTRACTOR SHALL MAINTAIN RECORD DRAWINGS ON-SITE, AND SHALL KEEP DAILY REDLINES FOR ANY CHANGES TO THE CONTRACT DOCUMENTS. THE CONTRACTOR SHALL ALSO RECORD HORIZONTAL AND VERTICAL LOCATIONS FOR ALL UTILITIES NOT SHOWN ON THE PLANS, BUT ENCOUNTERED DURING THE WORK.
20.

EXISTING PIPE LOCATIONS ARE DERIVED FROM SURVEY RECORD DRAWINGS, UTILITY LOCATES, OR APPROXIMATED FROM AVAILABLE INFORMATION. ACTUAL LOCATIONS MAY VARY FROM THOSE SHOWN. DEPTHS OF EXISTING PIPES SHOWN ON THE PROFILE ARE APPROXIMATE ONLY. THE CONTRACTOR SHALL CALL OR REQUEST LOCATES PRIOR TO CONSTRUCTION AND SHALL FIELD-VERIFY ALL PIPE AND UTILITY LOCATIONS. ANY DAMAGE TO THE EXISTING PIPES AND UTILITIES IDENTIFIED SHALL BE THE SOLE RESPONSIBILITY OF THE CONTRACTOR.
21.

THE CONTRACTOR SHALL NOTIFY THE CITY OF VALDEZ WATER DEPARTMENT (907-835-4888) OF ANY WATER MAIN INTERRUPTIONS AND SHALL COORDINATE ALL VALVE OPERATION WITH CITY OF VALDEZ.
22.

THE UTILITY COMPANIES MAY CONDUCT WORK WITHIN THE PROJECT LIMITS TO RELOCATE AND UPGRADE THEIR RESPECTIVE SYSTEMS. THE CONTRACTOR SHALL COORDINATE ITS ACTIVITIES WITH EACH UTILITY AND PROVIDE ACCESS AS NECESSARY FOR THE UTILITIES TO CONDUCT THEIR WORK.
23.

THE PLAN SHEETS DO NOT SHOW ALL OF THE TREES AND OTHER VEGETATION WITHIN THE PROJECT LIMITS. NO TREES OR OTHER VEGETATION SHALL BE REMOVED OR DAMAGED, UNLESS SHOWN ON THE DRAWINGS, OR AS DIRECTED BY THE ENGINEER.
24.

THE CONTRACTOR SHALL NOT STORE MATERIALS OR EQUIPMENT, OR OPERATE EQUIPMENT WITH ITS TRACKS OR WHEELS PLACED ON PRIVATE PROPERTY, WITHOUT WRITTEN APPROVAL FROM THE OWNER.
25.

THE CONTRACTOR SHALL NOTIFY EACH AFFECTED RESIDENT OF EACH VEHICULAR DRIVEWAY CLOSURE, AND THE ANTICIPATED DURATION OF THE CLOSURE, ON THE DAY PRECEDING EACH CLOSURE. NO WORK SHALL BE PERFORMED WITHIN THE DRIVEWAY, WHETHER IN THE PUBLIC RIGHT OF WAY OR NOT, UNTIL THIS CONDITION HAS BEEN MET.
26.

"JUMPING JACK" OR SIMILAR TYPE COMPACTORS SHALL BE USED TO THOROUGHLY COMPACT ALL LAYERS OF MATERIAL AROUND WATER VALVE BOXES, CATCH BASINS, AND MANHOLES AND OTHER STRUCTURES, THAT CANNOT BE COMPACTED WITH LARGER COMPACTION EQUIPMENT.
27.

BEGIN SUBCUTS AT 24-INCHES FROM PAVEMENT SAWCUT LINES AT STREET CONNECTIONS, UNLESS OTHERWISE SHOWN ON THE DRAWINGS, OR DIRECTED BY THE ENGINEER. REMOVE AND REPLACE THE LEVELING COURSE TO WITHIN 12-INCHES OF THE SAWCUT LINE, AND DO NOT MAKE FINAL SAWCUT UNTIL THE DAY OF PAVING. APPLY TACK COAT TO THE FINAL SAWCUT PRIOR TO PAVING.
28.

MINOR REVISIONS TO ROADWAY GRADING AND ALIGNMENT, AS WELL AS STORM DRAIN CULVERT ALIGNMENT AND GRADES, SHALL BE PERFORMED AS DIRECTED BY THE ENGINEER.
29.

THE CONTRACTOR SHALL NOTIFY THE ENGINEER OF ANY ORGANIC OR FROST-SUSCEPTIBLE MATERIAL ENCOUNTERED AT THE BOTTOM OF THE SUBCUT LIMITS OR WITHIN THE TRENCHING OPERATIONS.

TRAFFIC CONTROL AND PHASING

GENERAL

- ALL STAGING AREAS USED SHALL BE RESTORED TO EQUAL OR BETTER CONDITION AT THE COMPLETION OF THE PROJECT PHASE.
- ALL TRAFFIC CONTROL OPERATIONS SHALL BE IMPLEMENTED IN ACCORDANCE WITH THE LATEST EDITION OF THE ALASKA TRAFFIC MANUAL AND THE MANUAL ON UNIFORM TRAFFIC CONTROL DEVICES (MUTCD). ALL SIGNS SHALL BE FABRICATED IN ACCORDANCE WITH THE LATEST EDITIONS OF THE ALASKA SIGN SPECIFICATIONS AND THE MUTCD.
- TEMPORARY TRAFFIC CONTROL (TTC) PLANS FOR EACH PHASE AND FOR SPECIFIC CONSTRUCTION ACTIVITIES THAT CANNOT BE EXECUTED WITHIN A PARTICULAR PHASE TTC, SHALL BE PREPARED BY THE CONTRACTOR AND APPROVED BY THE ENGINEER AT LEAST 7 DAYS IN ADVANCE OF THE WORK UNLESS OTHERWISE APPROVED BY THE ENGINEER.
- TEMPORARY TRAFFIC LANES SHALL BE A MINIMUM OF 10-FT WIDE.
- WHEN CONSTRUCTION ACTIVITIES REQUIRE THE CLOSURE OF THE EXISTING OR NEW SIDEWALKS, ALTERNATIVE PEDESTRIAN ROUTES THROUGH OR AROUND THE ACTIVE CONSTRUCTION ZONE SHALL BE ESTABLISHED.
- WITH THE EXCEPTION OF CONCRETE POURS AND DRIVEWAY WORK VEHICULAR ACCESS SHALL BE MAINTAINED TO EACH LOT WITHIN THE PROJECT LIMITS AT ALL TIMES.

PHASE IIIB - PIONEER DRIVE

- ROAD, UNDERGROUND UTILITY AND PEDESTRIAN FACILITIES ARE TO BE IMPROVED IN THIS PHASE. AREAS TO BE UPGRADED BEGIN AT THE INTERSECTION OF HAZELET AVENUE AND PIONEER DRIVE, ENDING AT THE INTERSECTION OF MEALS AVENUE AND PIONEER DRIVE.
- THE ROAD FUNCTIONS AS A COLLECTOR PROVIDING VEHICULAR AND PEDESTRIAN CONNECTION TO THE GROCERY STORE. TRAFFIC CONTROL AND CONSTRUCTION PHASING PLANS WILL BE DEVELOPED TO MAINTAIN ACCESS TO FACILITIES DURING CONSTRUCTION.

SURVEY CONTROL NOTES

HORIZONTAL CONTROL:
COORDINATES ARE BASED ON AN ASSUMED DATUM IN U.S. FEET. BEARINGS ARE BASED ON THE FINAL PLAT BLACK GOLD NO 1 DIVISION 1 FILED AS PLAT NO. 78-3 IN THE VALDEZ RECORDING DISTRICT, THIRD JUDICIAL DISTRICT, STATE OF ALASKA.

VERTICAL CONTROL:
ELEVATIONS ARE NAVD88(GEOD 12A) IN US SURVEY FEET. THE BASIS OF ELEVATIONS IS POINT 601, AN NGS BRASS CAP (PID: BBBB44) STAMPED "4240 T 2000", HAVING AN OPUS DERIVED VALUE OF 49.89 FEET.

PIONEER DRIVE - REDUCED SUBGRADE STRENGTH (RSS) SECTION

STA: 109+90.00 TO 111+10.00

NOTES

1. GEOTEXTILE FOR RE-SURFACING SECTION TO BE A SEPARATION AND STABILIZATION GEOTEXTILE. GEOTEXTILE TO BE WOVEN MEETING CLASS 3 STRENGTH PER AASHTO M288 WHICH ALSO MEETS CRITERIA FOR TYPE A SEPARATION GEOTEXTILE PER CITY OF VALDEZ.
2. GEOTEXTILES USED UNDER REDUCED SUBGRADE SECTION SHALL BE WOVEN AND MEET CRITERIA FOR CITY OF VALDEZ (20.22) TYPE A, SEPARATION GEOTEXTILE.
3. LEVELING COURSE AND TYPE II-A FILL SHALL MEET REQUIREMENTS OF CITY OF VALDEZ GRADATION. SEE GEOTECHNICAL REPORT. CLASSIFIED FILL SHALL BE PLACED AND COMPACTED IN LIFTS NOT EXCEEDING 12 INCHES IN LOOSE THICKNESS IF A LARGE VIBRATORY COMPACTOR IS USED. EACH LIFT SHOULD BE COMPACTED THROUGHOUT ITS ENTIRE DEPTH TO A DENSITY OF AT LEAST 95 PERCENT OF THE MAXIMUM DRY DENSITY AS DETERMINED BY MODIFIED PROCTOR AASHTO T180.
4. EXCAVATIONS SHOULD BE COMPLETELY DEWATERED BEFORE PLACEMENT OF CLASSIFIED FILL. DO NOT PLACE FILL OR ASPHALT PAVEMENT OVER FROZEN SOILS. DO NOT FILL OR BACKFILL WITH FROZEN SOILS.
5. GRASS AREAS WITHIN WORK LIMITS SHALL BE REPLACED WITH 2-IN TOPSOIL AND SEED.

- HYDRANT SIGNS ARE TO BE FURNISHED BY CITY OF VALDEZ. SEE COV DETAIL 70-32 FOR INSTALLATION.
- SEE COV DETAIL 70-31 FOR SIGN POST CONCRETE FOUNDATION INSTALLATION.
- ALL SIGNS ARE TO BE INSTALLED AT A HEIGHT OF 7-FT CLEAR SPACE MINIMUM AND 2-FT CLEAR FROM FACE OF CURB. SEE COV DETAILS 70-22 THROUGH 70-27.
- CENTERLINE STRIPING TO BE TWO LINES OF 4-IN SOLID YELLOW CENTERED ALONG THE ROAD ALIGNMENT CENTERLINE. OFFSET 2-IN EACH SIDE. SEE COV SPECIFICATIONS FOR APPLICATION AND TOLERANCES.
- "CUSTOM" SIGN TYPES SHALL BE REPLACED TO MATCH EXISTING.
- STREET SIGNS NOTED WITH (X2) ARE TO BE TWO SEPARATE STREET NAME PANELS WITH A STABILIZER BETWEEN THEM. SEE DETAIL 1/C-503.

GENERAL NOTES

1. REFER TO ESCP REPORT FOR EROSION AND SEDIMENT CONTROL BEST MANAGEMENT PRACTICES (BMPs).
2. CONTRACTOR SHALL UTILIZE BMPs MOST APPROPRIATE FOR CONDITIONS ON-SITE. IF INSPECTION REVEALS EROSION CONTROL MEASURES ARE INSUFFICIENT, THE CONTRACTOR SHALL IMMEDIATELY IMPLEMENT CORRECTIVE ACTION, AS NECESSARY, TO CORRECT THE DEFICIENCY.
3. ALL DISTURBED AREAS FOR THIS PROJECT ARE LOCATED AMID THE PROPOSED WORK SHOWN ON SHEETS C-601 THROUGH C-604.
4. THE CONTRACTOR SHALL USE CONTROL MEASURES TO ENSURE THAT CONSTRUCTION ACTIVITIES HAVE MINIMAL IMPACTS ON THE NATURAL BUFFER AREAS OF THE RECEIVING WATER BODY. DISTURBED AREAS ADJACENT TO DRAINAGE OR IN-WATER WORK SHALL BE RESTORED TO THEIR FUNCTIONAL CAPACITY OR PLANNED DESIGN, UNLESS DIRECTED OTHERWISE BY THE ENGINEER.
5. VEGETATION SHALL REMAIN UNDISTURBED TO THE FULLEST EXTENT POSSIBLE.
6. ALL DISTURBED AREAS NOT RECEIVING HMA PAVEMENT, PORTLAND CEMENT CONCRETE, OR RIPRAP, SHALL RECEIVE HYDROSEED WITH MULCH AS A FINAL STABILIZATION MEASURE, UNLESS OTHER TREATMENTS ARE REQUIRED BY PERMIT CONDITIONS.
7. ON-SITE DUST CONTROL, INCLUDING WATERING AND SWEEPING, SHALL BE PROVIDED BY THE CONTRACTOR TO MINIMIZE AIR-BORNE DUST WHEN NECESSARY OR DIRECTED BY THE ENGINEER. ROUTINE SWEEPING MAY BE PERFORMED IN LIEU OF UTILIZING A STABILIZED CONSTRUCTION EXIT UNLESS CONDITIONS NECESSITATE A MUD MAT.
8. ANY CONCRETE WASHOUT AREAS UTILIZED BY THE CONTRACTOR SHALL BE DESIGNATED, MAINTAINED, AND LOCATED, TO THE EXTENT PRACTICABLE, AWAY FROM WATER OF THE U.S. AND STORM WATER CONVEYANCE CHANNELS.
9. ALL DISCHARGE FROM EXCAVATION DEWATERING ACTIVITIES WILL BE TREATED WITH THE APPROPRIATE CONTROL MEASURES, UNTREATED WATER FROM CONSTRUCTION DEWATERING OPERATIONS SHALL NOT BE DISCHARGED TO ANY RECEIVING WATERS NOR SHALL UNTREATED WATER BE ALLOWED TO RUN OFF-SITE, UNLESS THE WATER IS NON-DISCHARGED.
10. PROVIDE INLET PROTECTION FOR EXISTING CATCH BASINS UNTIL STRUCTURE IS REMOVED, TYP. PROVIDE INLET PROTECTION FOR PROPOSED CATCH BASINS ONCE INSTALLED.

ELECTRICAL SPECIFICATIONS

26 05 00 – COMMON WORK RESULTS FOR ELECTRICAL

- A. SCOPE OF WORK: FURNISH AND INSTALL ALL MATERIAL AND EQUIPMENT FOR A COMPLETE AND WORKABLE ELECTRICAL SYSTEM AS INDICATED ON THE DRAWINGS AND IN THESE SPECIFICATIONS.
- B. STANDARDS, CODES AND REGULATIONS: COMPLY WITH THE LATEST ADOPTED EDITION OF THE NATIONAL ELECTRICAL CODE, AND THE CITY OF VALDEZ STANDARD SPECIFICATIONS (CVSS), INCLUDING ALL STATE AND LOCAL AMENDMENTS. COMPLY WITH THE LATEST PUBLISHED VERSION OF THE NECA STANDARD OF INSTALLATION. IN THE ABSENCE OF CVSS PERTAINING TO STREET LIGHTING SYSTEMS, REFERENCES TO MUNICIPALITY OF ANCHORAGE STANDARD SPECIFICATIONS (MASS) HAVE BEEN ADDED TO THESE SPECIFICATIONS AND DRAWINGS TO ASSIST WITH SPECIFIC CRITERIA. A COPY OF THE MASS CAN BE FOUND ONLINE AT MUNI.ORG.
- C. DRAWINGS: THE DRAWINGS ARE DIAGRAMMATIC, NOT NECESSARILY SHOWING ALL OFFSETS OR EXACT LOCATIONS OF FIXTURES, EQUIPMENT, ETC. UNLESS SPECIFICALLY DIMENSIONED. BRING QUESTIONABLE OR OBSCURE ITEMS, APPARENT CONFLICTS BETWEEN PLANS AND SPECIFICATIONS, GOVERNING CODES OR UTILITIES REGULATIONS TO THE ATTENTION OF THE ENGINEER. CODES, ORDINANCES, REGULATIONS, MANUFACTURER'S INSTRUCTIONS OR STANDARDS TAKE PRECEDENCE WHEN THEY ARE MORE STRINGENT OR CONFLICT WITH THE DRAWINGS AND SPECIFICATIONS.
- D. RECORD DRAWINGS: MARK UP A CLEAN SET OF DRAWINGS AS THE WORK PROGRESSES TO SHOW THE DIMENSIONED LOCATION AND ROUTING OF ALL ELECTRICAL WORK WHICH WILL BECOME PERMANENTLY CONCEALED. SHOW COMPLETE ROUTING AND SIZING OF ANY SIGNIFICANT REVISIONS TO THE SYSTEMS SHOWN.
- E. WORKMANSHIP: INSTALLATION OF ALL WORK SHALL BE MADE SO THAT ITS SEVERAL COMPONENT PARTS SHALL FUNCTION AS A WORKABLE SYSTEM COMPLETE WITH ALL ACCESSORIES NECESSARY FOR ITS OPERATION. ALL MATERIAL AND EQUIPMENT SHALL BE INSTALLED IN ACCORDANCE WITH THE MANUFACTURER'S RECOMMENDATIONS, INSTRUCTIONS AND/OR INSTALLATION DRAWINGS AND IN ACCORDANCE WITH NECA STANDARDS. MATERIALS AND EQUIPMENT SHALL BE NEW AND SHALL CONFORM WITH APPLICABLE INDUSTRY STANDARDS, NEMA STANDARDS AND UNDERWRITERS LABORATORIES STANDARDS WHERE APPLICABLE.
- F. SUBMITTALS: PROVIDE MATERIAL AND EQUIPMENT SUBMITTALS CONTAINING A COMPLETE LISTING OF MATERIAL AND EQUIPMENT SHOWN ON THE DRAWINGS. INCLUDE CATALOG NUMBERS, WIRING DIAGRAMS, ROUGH-IN DIMENSIONS AND PERFORMANCE DATA FOR ALL MATERIAL AND EQUIPMENT. SUBMITTALS SHALL BE IN ELECTRONIC .PDF FORMAT, SEPARATE FROM WORK FURNISHED UNDER OTHER DIVISIONS. INDEX AND CLEARLY IDENTIFY ALL MATERIAL AND EQUIPMENT BY ITEM, NAME OR DESIGNATION USED ON THE DRAWINGS. SUBMITTAL REVIEW IS FOR GENERAL DESIGN AND ARRANGEMENT ONLY AND DOES NOT RELIEVE THE CONTRACTOR FROM ANY REQUIREMENTS OF THE CONTRACT DOCUMENTS. THE SUBMITTALS ARE NOT CHECKED FOR QUANTITY, DIMENSION, OR FOR PROPER OPERATION. WHERE DEVIATIONS OF A SUBSTITUTE PRODUCT OR SYSTEM PERFORMANCE HAVE NOT BEEN SPECIFICALLY NOTED IN THE SUBMITTAL BY THE CONTRACTOR, PROVISIONS OF A COMPLETE AND SATISFACTORY WORKING INSTALLATION IS THE SOLE RESPONSIBILITY OF THE CONTRACTOR.
- G. OPERATION AND MAINTENANCE MANUALS: PROVIDE OPERATION AND MAINTENANCE MANUALS FOR TRAINING OF THE OWNER'S PERSONNEL. DESCRIBE THE PROCEDURES NECESSARY TO OPERATE THE SYSTEM INCLUDING START-UP, OPERATION, EMERGENCY OPERATION AND SHUTDOWN. PROVIDE INSTRUCTIONS AND A SCHEDULE OF PREVENTIVE MAINTENANCE IN TABULAR FORM FOR ALL ROUTINE CLEANING, INSPECTION AND LUBRICATION WITH RECOMMENDED LUBRICANTS. PROVIDE INSTRUCTIONS FOR MINOR REPAIR OR ADJUSTMENTS REQUIRED FOR PREVENTIVE MAINTENANCE ROUTINES. PROVIDE MANUFACTURER'S DESCRIPTIVE LITERATURE INCLUDING APPROVED SHOP DRAWINGS COVERING DEVICES USED IN ANY CONTRACTOR-PROVIDED EQUIPMENT OR SYSTEMS WITH ILLUSTRATION, EXPLODED VIEWS, ETC.
- H. WARRANTY: THE CONTRACTOR SHALL GUARANTEE ALL WORK EXECUTED UNDER THIS CONTRACT TO BE FREE FROM DEFECTS IN MATERIALS AND WORKMANSHIP FOR A PERIOD OF ONE YEAR FROM BENEFICIAL OCCUPANCY. ANY FAULTY MATERIALS OR WORKMANSHIP SHALL BE REPAIRED OR REPLACED TO THE SATISFACTION OF THE OWNER DURING THE GUARANTEE PERIOD.
- I. PERMITS: SECURE AND PAY FOR ALL FEES, PERMITS, ETC. REQUIRED BY LOCAL AND STATE AGENCIES AND ALL LOCAL UTILITY COMPANIES. COSTS FOR THE LINE EXTENSION TO THE METER ARE PAID FOR BY THE OWNER.

26 05 05 – SELECTIVE DEMOLITION FOR ELECTRICAL

- A. DEMOLITION DRAWINGS ARE BASED ON CASUAL FIELD OBSERVATION AND EXISTING RECORD DRAWINGS. REPORT DISCREPANCIES TO ENGINEER BEFORE DISTURBING THE EXISTING INSTALLATION. DISCONNECT ELECTRICAL SYSTEMS SCHEDULED FOR REMOVAL. PROVIDE TEMPORARY WIRING AND CONNECTIONS TO MAINTAIN ALL EXISTING ELECTRICAL SYSTEMS IN SERVICE DURING CONSTRUCTION. DISABLE SYSTEMS ONLY TO MAKE SWITCHOVERS AND CONNECTIONS.
- B. OBTAIN PERMISSION FROM OWNER AT LEAST 24 HOURS BEFORE PARTIALLY OR COMPLETELY DISABLING SYSTEM. MINIMIZE OUTAGE DURATION AND MAKE TEMPORARY CONNECTIONS TO MAINTAIN SERVICE IN AREAS ADJACENT TO WORK AREA. WHEN WORK MUST BE PERFORMED ON ENERGIZED EQUIPMENT OR CIRCUITS, USE PERSONNEL EXPERIENCED IN SUCH OPERATIONS.
- C. REMOVE, RELOCATE AND EXTEND EXISTING INSTALLATIONS TO ACCOMMODATE NEW CONSTRUCTION. REMOVE ABANDONED WIRING TO SOURCE OF SUPPLY. REMOVE EXPOSED ABANDONED CONDUIT. WHERE ABANDONED CONDUIT ENTERS BELOW GRADE, CUT CONDUIT TO A MINIMUM OF 6" BELOW GRADE, CAP OFF, AND REPAIR SURFACE.
- D. DISCONNECT AND REMOVE ABANDONED PANELBOARDS AND DISTRIBUTION EQUIPMENT. DISCONNECT AND REMOVE ELECTRICAL DEVICES AND EQUIPMENT SERVING UTILIZATION EQUIPMENT THAT HAS BEEN REMOVED. DISCONNECT AND REMOVE ABANDONED LUMINAIRES. REMOVE BRACKETS, STEMS, HANGERS AND OTHER ACCESSORIES. REPAIR ADJACENT SURFACES AFTER DEMOLITION. MAINTAIN ACCESS TO EXISTING ELECTRICAL INSTALLATIONS WHICH REMAIN ACTIVE.
- E. CONTRACTOR TO FIELD VERIFY ELECTRICAL ITEMS TO BE DEMOLISHED PRIOR TO START OF WORK. DEMOLISH CONDUITS, BOXES, DEVICES, EQUIPMENT, ETC. THAT ARE SCHEDULED FOR DEMOLITION. WHERE CIRCUITS ARE SHARED WITH EQUIPMENT THAT IS EXISTING TO REMAIN, PROVIDE ALL WORK NECESSARY (INCLUDING EXTENDING AND RE-ROUTING CONDUITS) TO MAINTAIN ACCESS AND PROVIDE ELECTRICAL CONTINUITY TO EXISTING SYSTEMS AND CIRCUITRY

26 05 19 – WIRE AND CABLE

- B. SUBMITTALS: SUBMIT PRODUCT DATA FOR APPROVAL.
- C. MATERIALS:
- ALL CONDUCTORS SHALL BE COPPER WITH TYPE XHHW-2 INSULATION. MINIMUM BRANCH CIRCUIT CONDUCTOR SIZE SHALL BE 12 AWG.
- C. INSTALLATION:
- COLOR CODE WIRES BY LINE OR PHASE. COLOR CODE THE 120/240V CONDUCTORS BLACK, RED, AND WHITE.
 - DO NOT SHARE NEUTRAL CONDUCTORS. PROVIDE A DEDICATED NEUTRAL CONDUCTOR FOR EACH BRANCH CIRCUIT THAT REQUIRES A NEUTRAL.
 - USE PROPERLY SIZED INSULATED SPRING WIRE CONNECTORS WITH PLASTIC CAPS FOR ALL CONDUCTORS #8 AWG AND SMALLER. TERMINATE #6 AWG AND LARGER CONDUCTORS WITH CRIMP OR COMPRESSION TYPE CONNECTORS INSTALLED WITH TOOL RECOMMENDED BY CONNECTION MANUFACTURER AND INSULATE WITH PROPERLY SIZED 600 VOLT RATED HEAT SHRINK TUBING.
 - INSTALLATION SCHEDULE: BUILDING WIRE IN CONDUIT AT ALL LOCATIONS UNLESS OTHERWISE NOTED.

26 05 26 – GROUNDING AND BONDING

- A. SUBMITTALS: SUBMIT PRODUCT DATA FOR GROUND RODS.
- B. MATERIAL: SOLID GROUND RODS: COPPER-ENCASED STEEL, 3/4 INCH DIAMETER, MINIMUM LENGTH 10 FEET.
- C. INSTALLATION:
- PROVIDE A SEPARATE, INSULATED EQUIPMENT GROUNDING CONDUCTOR IN ALL BRANCH CIRCUITS AND FEEDERS. TERMINATE EACH END ON A GROUNDING LUG, BUS, OR BUSHING.
 - MECHANICAL CONNECTORS: NON-REVERSIBLE CRIMP TYPE LUGS ONLY. USE FACTORY MADE COMPRESSION LUG FOR ALL TERMINATIONS. FOR TELECOMMUNICATION SYSTEMS USE COPPER, COPPER ALLOY, OR TIN-PLATED COPPER, NON-REVERSIBLE LONG BARREL CRIMP TYPE BOLT LUGS WITH TWO BOLT TONGUES FOR 6 AWG OR LARGER CONDUCTORS. CRIMP TYPE ONE HOLE FOR CONDUCTORS SMALLER THAN 6 AWG.
 - BOND TOGETHER SYSTEM NEUTRALS, SERVICE EQUIPMENT ENCLOSURES, EXPOSED NON-CURRENT CARRYING METAL PARTS OF ELECTRICAL EQUIPMENT, METAL RACEWAY SYSTEMS, GROUNDING CONDUCTOR IN RACEWAYS AND CABLES, RECEPTACLE GROUND CONNECTORS, AND PLUMBING AND FUEL SYSTEMS.

26 05 29 – HANGERS AND SUPPORTS FOR ELECTRICAL SYSTEMS

- A. SUBMITTALS: NONE REQUIRED FOR THIS SECTION.
- B. MATERIAL: EQUIPMENT SUPPORT CHANNEL SHALL BE CORROSION RESISTANT STAINLESS STEEL OR FIBERGLASS. HARDWARE SHALL BE CORROSION RESISTANT.
- C. INSTALLATION: EQUIPMENT WEIGHING MORE THAN 50 POUNDS SHALL BE ADEQUATELY ANCHORED TO RESIST LATERAL EARTHQUAKE FORCES.

26 05 33 – RACEWAY AND BOXES FOR ELECTRICAL SYSTEMS

- A. SUBMITTALS: SUBMIT PRODUCT DATA FOR APPROVAL.
- B. MATERIALS
- RIGID STEEL CONDUIT: ANSI C80.1, GALVANIZED RIGID STEEL CONDUIT (GRSC). FITTINGS AND CONDUIT BODIES: ANSI/NEMA FB 1; THREADED TYPE WITH INSULATED THROAT BUSHINGS, MATERIAL TO MATCH CONDUIT. PROVIDE PVC COATED RIGID CONDUIT WHERE EXPOSED OUTDOORS, 40 MIL EXTERIOR COATING AND 2 MIL INTERIOR COATING. CONDUIT FITTINGS SHALL MATCH CONDUIT TYPE (IE PVC COATED RIGIDE FITTINGS WHERE PVC COATED RIGID IS REQUIRED).
 - ADDITIVE ALTERNATE #3 – HIGH DENSITY POLYETHYLENE CONDUIT (HDPE): NEMA TC 7, SCHEDULE 40, HDPE CONDUIT RATED FOR 90°C CABLE. FITTINGS AND CONDUIT BODIES: NEMA TC 7. HDPE TO HDPE COUPLINGS: UL LISTED, BUTT-FUSION, ELECTRO-FUSION, SELF-THREADING, OR DRIVE-ON TYPE. HDPE TO RIGID COUPLINGS: DURALINE #SHUR-LOCK II, OR EQUAL.
 - PROVIDE TYPE 1A CONCRETE JUNCTION BOXES IN-GRADE WHERE SHOWN ON DRAWINGS. TYPE 1A JUNCTION BOX CONSISTING OF REINFORCED CONCRETE RATED FOR A MINIMUM TEST LOAD OF 7500 POUNDS DISTRIBUTED OVER A 10"x10" AREA, LIGHT TRAFFIC RATED, CAST-IRON LID WITH "LIGHTING" LABEL, AND STAINLESS STEEL HARDWARE.
- C. INSTALLATION:
- INSTALL GALVANIZED RIGID STEEL CONDUIT UNDERGROUND AND ABOVE GRADE WHERE NOTE EXPOSED TO THE ELEMENTS (IE STUBBED UP UNDER EQUIPMENT), UNLESS OTHERWISE NOTED. PROVIDE PVC COATED RIGID STEEL CONDUIT WHERE EXPOSED OUTDOORS.
 - ADDITIVE ALTERNATE #3: SCHEDULE 40 HDPE CONDUIT APPROVED FOR USE IN UNDERGROUND APPLICATIONS ONLY.
 - PROVIDE OUTLET BOXES AS SHOWN ON THE DRAWINGS, AND AS REQUIRED FOR SPLICES, TAPS, WIRE PULLING, EQUIPMENT CONNECTIONS, DEVICE INSTALLATION AND CODE COMPLIANCE.

26 05 53 – IDENTIFICATION FOR ELECTRICAL SYSTEMS

- A. SUBMITTALS: NONE REQUIRED FOR THIS SECTION.
- B. MATERIALS
- NAMEPLATES: ENGRAVED THREE-LAYER LAMINATED PLASTIC, WHITE LETTERS ON A BLACK BACKGROUND. NAMEPLATES SHALL BE PROVIDED TO IDENTIFY ALL ELECTRICAL DISTRIBUTION AND CONTROL EQUIPMENT AND LOADS SERVED.
 - TAPE LABELS: ADHESIVE TAPE LABELS, WITH 3/16 INCH BOLD BLACK LETTERS ON CLEAR BACKGROUND MADE USING DYMO RHINOPRO 5000 OR EQUAL LABEL PRINTER.
 - WIRE AND CABLE MARKERS: CLOTH MARKERS, SPLIT SLEEVE OR TUBING TYPE.
- C. INSTALLATION:
- GEAR: PROVIDE ENGRAVED THREE-LAYER LAMINATED PLASTIC NAMEPLATES WITH WHITE LETTERS ON A BLACK BACKGROUND TO IDENTIFY ALL ELECTRICAL DISTRIBUTION, CONTROL EQUIPMENT, LOADS SERVED, AND LOW-VOLTAGE SYSTEM PANELS.
 - CONDUITS: LABEL CONDUITS AT EACH END WITH SOURCE AND TERMINATION POINT.
 - JUNCTION BOXES: MARK ALL CIRCUIT NUMBERS OF WIRING ON ALL JUNCTION BOXES WITH SHEET STEEL COVERS. MARK WITH INDELIBLE BLACK MARKER. ON EXPOSED JUNCTION BOXES IN PUBLIC AREAS, MARK ON INSIDE OF COVER.
 - WIRE IDENTIFICATION: PROVIDE WIRE MARKERS ON EACH CONDUCTOR IN PANELBOARD GUTTERS, PULL BOXES, OUTLET AND JUNCTION BOXES, AND AT LOAD CONNECTION. MARKERS SHALL BE LOCATED WITHIN ONE INCH OF EACH CABLE END, EXCEPT AT PANELBOARDS, WHERE MARKERS FOR BRANCH CIRCUIT CONDUCTORS SHALL BE VISIBLE WITHOUT REMOVING PANEL DEADFRONT.

26 24 16 – STREET LIGHTING LOADCENTERS

- A. SUBMITTALS: SUBMIT PRODUCT, SHOP DRAWINGS, AND WIRING DIAGRAMS FOR APPROVAL.
- B. MATERIAL:
- MANUFACTURERS: MYERS POWER PRODUCTS, COOPER B-LINE, OR EQUAL.
 - LOADCENTER SHALL CONFORM TO MUNICIPALITY OF ANCHORAGE STANDARD SPECIFICATION (MASS) SECTION 80.14 AND DETAIL 80-38 FOR TYPE 1A LOADCENTERS. REFERENCE DETAILS ON DRAWINGS FOR ADDITIONAL INFORMATION. LOADCENTER SHALL INCLUDE, AT A MINIMUM, THE FOLLOWING COMPONENTS: METERING/UTILITY SECTION (METER FURNISHED BY UTILITY), DUAL MAIN BREAKERS, PANEL SECTION, HAND/OFF/AUTO SELECTOR SWITCH, CONTACTOR, AND PHOTOCCELL. ALL COMPONENTS SHALL BE INTEGRAL TO THE UNIT AND PRE-WIRED FOR A COMPLETE AND OPERABLE STREET LIGHTING LOADCENTER.
- C. INSTALLATION:
- PROVIDE 6" THICK REINFORCED CONCRETE HOUSEKEEPING PAD FOR LOADCENTERS.
 - MAKE ARRANGEMENTS WITH UTILITY COMPANY FOR PERMANENT ELECTRIC SERVICE TO EQUIPMENT.
 - PROVIDE TYPED CIRCUIT DIRECTORIES FOR EACH PANELBOARD.
 - INSTALL PERMANENT LABEL AT THE SERVICE EQUIPMENT INDICATING THE MAXIMUM AVAILABLE FAULT CURRENT PER NEC 110.24.

26 50 00 – LIGHTING FIXTURES

- A. SUBMITTALS:
- SUBMIT PRODUCT DATA ON LIGHT FIXTURES, POLES, ARMS, PILES, AND ALL ACCESSORIES FOR APPROVAL.
 - SUBMIT STRUCTURALLY ENGINEERED SHOP DRAWINGS AND CALCULATIONS, STAMPED AND SIGNED BY A LICENSED STRUCTURAL ENGINEER IN THE STATE OF ALASKA, FOR LIGHT POLES/ARM ASSEMBLIES AND PILES. DRAWINGS AND CALCULATIONS SHALL STATE CONFORMANCE TO THE INTERNATIONAL BUILDING CODE (IBC), THE AMERICAN SOCIETY OF CIVIL ENGINEERS (ASCE), AND THE AMERICAN ASSOCIATION OF STATE HIGHWAY AND TRANSPORTATION OFFICIALS (AASHTO) REQUIREMENTS SPECIFIC TO THE PROJECT AREA.
 - FIXTURE SUBSTITUTIONS SHALL BE SUBMITTED WITH POINT-BY-POINT LIGHTING CALCULATIONS ON A 2'X2' GRID SHOWING COMPLIANCE WITH THE ILLUMINATING ENGINEERING SOCIETY OF NORTH AMERICA (IESNA) RECOMMENDED LIGHTING LEVELS AND UNIFORMITY THROUGHOUT THE PROJECT AREA. LIGHT FIXTURE SUBSTITUTIONS WILL NOT BE CONSIDERED WITHOUT THE REQUIRED LIGHTING CALCULATIONS. FIXTURE, POLE AND ARM APPROVED ALTERNATES WILL CONFORM TO THE SAME BASIC SHAPE/STYLE, TECHNICAL AND AESTHETIC CHARACTERISTICS, PROVIDE EQUAL OR BETTER ILLUMINATION/UNIFORMITY, CONSUME EQUAL OR LESS POWER, AND BE ACCOMPANIED BY AN EQUAL OR BETTER MANUFACTURER WARRANTY THAN THE SPECIFIED PRODUCTS.
- B. MATERIALS:
- LUMINAIRES: PROVIDE AND INSTALL ALL LIGHTING EQUIPMENT OR APPROVED EQUAL AS SHOWN ON THE DRAWINGS AND DESCRIBED IN THE "FIXTURE SCHEDULE". PROVIDE LIGHTING EQUIPMENT COMPLETE, WIRED, ASSEMBLED, WITH PROPER FLANGES, MOUNTING SUPPORTS, HARDWARE, ETC.
 - LED DRIVERS: PROVIDE UL LISTED POWER SUPPLY AS RECOMMENDED BY THE LED FIXTURE MANUFACTURER FOR OPERATION OF THE SPECIFIED LED LAMPS. POWER SUPPLY SHALL BE INTEGRAL TO THE LUMINAIRE UNLESS OTHERWISE NOTED ON THE PLANS. POWER SUPPLY SHALL OPERATE AT THE SUPPLY VOLTAGE INDICATED ON THE PLANS AND SHALL BE LISTED FOR STARTING AND OPERATING THE LAMPS AT -40°F WHERE INSTALLED OUTDOORS.
 - LED LAMPS: UNLESS OTHERWISE SCHEDULED ON THE PLANS, PROVIDE NOMINAL 4000 K, WITH MINIMUM 75CRI AND A MINIMUM L70 LAMP LIFE OF 50,000 HOURS.
 - LIGHT POLES: POLES SHALL BE HOT-DIPPED GALVANIZED MEETING THE REQUIREMENTS OF MUNICIPALITY OF ANCHORAGE STANDARD SPECIFICATIONS (MASS) DETAIL 80-19, HEIGHT AS SHOWN ON THE FIXTURE SCHEDULE. MAST ARMS SHALL BE HOT-DIPPED GALVANIZED STEEL MEETING THE REQUIREMENTS OF MASS DETAIL 80-20, LENGTH AS SHOWN ON THE FIXTURE SCHEDULE. POLE BASES SHALL BE FIXED BASE PER MASS DETAIL 80-21. DRIVEN STEEL PILE FOUNDATIONS SHALL BE PER MASS DETAIL 80-13.
- C. INSTALLATION:
- LUMINAIRE POLES, MAST ARMS, AND BASES SHALL BE INSTALLED PER THE APPLICABLE PORTIONS OF THE MASS DIVISION 80, INCLUDING DETAILS 80-13, 80-19, 80-20, 80-21, AND 80-25.
 - PROVIDE LUMINAIRE DISCONNECTING MEANS IN DRIVER CHANNEL OF EACH LIGHT FIXTURE. WHERE THE LUMINAIRE IS FED FROM A MULTI-WIRE BRANCH CIRCUIT, PROVIDE MULTI-POLE DISCONNECT TO SIMULTANEOUSLY BREAK ALL SUPPLY CONDUCTORS TO THE BALLAST, INCLUDING THE GROUNDED CONDUCTOR.

REVISED SPECIAL PROVISIONS

Pavement Management Phase IIIB Pioneer Drive

MODIFICATIONS TO CITY OF VALDEZ STANDARD SPECIFICATIONS

The following listed provisions of the C.V.S.S. are amended as hereinafter stated:

ADD

SECTION 60.19 EXISTING STRUCTURE CLEANING AND INSPECTION

Article 19.1 Valve Cleaning and Inspection

Existing valves are to be cleared of any debris. Contractor to perform test valve actuation and record any observations. Contractor shall provide inspection footage of the valve and observations to the engineer for review and acceptance. Engineer will review footage and provide recommendation regarding additional required maintenance or valve replacement.

Article 19.2 Submittals

Submittals are to be provided to the Engineer for review and acceptance as stated in Division 10, Section 10.05, Article 5.6 – Product Data. Submittals, at a minimum, are to include applicable items identified below:

- Contractor shall submit well-lit before and after photos of each valve box cleaned.
- Annotated plan set showing location of each valve box serviced with corresponding identification number that aligns with photos.
- Notes of any deficiencies observed, i.e. missing lid or dust pan, misaligned riser casing and valve box, valves that are frozen and cannot be actuated, etc. Deficiencies shall be captured in photos to the extent feasible.

Article 19.3 Payment

Payment for this work is to be as specified in Division 10, Article 10.07 – Measurement and Payment, and include full payment for all work described in this section. Payment includes all labor, tools, equipment, apparatus and incidentals required to complete the work. At a minimum, no additional payment will be granted for setups, reverse setups, tear downs, relocation, overlapping footage per bid item, lost or damaged equipment, property owner coordination, and additional cleaning during inspection.

Payment will be made under the following units:

ITEM TITLE:

Approval of Purchase of Volvo L30H Loader in the Amount of \$125,965.00

SUBMITTED BY: John Witte, Public Works Director

FISCAL NOTES:

Expenditure Required: \$125,965.00

Unencumbered Balance: \$140,000

Funding Source: 350-0400-58000, Major Equipment

RECOMMENDATION:

Approve the purchase of a new Volvo L30H Loader including a 1-year warranty and delivery to the City of Valdez in the amount of \$125,965.00.

SUMMARY STATEMENT:

This agenda item pertains to the purchase of a new Volvo L30H Loader and accessories, which includes a one-year warranty and delivery to the City of Valdez. This purchase is a budgeted item for 2025 and will replace the Port Division's current 2011 Bobcat S100 in accordance with the Major Equipment Schedule. The expected lifespan of the new loader is 10 years.

The purchase price of the Volvo L30H Loader and the accessories reflects a 42.1% discount off the list price of \$184,913.00, as it is being procured through the Sourcewell Cooperative Government Agreement.

Accessories included in this purchase are:

- 96" Snow Blade is priced at \$5,925.00
- 84" Angle Blade is priced at \$4,500.00
- Tire Chains are priced at \$5,500.00

The loader will be used for Port operations and large-scale snow removal.

Once the new Volvo L30H is in service, we will seek approval to sell the 2011 Bobcat S100 in accordance with Municipal Code 4.06.020, which governs the sale and disposal of surplus city property.

PROJECT DETAIL INFORMATION
10% MINIMUM MATCH REQUIREMENT

NOTE: If awarded a grant, disbursement will be only for items that are listed below. Refer to the manual for instructions on how to get prior approval to make changes to this list of items.

There are three types of expenses, on wildland or structural fires, that can be funded under VFA. It should be clear from your description that the item clearly fits within one of these categories:

- **Organizational Improvements** – legal and administration fees, elections, advertising, etc. associated with forming a district, annexing an area to an existing district, or improving the administration of a newly formed district.
- **Equipment, Tools/Supplies, or Safety Improvements** – refer to the instruction manual for description of allowable items
- **Training – both Wildland or Structural**

Wildland is the priority but structural items can be requested.

If in-kind for match is used, list the type (hours attending training, donated time, meeting facility used for training, etc.) on one of the lines of the chart. If you have any questions regarding if certain activities are eligible as in-kind match, contact your local FMO or Fire Staff Officer prior to the application deadline.

MAXIMUM FUNDING AWARD IS \$10,000

Please indicate below if this item is to be used for Wildland (Wild), Structural (Struc), or Both.

Please list items in order of priority.

Grant Funding Requested (Total cost minus 10% fire department match share) \$ 9,900.00

13) In the text box below, briefly justify the need for the requested items. How will the requested items improve the capacity and capability of your rural volunteer fire department? How will the requested items strengthen the fire department's role as a cooperator in wildland fire suppression?

Funding for the Wildland Urban Interface will provide training for the departments Company Officers and crews. This will provide them with a better understanding of interface issues and how structural firefighter's fit into the wildland environment.

Funding for equipment and PPE will allow for equipping a type 6 Engine for response's to wildland incidents.

Are 10% matching funds or appropriate matching activities available as of this date? Yes ☒ No ☐
Is match documentation attached? Yes ☒ No ☐

Signed Assurances-Non Construction, Certifications attached? Yes ☒ No ☐

Have you attached a current copy of your Fire Department Registration? Yes ☒ No ☐

The funding amounts available through the VFA program are limited. There are often more requests than funding available. Due to this limitation some requests may go unfilled, others may receive an amount less than requested, and some will get the full amount requested. **VFA funding is dependent on receipt of federal funds and is not guaranteed.**

However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
- (4) The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549, at 2 C.F.R. Parts 180 and 417. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
- (6) The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
- (7) The prospective primary participant further agrees by submitting this form that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the System for Award Management (SAM) database.
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (10) Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

U.S. DEPARTMENT OF AGRICULTURE

**CERTIFICATION REGARDING
DRUG-FREE WORKPLACE REQUIREMENTS (GRANTS)
ALTERNATIVE I - FOR GRANTEEES OTHER THAN INDIVIDUALS**

This certification is required by the regulations implementing Sections 5151-5160, of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), 7 CFR Part 3017, Subpart F, Section 3017.600, Purpose. The January 31, 1989, regulations were amended and published as Part II of the MAY 25, 1990, Federal Register (pages 21681-21691). Copies of the regulations may be obtained by contacting the Department of Agriculture agency offering the grant.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

Alternative I

- A. The grantee certifies that it will or will continue to provide a drug-free workplace by:
- (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
 - (b) Establishing an ongoing drug-free awareness program to inform employees about --
 - (1) The dangers of drug abuse in the workplace;
 - (2) The grantee's policy of maintaining a drug-free workplace;
 - (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
 - (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
 - (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will --
 - (1) Abide by the terms of the statement; and
 - (2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
 - (e) Notify the agency in writing, within 10 calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position, title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
 - (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
 - (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Instructions for Certification

1. By signing and submitting this form, the grantee is providing the certification set out on pages 1 and 2.
2. The certification set out on pages 1 and 2 is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If know, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) all "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if sued to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

**CERTIFICATION REGARDING LOBBYING**

Applicants should also review the instructions for certification included in the regulations before completing this form. Signature on this form provides for compliance with certification requirements under 7 CFR 3018, Certification Regarding Lobbying. The certifications shall be treated as a material representation of fact upon which reliance will be placed when the U.S. Forest Service determines to award the covered transaction, grant, or cooperative agreement.

Lobbying

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal contract, grant, loan, or cooperative

agreement, the undersigned shall complete and submit Standard Form-LLL, 'Disclosure Form to Report Lobbying,' in accordance with its instructions.

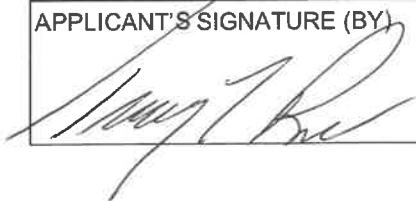

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above applicable certification.

**Burden Statement**

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0596-0217. The time required to complete this information collection is estimated to average 9 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at 202-720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, DC 20250-9410 or call toll free (866) 632-9992 (voice). TDD users can contact USDA through local relay or the Federal relay at (800) 877-8339 (TDD) or (866) 377-8642 (relay voice). USDA is an equal opportunity provider and employer.

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).
12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §469a-1 et seq.).
14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.
16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

THE STATE
of **ALASKA**
GOVERNOR MIKE DUNLEAVY

Department of Natural Resources

Division of Forestry & Fire Protection

[PROGRAM]

3700 Airport Way
Fairbanks, AK 99709-4699
Main: 907.451.2600

January 27th, 2025

To State of Alaska Fire Departments:

Thank you for applying for the 2025 Volunteer Fire Capacity (VFC) grants, formerly known as VFA. Thirty-three (33) fire departments applied, and all applications were funded. Thirty-three (33) Alaska Fire Departments will receive up to \$10,000 per fire department. A total of **\$306,292** will be awarded. This is the letter of official notification.

The enclosed spreadsheet lists all applicants and the amount requested/amount awarded. If a fire department is awarded a grant, the amount awarded will be listed in the "Amount Awarded" column. Please contact your respective DOF Fire Management Officer (FMO) with any questions you may have.

- Checks will be distributed electronically using the VFD's SOA vendor number and in accordance with the SOA electronic payment agreement. Electronic disbursements are expected by no later than March 2026.
- To be eligible for a 2026 VFC grant, compliance documentation, such as copies of receipts for 2025 grant expenditures, must be submitted electronically through the OLAS portal, or in coordination with the DOF local Fire Management Officers (FMOs).
- Volunteer Fire Capacity is an award of Federal Financial Assistance with funding from the USDA Forest Service. Prime and sub-recipients to this award are subject to OMB guidance in sub-parts A through F of 2 CFR Part 200 as adapted and supplemented by the USDA in 2 CFR Part 400. Adoption by USDA of the OMB guidance in 2 CFR 400 gives regulatory effect to OMB guidance in 2 CFR 200 where full text may be found.
- The brochure, "*Complying with Civil Rights*", FS-850, can be found at https://www.fs.usda.gov/Internet/FSE_DOCUMENTS/fseprd610492.pdf
- The OMB Circulars are available on the internet at www.ecfr.gov

Applicants are encouraged to reapply annually by submitting applications and compliance documentation by the specified grant deadline.

Sincerely,

ITEM TITLE:

#25-11 - Authorizing the Valdez City Manager to Request and Pursue Federal Funding up to \$4,000,000 for the Permitting and Design of New Capital Waterfront Infrastructure in the Area Identified in the Valdez Comprehensive Waterfront Master Plan as Sea Otter Park

SUBMITTED BY: Jeremy Talbott, Ports & Harbors Director

FISCAL NOTES:

Expenditure Required: N/A

Unencumbered Balance: N/A

Funding Source: No immediate fiscal impact. Federal funding, if secured, would cover permitting and design costs. Local match requirements, if applicable, will be addressed in future council actions.

RECOMMENDATION:

Approve of Resolution 25-11.

SUMMARY STATEMENT:

The adopted City of Valdez Comprehensive Waterfront Master Plan outlines strategic priorities for the development and improvement of our waterfront infrastructure to meet the current and future needs of our community. The proposed projects are critical to supporting economic growth, facilitating commerce, and enhancing recreational opportunities, as well as meeting transportation and trade demands.

To advance these projects, the permitting and design phase must first be completed to ensure compliance with regulatory standards and to establish detailed plans for construction. Federal funding opportunities may be available to assist with this initial phase, providing a means to secure necessary resources without creating a significant financial burden on local taxpayers. The City is seeking to pursue up to \$4,000,000 in federal funding to support this effort.

Authorization of Resolution #25-11 will empower the City Manager to actively pursue federal funding opportunities for permitting and design of waterfront infrastructure projects at the area identified in the Comprehensive Waterfront Master Plan as Sea Otter Park. This project, as identified in the Valdez Comprehensive Waterfront Master Plan, include improvements to port facilities, docks, and associated infrastructure necessary for meeting economic, environmental, and operational goals.

The requested funding will allow the City to:

- Conduct necessary environmental reviews and obtain permits.

- Develop detailed designs and engineering plans.
- Enhance competitiveness for future construction funding by completing advanced project planning.

By pursuing federal funding, completing design, and permitting, the City will be better positioned to align with national and state infrastructure priorities, including support for trade, economic resiliency, national defense, and climate adaptation. This resolution is a critical step toward ensuring the timely advancement of these vital projects.

CITY OF VALDEZ, ALASKA

RESOLUTION #25-11

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VALDEZ, ALASKA, AUTHORIZING THE VALDEZ CITY MANAGER TO REQUEST AND PURSUE FEDERAL FUNDING UP TO \$4,000,000 FOR THE PERMITTING AND DESIGN OF NEW CAPITAL WATERFRONT INFRASTRUCTURE IN THE AREA IDENTIFIED IN THE VALDEZ COMPREHENSIVE WATERFRONT MASTER PLAN AS SEA OTTER PARK

WHEREAS, the City of Valdez recognizes the importance of its waterfront as a critical asset for economic development, commerce, transportation, and recreation; and

WHEREAS, the Valdez Comprehensive Waterfront Master Plan identifies specific areas for the development and improvement of waterfront infrastructure to support the needs of the community and foster long-term growth and sustainability; and

WHEREAS, new capital waterfront infrastructure is necessary to address current and future needs, including but not limited to improvements in port facilities, commercial docks, and related infrastructure; and

WHEREAS, the permitting and design of such infrastructure is a crucial initial step in advancing these projects and ensuring they are implemented in a strategic and efficient manner; and

WHEREAS, federal funding opportunities are available to support local infrastructure projects that contribute to regional and national priorities, such as enhancing trade, commerce, transportation, and resiliency; and

WHEREAS, securing federal funding will allow the City of Valdez to advance these critical projects without overburdening local taxpayers and ensure alignment with federal and state planning initiatives; and

WHEREAS, the City Manager has the expertise and capacity to manage the application process, coordinate with federal agencies, and administer funds in compliance with all applicable laws and regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF VALDEZ, ALASKA, that

Section 1. The City Manager is hereby authorized to request, apply for, and pursue federal funding opportunities up to \$4,000,000 for the permitting and design of new capital

waterfront infrastructure in the area identified in the Valdez Comprehensive Waterfront Master Plan as Sea Otter Park.

Section 2. The City Manager is authorized to take all necessary actions, including but not limited to preparing and submitting grant applications, providing required documentation, engaging consultants, and coordinating with federal, state, and local entities to secure funding.

Section 3. The City Manager is further authorized to execute any agreements, contracts, or documents necessary to accept and administer awarded funds, subject to review and approval by the City Attorney.

Section 4. This resolution shall take effect immediately upon adoption.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF VALDEZ, ALASKA, this _____ day of _____, 2025.

Non-Profit Support

Friends of the Valdez Animal Shelter

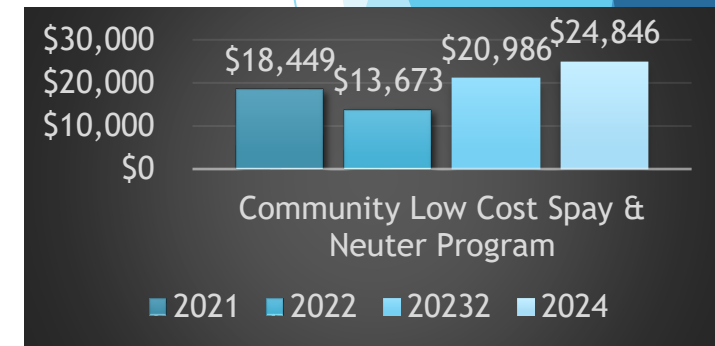

The “Friends” provide ALL FINANCES to pay for ALL Spay and Neuter’s at the animal shelter.

They also do a community program that helps pay for low income spay and neuters in the Valdez community and spay/neuter clinic.

(Oct.- Oct. financial year)

There has been a 18% increase in the last year and 53% in last four years. This is unsustainable and the Friends may have to reduce or eliminate this service in the future.

These community spays & neuters help prevent unwanted animals coming into the shelter.

2nd Annual Pups in the Park

The Valdez Animal Shelter along with the City of Valdez Parks & Rec Dept. hosted the 1st annual Pups in the Park 5K run with BBQ at the shelter after. A fun painting activity for families and free microchipping to race participants was offered. All proceeds from the race are applied to the Valdez Animal Shelters medical fund.

\$1,870 was raised at the event this year.

Changes this year at the shelter

- A new position was created
Animal Shelter Manager
- Four out of the five employees are new to their positions
Alissa Schaeffer stepped as shelter manager after Rebecca Chase resigned
Rhiannon Pierce became the new full-time shelter attendant/administrative assistant
Jane Churchill and Rosel Burt were hired as temporary shelter attendants after Kayla O'Donnell and Grace Hosman resigned to move back to their respective homes
- Foster to adopt was created so animals waiting on spay/neuters can go out to the perspective permanent homes without waiting for the surgery
- Day/Weekend Foster was created so more people can help with socializing animals
- All Full-time staff were trained in animal CPR/First Aid, and we hope to hold classes for the community starting in 2025

Report: Implementation of "Valdez Fix It" Resident Reporting Initiative

SUBMITTED BY: Ana Hinkle, Communications Director

FISCAL NOTES:

Expenditure Required: n/a

Unencumbered Balance: n/a

Funding Source: n/a

RECOMMENDATION:

Receive and file.

SUMMARY STATEMENT:

Attached is a report on the implementation of the "Valdez Fix It" resident reporting initiative for review.

Report: Implementation of 'Valdez Fix It' Resident Reporting Initiative

The City of Valdez will launch "Valdez Fix It," a new resident reporting initiative powered by SeeClickFix. The tagline is "Your Voice, Our Action—Report, Resolve, Improve with Valdez Fix It."

"Valdez Fix It" enables residents to report non-emergency issues 24/7, fostering a more responsive and collaborative community. Individuals can submit issues such as potholes, trash collection, graffiti, missing or damaged street signs, abandoned vehicles, and other concerns.

Reports can be submitted via a link embedded on the City's website or a dedicated mobile app, ensuring accessibility and convenience.

The rollout of "Valdez Fix It" will occur in three phases:

- **Phase 1 (March):** Focus on public works issues, such as Garbage and Garbage Containers, Potholes, Street Signs, Street Lights, and Street Drainage. Other categories include Graffiti, Overdose Emergency Kits, broken/Damaged Fire Hydrants, and Other related concerns.
- **Phase 2 (May):** Categories implemented in May will be Tree and Brush Maintenance, Road Hazards, Unsanctioned Camping, and possibly Nuisance Abatement and Code Enforcement (e.g., Abandoned Vehicles, Private Property Issues).
- **Phase 3 (June):** Categories will include Parks, Playgrounds, and Trails.

Implementing SeeClickFix through "Valdez Fix It" offers several benefits:

- **Efficient Request Resolutions:** The platform provides online request services for residents and streamlined workflows for staff, enhancing efficiency in addressing community issues.
- **Real-Time Communication:** Residents receive immediate feedback and can track the status of their requests, promoting transparency and trust between the community and the City.
- **Customizable Experience:** The system allows tailored interactions, ensuring resident concerns are addressed effectively and personally.
- **Data-driven insights:** The platform's analytics can inform future planning and improve service delivery by identifying trends and areas needing attention.

“Valdez Fix It” represents a significant step forward in enhancing resident engagement and improving the efficiency of city services. By leveraging the SeeClickFix platform, the City reaffirms its commitment to responsive governance and community collaboration.

Report: City of Valdez Grant Program

SUBMITTED BY: Jordan Nelson, Finance Director

FISCAL NOTES:

Expenditure Required: subsequent Budget Resolution for a one-year contract totaling \$75,000

Unencumbered Balance: \$425,123

Funding Source: 350-0350-55000, Budget Variance Reserve

RECOMMENDATION:

Review and provide feedback to staff.

SUMMARY STATEMENT:

The City currently engages a contractor to:

- Monitor and send targeted grant opportunities, summaries, fact sheets. Develop activity report summaries on a monthly basis and schedule calls to review opportunities and progress reports on in-progress grants where applicable.

And multiple contractors to:

- Quote Grant Application development upon request
- Quote Grant Management services upon request

Contractors are selected from a roster developed through Request for Qualifications (RFQ) posted June, 2024. The Grant Report specifies a 200% increase in grant activity in the last five years (28 new). In order to maintain the trajectory a systematic approach to Grant Program Administration is necessary.

A contract and Budget Resolution will be presented for approval on March 4th for Grant Program Administration Gap Analysis.

Finance will request additional funds in the 2026 Budget for implementation based on gap analysis findings.

City of Valdez Grant Report

Executive Summary: Open/pending grants, sources of revenue, and programs result in 43 separate funding opportunities. Of which, 28 are new within the last 5 years. The City of Valdez needs to conduct a “Grant Program Administration Gap Analysis”, to understand where risks are that may put future funding in jeopardy as well as establish best practices with respect to its grant program.

City staff are currently leveraging contractors for Grant Research and will continue to pursue software solutions and consultant relationships prior to requesting a Full-Time Equivalent (FTE) for Grant Program Administration.

Not all funding opportunities are created equal and generally follow the Pareto principle where 80% of staff time is spent on 20% of funding opportunities and vice versa. Below is a timeline related to internal organizing as the City’s Grant Program has developed.

Dec, 2023 established COV Grant Committee

Jun, 2024 issued RFQ for Grant Services related to:

1. Grant Writing
2. Grant Management
3. Grant Software

Aug, 2024 received and scored 9 responses to RFQ – **Appendix A**

Looking ahead

Mar, 2025 consultant contract for grant administration gap analysis and solution – **Need \$75K Budget Resolution to begin scope of work related to Grant Program Administration Gap Analysis**

In 2024, the City of Valdez had:

- 24 Open Grants – Average 2.2 out of 5 for Finance Burden (1-easy, 5-not easy)
 - 11 Federal
 - 9 State
 - 4 Non-Government Organization (NGO)
- Received \$2.8M in Grant Funding – **Appendix B**
- Spent \$10.5M in Grant Funding – **Appendix C**
- \$2.4M in remaining Grant proceeds – **Appendix D**
- 4 Pending Grants not accounted for above, status unknown

In addition, shared / other revenue not subject to Single Audit (“grant-like” in accounting treatment):

- 8 Sources – Average 1.6 for Finance Burden (1-easy, 5-not easy)
 - All sources currently from the State – **Appendix E**
- Received \$3.5M
- Appropriated \$3.5M in 2024 Budget
- All Grant proceeds accounted for

Lastly, the City of Valdez has grant programs to external recipients:

- 7 Open Programs – Average 3.2 for Finance Burden (1-easy, 5-not easy)
 - Housing x2
 - Child Care x3
 - CSO program
 - Beautification
- \$3.5M in Grant Funding – **Appendix F**

Valdez Child Care Initiative: Project Status Update

Overview

The Valdez childcare initiative is progressing toward creating a sustainable and scalable childcare model aligned with the community's needs and long-term strategic goals. This initiative focuses on enhancing childcare capacity, supporting economic development, and addressing the challenges identified in the Valdez Child Care Task Force recommendations, Valdez by the Numbers, and the Valdez long-term strategic plan.

Key Milestones Achieved

1. Stakeholder Engagement

- Met with Valdez City Council members, Economic Diversification Commissioners, and Child Care Crisis Task Force alumni to share updates and gather feedback.
- Attended meetings with Prince William Sound College and Alyeska Pipeline Service Company representatives to explore collaborative opportunities.
- Presented evidence-based solutions and funding models and answered subject matter questions at several EDC meetings.

2. Start-Up Grant Program Design

- Established a framework to manage the start-up grant program, including an advertised request for Letters of Interest (LOIs), interviews with prospective providers, and a transparent project recommendation process for funding allocation.

3. Operating Grant Program Development

- A cost model has been proposed, recommending an operating grant of \$400 per child per month to support ongoing operations of childcare providers.
- Collaboration with stakeholders, including the Economic Diversification Commission, has refined the approach to funding distribution.

4. Alignment with Strategic Goals

- Integrated initiatives with the Valdez long-term strategic planning document to ensure continuity and alignment with economic diversification objectives.

Current Focus Areas and Next Steps

1. Operationalizing Grant Programs
2. Continue engaging stakeholders through regular updates and collaborative discussions.
3. Develop a public awareness campaign to promote the initiative and its impact.
4. Strengthening partnerships with local employers, educational institutions, and state-level organizations to increase childcare capacity and workforce development opportunities.
5. Developing metrics to evaluate program effectiveness, track capacity growth, and ensure transparency in funding outcomes.

Challenges

- **Provider Recruitment**
Identifying and supporting potential childcare providers who meet community standards and capacity needs.
- **Sustainable Funding**
Ensuring long-term financial support through municipal investments, state funding, and private partnerships.
- **Public Awareness**
Increasing community awareness of the critical role of child care in economic development and workforce retention.

Scope of Work

1. INVESTMENT MEASUREMENT SERVICES REPORTS

Callan shall review and evaluate the performance of the total fund, asset classes, and investment managers for the Fund and shall provide written quarterly reports to the City. Callan will calculate the performance of each of the managers/funds, using data provided by Principal, the custodian of the Fund. Callan will also provide analytics on each of these managers.

Callan shall attend an annual meeting in Valdez, in the absence of significant extenuating circumstances, and quarterly meetings via conference call. At the annual meeting and quarterly meetings, Callan shall make oral presentations regarding the investment managers' performance.

2. INVESTMENT MANAGER MONITORING

Callan shall provide on-going monitoring and evaluation of investment managers for the Fund.

3. INVESTMENT POLICY STATEMENT

Callan shall prepare statement of policy, guidelines and objectives for the Fund. This document shall detail priorities, investment alternatives and acceptable asset classes while providing specifications for investment quality, liquidity and risk, along with time horizons and minimum performance objectives. In addition, Callan shall conduct an annual review of this document and recommend appropriate changes.

4. ASSET ALLOCATION UPDATES

Based upon agreed objectives and investment policy statement, Callan shall annually review the asset mix for the Fund and make recommendations on an appropriate range of asset mixes for the Fund. Factors that shall be considered are cash flow forecasts, estimates of asset class investment returns and inflation.

5. INVESTMENT MANAGER SEARCH

Upon expression by the City of the desire to initiate a search and selection process for an investment manager, Callan shall develop and recommend suitable criteria to be used in selection of an investment manager. Callan shall conduct the search and present at least two (2) finalists to the City. The City shall make the final manager selection decision.

6. CALLAN INSTITUTE

During the term of this Agreement, the City will be a member of the Callan Institute ("CI" or "Institute"). CI is a continuing education and research facility in the pensions and investments industry. A division of Callan, the Institute was established in 1980 and

Agreement for Professional Services
Project: Permanent Fund Advisor
Project No.: n/a
Contract No.: tbd
Cost Code: 607-1050-43200

its membership has steadily grown to over 400 leading corporate, public, endowment/foundation and multi-employer fund clients and investment management organizations. The Institute provides research and educational assistance through periodic surveys, monthly and quarterly market index summaries, and research papers. In addition, trustees and staff designated by trustees may attend regional and national Institute conferences without payment of a registration fee.

7. ADDITIONAL CONSULTING SERVICES

Additional consulting services not outlined in this Scope of Work are available to the City from Callan. Such services are not included in the base fee described in Appendix B. The scope and fee for additional consulting services shall be made in writing in the form of an amendment mutually agreed upon and duly executed by both the City and Consultant. The Consultant's Project Manager shall be the point of contact with regard to any contractual matters.

Basis of Compensation

Callan's fee for performance of the work referenced in "Scope of Work" in Appendix A shall be \$99,500. All fees are quoted on a cash basis. The City will be invoiced at the end of each calendar quarter, beginning with the end of the first quarter of the effective date of this Agreement. The City shall make cash payments within thirty (30) days following receipt of billing from Callan. Interest of 1 % per month will be charged on all overdue balances.

Appendix C General Conditions

I. Definitions:

Basic Services: The identified work elements set forth in this Agreement for which the Consultant will receive prime compensation.

Change: An addition to, or reduction of, or other revision in the scope, complexity, character, or duration of the services or other provisions of this Agreement.

City's Project Manager: City's representative in charge of the project(s) and the consultant's primary point of contact for notice(s) to proceed, invoices, correspondence and interface with the City.

Consultant's Project Manager: The Consultant's representative in charge of the project(s) who is directly responsible and engaged in performing the required services.

Extra Services: Any services or actions required of the Consultant above and beyond provisions of this Agreement.

Funding Agency(s): The agency(s) of the federal, state or municipal government which furnishes funds for the Consultant's compensation under this Agreement.

Optional Services: Identifiable and/or indeterminate work elements set forth in this Agreement, which are separate and distinct from those covered by the prime compensation, which the City has the option to authorize.

Prime Compensation: The dollar amount paid to the Consultant for basic services set forth in this Agreement. Prime compensation does not include payment for any optional or extra services.

Scope of Work: Basic and optional services required of the Consultant by provisions of this Agreement.

Subconsultant: Any person, firm, corporation, joint venture, partnership or other entity engaged through or by Consultant.

II. Information and Services from Others:

Agreement for Professional Services
Project: Permanent Fund Advisor
Project No.: n/a
Contract No.: tbd
Cost Code: 607-1050-43200

Provisions of information, data, budget, standards, and other materials by the City does not warrant their accuracy or quality nor provide approval of omissions or oversights or of any non-compliance with applicable regulation.

The City may, at its election, or in response to a request from the Consultant, furnish information or services from other consultants. If, in the Consultant's opinion, such information or services are inadequate, the Consultant must notify the City of the specific service or material deemed inadequate and the extent of the inadequacy prior to use in the performance of this Agreement. Unless so notified by the Consultant, the City may assume the information or services provided are adequate.

III. Indemnification

To the fullest extent permitted by law, the Consultant shall indemnify, defend, and hold harmless the City from and against any claim of, or damages, losses, expenses and liability (including but not limited to fees and charges of engineers, architects, attorneys, and other professionals, and court, mediation and/or arbitration costs) for negligent acts, errors, and omissions of the Consultant, Subconsultant, persons or organizations directly or indirectly employed or engaged by Consultant or Subconsultant under this Agreement. The Consultant is not required to indemnify, defend, or hold harmless the City for a claim of, or liability for the independent negligent acts, errors, and omissions of the City. If there is a claim of, or liability for a joint negligent act, error, or omission of the Consultant and the City, the indemnification, defense, and hold harmless obligation of this provision shall be apportioned on a comparative fault basis. In this provision, "Consultant" and "City" include the employees, agents, and contractors who are directly responsible, respectively, to each. In this provision, "independent negligent acts, errors, and omissions" means negligence other than in the City's selection, administration, monitoring, or controlling of the Consultant, or in approving or accepting the Consultant's work.

IV. Insurance:

All of the insurance coverages listed in Article 5 shall be purchased by the Consultant. The City shall be made an additional insured on the Consultants Commercial General Liability policy in connection with the activities related to this contract. The Consultant shall purchase and maintain the Article 5 insurance coverages with limits not less than those specified for the duration of the Agreement. The professional liability insurance shall be maintained in force for one year following the date of final payment for the work performed herein. The amount of the contract may be renegotiated if the insurance premiums for the following year are raised over those in force when the contract was let. Should the professional liability insurance become unavailable during the one year period following the date of final payment, the insurance coverage may be renegotiated between the City and the Consultant. Insurance coverage shall provide for negligent acts, errors or omissions which the Consultant, employees of the Consultant or Subconsultant may make which produce loss or liability to the

City and for the protection against loss which results from reliance on the Consultant's products, reports or a combination thereof. Failure to comply with the provision for maintaining the insurance in effect for one year following the date of final payment may be cause for the City to refrain from dealing with the Consultant in the future.

V. Payments:

The City shall pay to the Consultant the amount of any changes in the cost of insurance that are attributable to the Scope of Work created by change orders.

Payments shall be made in accordance with Appendix B. Consultant shall submit progress invoices to City in duplicate showing the itemized services performed during the invoice period and the charges therefore.

All progress invoices shall be prepared as a percentage of the work is completed except contracts performed on "time and expenses" basis which invoiced amounts shall not exceed the actual charges to the invoice date.

Under no circumstances will City pay for charges in excess of any lump-sum or not-to-exceed contract amount incurred prior to written authorization by City for an increase in the contract amount. Written request for an increase in the contract amount shall be given to City with sufficient notice to allow City to issue formal approval prior to the incurring of excess charges without delay to the work.

On "time and expenses" contract amounts, compensation for work included in the Scope of Work shall be for direct labor costs and the actual cost of reimbursable expenses. Direct labor costs shall be as shown on the current Standard Labor Rates for the Consultant, times a factor of n/a, for services rendered by principals and employees of the firm. Reimbursable expenses mean the actual expenses incurred directly or indirectly in connection with the Project for: transportation and subsistence incidental thereto; obtaining bids or proposals from contractor(s); furnishing and maintaining field office facilities; toll telephone calls and telegrams; reproduction of reports, drawings, specifications, and similar project-related items and, if authorized in advance by City, overtime work requiring higher than regular rates. Reimbursable expenses shall also include the amount billed to Consultant by Subconsultant employed by Consultant for such Subconsultants' services and reimbursable expenses times a factor of 1.05.

The sum of payments shall not exceed the allowable compensation stated in this Agreement. In the event items on an invoice are disputed, payment on those items will be withheld until the dispute is resolved.

The Consultant shall submit a final invoice and required documentation for services authorized by each Notice to Proceed within Ninety (90) days after final acceptance by

Contract No.: tbd
Cost Code: 607-1050-43200

the City. The City will not be held liable for payment of invoices submitted after this time unless prior written approval has been given.

VI. Changes:

Changes in the Scope of Work or of services may only be made by written amendment signed by both City and Consultant.

If at any time the City through its authorized representatives, either orally or in writing, requests or issues instructions for extra services or otherwise directs actions which conflict with any provisions of this Agreement, the Consultant shall, within ten (10) days of receipt and prior to pursuing such instructions, notify the City in writing, and to the extent possible, describe the scope and estimated cost of any extra services. Unless so notified by the Consultant, the City may assume such instructions have not changed any provisions of this Agreement nor require additional compensation. No additional payments shall be made to the Consultant without such notice.

VII. Audits and Records:

The Consultant shall maintain records of all performances, communications, documents, and correspondence pertinent to this Agreement, and the City and its authorized representatives shall have the right to examine such records and accounting procedures and practices.

The materials described in the Article shall be made available at the business office of the Consultant, at all reasonable times, for inspection, audit or reproduction by City or any funding agency, for a minimum of three years from the date (a) of final payment under this Agreement, (b) final payment upon claims or disputes, and (c) for such longer period, if any, as may be required by applicable statute or other provisions of this Agreement.

VIII. Inspections:

The City, or any funding agency, has the right to inspect, in the manner and at reasonable times it considers appropriate during the period of this Agreement, all facilities, materials and activities of the Consultant related to the performance of this Agreement.

IX. Termination or Suspension:

This Agreement may be terminated by either party upon ten (10) day's written notice if the other party fails substantially to perform in accordance with its terms through no fault of the party initiating the termination (default termination). If the City terminates this Agreement, the City will pay the Consultant a sum equal to the percentage of work completed that can be substantiated by the Consultant and the City. If the City becomes aware of any fault

or defect in the work of the Consultant or nonconformance with this Agreement, the City will give prompt written notice thereof to the Consultant. Should the Consultant's services remain in nonconformance with this Agreement, the percentage of total compensation attributable to the nonconforming work may be withheld.

The City at any time may terminate (convenience termination) or suspend this Agreement for its own needs or convenience. In the event of a convenience termination or suspension for more than three months, the Consultant will be compensated for authorized services and authorized expenditures performed to the date of receipt of written notice of termination plus reasonable termination expenses. NO fee or other compensation for the uncompleted portion of the services will be paid, except for already incurred indirect costs which the Consultant can establish and which would have been compensated for over the life of this Agreement, but because of the convenience termination would have to be absorbed by the Consultant without further compensation.

If state or federal funds support this Agreement, settlement in the event of default or convenience termination must be approved by the City and any appropriate state or federal agency.

X. Officials Not to Benefit:

No member of or delegate to Congress, United States Commissioner or other officials of federal, state or local government shall be admitted to any share or part of this Agreement or any benefit to arise therefrom. The Consultant warrants that it has not employed or retained any organization or person, other than a bona fide employee working for the Consultant, to solicit or secure this Agreement and that it has not paid or agreed to pay any consideration contingent upon or resulting from this Agreement.

XI. Independent Consultant:

Except in those instances specifically provided for herein, the Consultant and any of its agents and employees shall act in an independent capacity and not as agents of the City in the performance of the Agreement.

XII. Ownership of Work Products:

Work products produced under this Agreement, except items which have preexisting copyrights, are the property of the City. Payments to the Consultant for services hereunder includes full compensation for all work products, field notes, interim work, reports, and other materials produced by the Consultant and its Subconsultants pertaining to this Agreement. Any re-use the City might make of these work products shall be at the City's own risk and the Consultant shall not incur any liability for the City's re-use of the work products on any project for which they were not intended.

Notwithstanding anything contained herein to the contrary, the City acknowledges that the Consultant shall retain all of its rights in its methodologies, methods of analysis, ideas, concepts, know-how, techniques, skills, knowledge and experience possessed by the Consultant before the commencement of the term of this Agreement or acquired by the Consultant during the provision of the services.

XIII. Subconsultants, Successors and Assigns:

The City must concur in the selection of all Subconsultants for professional services to be engaged in performance of this Agreement.

As soon as practicable after the award of the contract, the Consultant shall furnish to the City in writing the names of the proposed Subconsultants for each of the principal portions of the work. The City shall promptly notify the Consultant if it has reasonable objection to any of the proposed Subconsultants. Failure of the City to give prompt notification shall constitute notice of no reasonable objection. The Consultant shall not contract with any Subconsultant to whom the City has made reasonable objection.

If this Agreement includes named firms or individuals, then such firms or individuals shall be employed for the designated services, unless the Agreement is changed by amendment.

The Consultant shall not assign, sublet or transfer any interest in this Agreement without the prior written consent of the City.

The Consultant binds itself, its partners, its Subconsultants, assigns and legal representatives to this Agreement and to the successors, assigns and legal representatives of the City with respect to all covenants of this Agreement.

The Consultant shall include provisions appropriate to effectuate the purposes of this Appendix C in all subcontracts executed to perform services under this Agreement in which subcontract amount exceeds \$40,000.

XIV. Claims and Disputes:

If the Consultant becomes aware, or reasonably should have become aware of any act or occurrence which may form the basis of a claim under or related to this Agreement, the Consultant shall immediately inform the City's Project Manager. If the matter cannot be resolved within seven (7) days, the Consultant shall within the next fourteen (14) days submit written notice of the facts which may form the basis of the claim.

Agreement for Professional Services

Contract No.: tbd
Cost Code: 607-1050-43200

In addition, all claims by the Consultant for additional compensation or an extension of the time for performance, in each case related to any dispute regarding a question of fact or interpretation of this Agreement, shall be presented in writing by the Consultant to the City's Project Manager within the next sixty (60) days unless the Project Manager agrees in writing (such agreement not to be unreasonably withheld) to an extension of time for good cause shown. Good cause shown includes time for the Consultant to prepare the claim, and the City's Project Manager will grant an extension of not more than sixty (60) days for preparation of the claim. The Consultant agrees that unless these written notices are provided, the Consultant shall not be entitled to additional time or compensation for such act, event or condition. The Consultant shall in any case continue diligent performance under this Agreement. The Consultant shall in any case continue to expeditiously accomplish disputed services pending future resolution of the Consultant's claim unless notified by the City to stop work on the disputed matter.

In presenting any claim, the Consultant shall specifically include, to the extent then possible, the following:

- The provisions of this Agreement that apply to the claim and under which it is made.
- The specific relief requested including any additional compensation claimed and the basis upon which it was calculated and/or the additional time requested and the basis upon which it was calculated.
- The claim will be acknowledged in writing by the City's Project Manager. If the claim is not disposed of within sixty (60) days of acknowledgement, provided additional time is not granted in writing by the City's Contract Officer, the claim will be decided by the City's Contract Officer. The Contract Officer reserves the right to make a written request to the Consultant at any time for additional information that the Consultant may possess to support the claim(s). The Consultant agrees to provide the City such additional information within thirty (30) days of receipt for such a request. The City's Contract Officer will allow a reasonable time extension for good cause if presented in writing prior to the expiration of the thirty (30) days. Failure to furnish such additional information constitutes a waiver of claim.
- The Consultant will be furnished a written, signed copy of the Contract Officer's decision within ninety (90) days of receipt of all necessary information from the Contractor upon which to base the decision. The Contract Officer's decision is final and conclusive unless, within thirty (30) days of receipt of the decision, the Consultant delivers a notice of appeal to the City Manager. The notice of appeal shall include specific exceptions to

Agreement for Professional Services
Project: Permanent Fund Advisor
Project No.: n/a

the City's decision including specific provision of this Agreement which the Consultant intends to rely upon on appeal. General assertions that the City's decision is contrary to law or to fact are not sufficient.

- The decision of the City Manager will be rendered within 120 days of notice of appeal and the decision constitutes the exhaustion of contractual and administrative remedies.

XV. Extent of Agreement:

This Agreement, including appendices, represents the entire and integrated Agreement between the City and the Consultant and supersedes all prior negotiations, representations or agreements, either written or oral.

Nothing contained herein may be deemed to create any contractual relationship between the City and any Subconsultants or material suppliers; nor may anything contained herein be deemed to give any third party a claim or right of action against the City or the Consultant that does not otherwise exist without regard to this Agreement.

This Agreement may be changed only by written amendment executed by both the City and the Consultant.

All communications that affect this Agreement must be made or confirmed in writing.

The Consultant receiving final payment will execute a release, if reasonably required, relinquishing in full all claims against the City arising out of or by reason of the services and work products furnished under this Agreement.

The Consultant shall pay all federal, state and local taxes incurred by the Consultant and shall require payment of such taxes by any Subconsultant or any other persons in the performance of this Agreement.

XVI. Governing Laws:

This Agreement is governed by the laws of the State of Alaska and such federal and local laws and ordinances as are applicable to work performed. Any litigation arising out of the terms of this Agreement shall be brought in the Third Judicial District, Superior or District Court at Valdez.

XVII. Minimum Wages:

SUMMARY STATEMENT:

City Manager Report for February 18, 2025

AHHA LEGISLATIVE PRIORITIES 2025 | 34th Alaska State Legislature

Our top priority is **ensuring access** to
quality, sustainable healthcare for all Alaskans

ADDRESS DELAYS IN CARE

PRIOR AUTHORIZATION

Patients across Alaska experience delays for care as a result of prior authorization. Originally intended to confirm the appropriateness of care, this practice has led to denials and delays to healthcare, administrative burdens for healthcare professionals, and, most critically, interruptions in the care that patients urgently need.

- **Reform the prior authorization process** by broadening exemptions, imposing strict time limits on reviews, requiring disclosures by insurers, and integrating technology.

Call to
Action

NURSE LICENSURE COMPACT (NLC)

Alaska needs to update its professional licensing process to incorporate modern best practices. Currently, 43 states and jurisdictions have license reciprocity through the NLC so that qualified nurses can practice across state lines with a single license. It is widely supported by Alaska nurses—a 2023 survey shows 92% of respondents support Alaska joining the NLC.

- **Enact the NLC** to get nurses to work faster, aid recruitment and retention, and support military families relocating to Alaska.

HEALTHCARE INFRASTRUCTURE AND SERVICES

Alaska's healthcare system is stuck. We lack infrastructure and services, with one in seven hospital beds occupied by patients who are medically ready to leave but cannot be discharged because there is no place to go for continued care. In 2023, Alaskans spent 67% longer in the hospital than the national average.

- **Invest in healthcare capital projects and services**, and realign reimbursement streams to increase throughput in our healthcare system.

PROMOTE FISCAL SUSTAINABILITY

CERTIFICATE OF NEED (CON)

CON laws are a healthcare planning and regulatory mechanism used to balance healthcare access and cost. It is a public, transparent process for vetting projects that could add significantly to a state's Medicaid budget. In states that have repealed CON - such as Georgia, Pennsylvania, Ohio, and Indiana - per capita health expenditures for hospital and physician services grew at a higher rate in the years following repeal.

- **Don't repeal CON - make refinements to the administrative code.** AHHA is committed to working with the Legislature and the Department of Health on such an approach.

MEDICAID SERVICES

Medicaid is a federal-state partnership that provides health coverage and long-term care services for Alaska's most vulnerable: children, seniors, people with disabilities, pregnant women, and very low income or working poor. The program is vital to Alaska's healthcare infrastructure. Medicaid and Medicare often underpay for healthcare services, which creates a significant cost shift to private insurance and drives up healthcare costs to Alaskans.

- **Fully-fund the Medicaid program** to mitigate cost shifts and incentivize service delivery for our vulnerable populations.

State and Federal Priorities Summary Documents

SUBMITTED BY: Elise Sorum-Birk, Deputy City Clerk

FISCAL NOTES:

Expenditure Required: n/a

Unencumbered Balance: n/a

Funding Source: n/a

RECOMMENDATION:

n/a

SUMMARY STATEMENT:

Attached are the one page summary documents for the adopted City of Valdez State Legislative Priorities and Federal Advocacy Priorities

2025 STATE LEGISLATIVE PRIORITIES

Support Local Housing and Child Care Needs

The Valdez City Council has identified housing and child care as their top two priorities. Valdez has been working hard on local initiatives and trying to find ways to support projects in both areas, but addressing these dual crises will require ongoing support from all levels of government.

- Maintain and expand funding for direct aid to communities in addressing housing scarcity and affordability issues.
- Help local providers navigate the licensing process.
- Establish a statewide organization to allow child care professionals access to health insurance, benefits and administrative support.
- Support flexibility in how individual communities approach child care and housing challenges.

Adequately Fund Public Education

Support for education accounts for 19% of the city's annual appropriations. We urge the Alaska Legislature and the Governor to fund K-12 education adequately and equitably in Alaska as the Alaska Constitution mandates.

- Increase the Base Student Allocation by passing HB 69, SB 46, or a similar bill.
- Provide robust funding for School Bond Debt Reimbursement and the School Major Maintenance Grant Program.

Increase Local Control in Municipal Property Taxation

Assessed values of homes have dramatically increased in Valdez, and state law significantly limits how local governments can respond to offer taxpayers some relief.

- Reexamine AS 29.45 governing property taxation by local governments in Alaska.
- Add flexibility in allowable local tax exemptions, especially for residential properties.

Staff and Sustain Valdez Area State Parks

The passive management of thousands of acres of State Park lands around Valdez since 2016 has caused a cost-shift to the City of Valdez and created public safety concerns.

- Valdez area state parks have been receiving record numbers of visitors in recent years.
- Add a full time park ranger position in Valdez.

Keep Our Community Connected with Reliable Transportation Systems

The Richardson Highway and Alaska Marine Highway are lifelines for our community and there are various other state-owned roads, bridges and facilities, including our local airport, in Valdez that require consistent upkeep and attention from the Alaska Department of Transportation and Public Facilities.

- Ensure adequate staffing of maintenance positions in Thompson Pass and reduce closures.
- Improve regular ferry service to Valdez.
- Prioritize upkeep of state owned roads and infrastructure.

Stabilize the Public Retirement Systems

The quality of Alaska's Public Retirement System is important for recruiting and retaining public servants, especially our first responders and teachers. We believe the creation of a new defined benefits option within the state retirement system (both PERS and TRS) is desirable and is especially important for attracting high quality professionals to our community. The city urges the legislature to pass SB 27 or a similar measure.

Support Prince William Sound Fisheries

Valdez is home to 41 permit holders and homeport to 91 vessels participating in various commercial fisheries and one of the largest purse seine salmon fisheries in Alaska.

- 2024 marked a year of historically low returns for the commercial salmon fisheries in PWS, with many returns down over 80% compared to average. PWS fishermen need an economic disaster declaration and as much assistance as possible.
- Stable funding for the ADF&G Commercial Fisheries Division supports our fisheries' success with the data collection and core functions of this division.
- Funding for the Alaska Seafood Marketing Institute ensures that our fishermen and processors have access to strong markets.
- COV appreciates the ongoing state support of mariculture in PWS.

Maintain Quality State Services in Valdez

- Significant delays in prosecution of criminal charges by the state is a problem in Valdez that the Court System and Department of Law need to remedy.
- Local Spill Prevention and Response staff help ensure that oil is safely moved through Port Valdez and that resources are available in the event of a major oil spill event.
- The Valdez DMV office allows residents to conduct business without having to travel more than 100 miles.
- Maintaining a wildlife trooper position in Valdez is vital to an orderly fishery and maintains established boundaries for resource protection and marine traffic.
- Keeping the existing staff position for OCS in Valdez helps ensure families in vulnerable positions get needed support.

State Grant Program Priorities

- Regional and Community Jail Funding (DOC)
- Alaska Community Transit Human Service Grant Program (DOT & PF)
- Community-Based Primary Prevention Program Grants (CDVSA) and Child Advocacy Grant (DFCS)
- Recreational Boating Access Program (ADF&G)

COV Capital Project Priorities

- Hermon Hutchens Elementary Roof & Exterior Envelope Replacement - \$9.5M
- Pavement & Utilities Rehabilitation Phase 4 - \$6.6M
- Valdez Harbor Launch Ramp Replacement - \$4.2M
- Public Safety Radio Network and Equipment Replacement - \$4M

DOT& PF Capital Project Priorities

- Mineral Creek Loop Road Resurfacing - \$2M
- Resurfacing and Lighting Improvements on Hazelet Ave. - \$5M
- Mineral Creek Bailey Bridge Replacement - \$2M
- Allison Point Pedestrian Pathways- \$2M
- Richardson Highway Resurfacing & Safety Improvements (Airport Rd. to Dayville Rd.)

2024 FEDERAL ADVOCACY PRIORITIES

Support Local Housing Solutions

The City of Valdez has worked diligently to address housing scarcity at the local level through reexamining local land use policies and zoning requirements, offering incentives for construction of new dwelling units and establishing temporary property tax exemptions for development in key areas. Communities are doing what we can but federal assistance with addressing this issue is both welcome and greatly needed.

- **Improve housing options for U.S. Coast Guard members stationed in Valdez.**
- **Identify federal funding opportunities through HUD or other agencies to promote additional high-quality housing units in Valdez with an emphasis on replacement of the large number of aging mobile and manufactured homes in our community.**

Work to Address the Child Care Crisis in Valdez

We are grateful to Senator Murkowski for helping to secure \$3 million for a new child care facility in Valdez as part of the FY24 Appropriations bill. The City of Valdez is taking a multipronged approach to addressing this issue by working on the interrelated areas of facility creation, workforce development and funding mechanisms to help businesses create licensed care in the community. We support federal funding opportunities that ensure there are adequate child care services.

- **Explore options for a local Head Start grantee to manage and operate city-owned early education facility.**
- **Move forward with construction of facility once award letter for funding is received.**

Maintain a Strong Coast Guard Presence in Port Valdez

A robust USCG presence is important to maintaining adequate emergency response capabilities and security for Valdez's strategically important port. Compared to other Alaska ports, Port Valdez has a strategic advantage for commerce and national defense, that the City of Valdez is committed to building upon.

- **The city hopes to work with the Alaska Delegation to replace the Cutter "Liberty" as soon as possible. The Coast Guard has committed to a 87' foot cutter to be stationed in Valdez.**
- **Support adequate emergency response to handle TAPS and other sensitive material that enter the Port of Valdez.**
- **The stationing of future military assets in Port Valdez should be explored.**

Valdez Should Play a Key Role in the Arctic of the Future

As the furthest north ice-free deep water port in the state, Valdez is in a prime position to become a strategic Arctic gateway. The City of Valdez supports federal efforts to promote sustainable development, environmental conservation, and infrastructure improvements to support increased Arctic activity.

- **Highlight the importance of responsible development in the changing Arctic region.**
- **Address national security concerns as Russia continues to build out the Arctic.**

Support Key Infrastructure Projects

The City of Valdez is hoping to leverage federal funding to improve and maintain Valdez's local infrastructure, including roads, bridges and our port to facilitate economic growth and enhance public safety. Our priority capital projects are:

- **Emergency Radio Communications Tower Project**
- **Phase V Pavement Management on Pioneer Drive**
- **Sea Otter Park Development**

Bolster Disaster Preparedness and Resilience

As a community that has experienced two major disasters in our history, Valdez takes emergency preparedness seriously and prioritizes ensuring that we are able to respond to emergency situations quickly and effectively.

- **Prioritize federal assistance for disaster preparedness and response in Valdez, focusing on the city's vulnerability to natural disasters**
- **Find opportunities for federal funding to support resilience for the City of Valdez in future natural disasters.**
- **Seek federal funding to support the Valdez Avalanche Center, including National Weather Service daily weather observations.**

Support Local Economic Diversification and Workforce Development

The City of Valdez is interested in pursuing federal initiatives that support economic diversification in Valdez, particularly in areas such as tourism, sustainable energy, and harbor expansion to facilitate economic growth and job creation. With the high price of a college degree, many in Congress have realized trade and vocational schools have been forgotten to a degree, and we have a serious lack of trained and skilled workers in this country.

- **Collaborate with the U.S. Forest Service and Chugach Corporation to build a vocational education center in Valdez.**
- **Promote federal funding for educational and vocational training programs in Valdez, specifically tailored to the needs of the local workforce and industries, including maritime and environmental management.**

The City of Valdez Supports:

SECURE RURAL SCHOOLS

Urge Congress to pass, and continue to fund, the Secure Rural Schools and Community Self-Determination Act.

HEALTHCARE ACCESS

Federal support can improve healthcare access in Valdez, including funding for healthcare facilities and addressing the healthcare workforce shortage.

SUSTAINABLE RESOURCE MANAGEMENT

We request Federal support for an emergency declaration for Prince William Sound salmon fisheries devastated by record low 2024 returns. Additionally, Reauthorization of the Magnus-Stevens Fisheries Management Conservation Act is an opportunity to evaluate possible changes that could be beneficial to Prince William Sound.

TRIBAL SOVEREIGNTY AND SELF DETERMINATION EFFORTS

The Valdez Native Tribe is seeking federal recognition and the city supports this effort.

CLIMATE RESILIENCE EFFORTS

Prioritize funding for climate resilience projects in Valdez.

Adopted by the Valdez City Council
on February 4, 2025
