The location and names of adjacent subdivisions and the owners of adjoining parcels of unsubdivided land;

Location, widths and names of all existing and platted streets, and right-of-ways;

Utility easements along rear lot lines shall be at least ten feet wide.

Notice was sent to all property owners within 300 feet of the property per Section 16.04.090 of the Valdez Municipal Code on July 29th, 2016.

16.04.090 Notification requirements.

A. A notice shall be sent by mail at least ten days prior to the first scheduled meeting of the Planning and Zoning commission to consider the preliminary plat approval to each owner of property within a distance of three hundred feet of the exterior boundary of the lot or parcel described in the application for subdivision.

B. Consideration of Evidence. The Planning and Zoning commission shall hear and consider evidence and facts from any person during preliminary and final plat approval or written communication from any person relative to the matter. The right of any person to present evidence shall not be denied for the reason that any such person was not required to be informed of such subdivision of land.
