SUMMARY STATEMENT:

- This resolution effectively establishes a payment deferral by waiving late-payment fees for Harbor services and lease payments.
- There is no expenditure associated with this interest-charge waiver
- Staff estimates foregone revenue of \$2,000-\$3,000 if late-interest fees are waived for the entire year.
- As with the previous waiver for utilities and refuse fees, staff will provide an update to council in June, and will seek direction regarding continuing, rescinding, or expansion of the waivers.
