SUMMARY STATEMENT:

City staff provided City Council with an update report on the 2017 Flood Mitigation work on October 3, 2017. City Council has asked staff to bring back a 2018 Flood Mitigation Work Plan from the Task Force. The Task Force met on October 24, 2017 and discussed mitigation work plans for Mineral Creek. The Task Force met on November 20, 2017 and discussed mitigation work plans for the Lowe River.

The following outline and attachment are to help facilitate this discussion on the remaining area. Items attached are identified with a check mark.

DATE: November 27, 2017
