SUMMARY STATEMENT:

On February 1, 2018 Port of Valdez Terminal Tariff 100-18, a completely overhauled version of prior Port tariffs, went into effect.

After operating under Tariff 100-18 for a year, Port staff has identified a few minor updates are necessary. Port staff has not proposed any changes to tariff rates, nor the corresponding Terminal Rules & Regulations document.

The Ports & Harbor Commission passed a recommendation to City Council to adopt the Port of Valdez Terminal Tariff No. 100-19 and Terminal Rules & Regulations during their regular meeting of December 3, 2018.
