RECOMMENDATION:

Approve Contract with Global Diving & Salvage, Inc. for VCT/SBH Underwater Repairs in the Amount of \$886,935.00.

SUMMARY STATEMENT:

This project addresses the issues found during the previous five year inspection at the VCT and SBH. The project addresses those items that are deemed critical in nature and should be addressed prior to the next inspection. The construction includes repair of infrastructure on the causeway concrete pile caps, the floating dock, and VCT & SBH anode replacement.
