SUMMARY STATEMENT:

At the July 30, 2019 work session, the city council directed administration to bring forth an action item authorizing construction of the new fire station project. On December 4, 2018 the city council authorized a professional services agreement with Wolf Architecture, Inc. for Fire Station 1 replacement in the amount of \$1,291,015.50. This contract has been put on hold following the bond authorization election.

A resolution has been prepared for this agenda authorizing allocation of funding for this project.
