### **RECOMMENDATION:**

Approve Resolution # 19-40

### **SUMMARY STATEMENT:**

Parks and Recreation rates and fees were last adopted by resolution in 2011. Additions to and remodel of the aquatic center dictate an update to the fee structure of the aquatic center. Recreation programming and Recreation Center rates and fees were also due to be adjusted.

The PRCS Director and the Parks & Recreation Commission both recommend Council adopt the rates and fees as described in Resolution #19-40.
