SUMMARY STATEMENT:

Attached are the approaches and goals in Anchorage and Fairbanks. Also, Kenai has developed a specific criteria for Cares Act funding to be utilized for assistance.

The Task Force will need to consider the following when evaluating recovery needs in Valdez:

- How does the Task Force gather data about impact of the COVID-19 to Valdez small businesses and non-profits?
- Do we utilize an outside group to develop surveys and create metrics for granting aid?
- How do we determine how much assistance should be provided in order to expedite recovery?
