SUMMARY STATEMENT:

- This resolution proposes the acceptance of a \$25,000 Alaska Department of Homeland Security Grant for emergency management personnel costs
- The resolution specifies a revenue account and a corresponding expense account
- The grant stipulates a \$25,000 match from the City of Valdez
- The match is specified in section three, which reallocates previously appropriated Law Enforcement department salaries and benefits to an "activity code", which is an accounting convention that enables the City to demonstrate satisfaction of the grant-match requirement
